Jackson MFT, 2014-10-20 This book was written as a result of questions I had concerning the state of the church of our Lord and Savior Jesus Christ I read of all the miracles God performed in the Bible and like Gideon Judges 6 13 I asked the question Where has that God gone Why am I not seeing that kind of power in my life After much prayer and meditation God started to show me what was lacking in my life I realized that walking with God was more than

just memorizing Scriptures and learning formulas to get God to work on my behalf While I was paralyzed from a spinal infection I realized that some of what I had been taught in church were based on tradition and were not biblically based During this period of time God began the healing process Through faith in the Word of God I was healed physically but more importantly God gave me the assignment to pass on to others what I have learned I pray for all those who read this book may your eyes and hearts be open to receive the message of Gods great love for you and His desire to lead you to your Promise Land

Spiritual Formation in Local Faith Communities Neil Pembroke,Ewan Kelly,Theo Pleizier,William S. Schmidt,Jan-Albert van den Berg,2022-03-31 Spiritual formation in our local churches is too often poorly done or it is virtually nonexistent We developed this innovative approach to spiritual formation in the congregation because it is desperately needed The prompt cards are used to spark deep reflection and shape potentially life transforming conversations with a pastor around spiritual practices spiritual character personal and social ethics and emotional well being The model was trialed in five countries We heard time and time again how the six week process fired a passion to go deeper with Christ Some reported praying regularly for the first time in decades Others found the Scriptures coming alive after years of going through the motions In this book the authors present a simple but powerful method and offer in depth theological reflection on related issues Some of the important areas covered are early church approaches to spiritual formation contemporary spiritual practices spiritual character the indissoluble link between spirituality and moral virtue the spirituality of the pastor and the positive psychology approach *The sermons and other practical works ...* Ralph Erskine,1863
