The Black Spiritual Movement Hans A. Baer,2001 Spiritual churches in the United States represent one of several religious movements that African Americans have adopted in their efforts to cope with mainstream society In this groundbreaking work first published in 1984 Hans A Baer explores the richness and creativity of Black Spiritualism setting forth an illuminating ethnography of the movement that corrects numerous stereotypes of African American religion Baer shows that the Spiritual churches blend diverse elements borrowing aspects of African American Protestantism American Spiritualism Roman Catholicism Voodoo and black ethno medicine occasionally even including aspects of Islam Judaism New Thought and Ethiopianism He describes not only the history structure ideology and practices of the churches but also the process of syncretism within them and their role within the African American community In addition Baer examines how the Spiritual movement juxtaposes elements of protest and accommodation to racism and class stratification in U S society This second edition includes a new preface and a new epilogue in which Baer discusses his methodology in researching the Black Spiritual Movement describes his meetings with pastors and congregation members and summarizes his most recent research in the field

The Spiritual Churches of New Orleans Claude F. Jacobs,Andrew J. Kaslow,2001 The New Orleans Spiritual churches constitute a distinctive African American belief system Influenced by Catholicism Pentecostalism Spiritualism and Voodoo the group is a New World syncretic faith similar to Espiritismo Santer a and Umbanda The Spiritual Churches of New Orleans combines a historical account of the emergence of this religion with careful ethnographic description of current congregations At the same time text and photographs eloquently convey the ecstasy at the heart of the Spiritual experience The Spiritual churches began in the 1920s as a women s movement Men later assumed leadership in an effort to legitimate the group within the New Orleans religious community and form associations with Spiritual churches elsewhere in the United States Unlike earlier researchers who treated practices in the churches as expressions of black folk traditions the authors see Spiritual ritual not as based on magic but as the way the sacred is acted out within an African American aesthetic During worship members may be filled by the Holy Spirit as in Pentecostal churches or entertain spirits or spirit guides as in Spiritualism or Voodoo Prophecy and healing are presented as the markers of this faith and the Native American figure Black Hawk as a major symbol of empowerment Based on extensive interviews with church members years of participant observation and careful research in documentary sources this book achieves rigorous conceptual clarity in a straightforward engaging style The Authors Claude F Jacobs holds a Ph D in anthropology from Tulane University He teaches at Oakland University Andrew J Kaslow holds a Ph D in anthropology from Columbia University He is a consultant to international organizations

Spiritual and Social Transformation in African American Spiritual Churches Margarita Simon Guillory,2017-12-22 At the core of African American religion s response to social inequalities has been a symbiotic

relationship between socio political activism and spiritual restoration Drawing on archival material and ethnographic fieldwork with African American Spiritual Churches in the USA this book examines how their spiritual and social work can shed light on the interplay between corporate activism and individual spirituality This book traces the development of this politico spiritual approach to injustice from the beginning of the twentieth century through the opening decade of the twenty first century using the work of African American Spiritual Churches as a lens through which to observe its progression Addressing subjects such as spiritual healing support of the homeless gender equality and the aftermath of hurricane Katrina it demonstrates that these communities are clearly motivated by the dual concerns of the soul and the community This study diversifies our understanding of the African American religious landscape highlighting an approach to social injustice that conjoins both political and spiritual transformations As such it will be of significant interest to scholars of religious studies African American studies and politics

Hearing Sappho in New Orleans Ruth Salvaggio, 2012-06-13 While sifting through trash in her flooded New Orleans home Ruth Salvaggio discovered an old volume of Sappho's poetry stained with muck and mold In her efforts to restore the book Salvaggio realized that the process reflected how Sappho's own words were unearthed from the refuse of the ancient world Undertaking such a task in New Orleans she sets out to recover the city's rich poetic heritage while searching through its flooded debris Hearing Sappho in New Orleans is at once a meditation on this poetic city its many languages and cultures and a history of its forgotten poetry Using Sappho's fragments as a guide Salvaggio roams the streets and neighborhoods of the city as she explores the migrations of lyric poetry from ancient Greece through the African slave trade to indigenous America and ultimately to New Orleans The book also directs us to the lyric call of poetry the voice always in search of a listener Writing in a post Katrina landscape Salvaggio recovers and ponders the social consequences of the long song lyric chants especially the voices of women lost in time as it resonates from New Orleans's poetic sites like Congo Square where Africans and Indians gathered in the early eighteenth century to the modern day Maple Leaf Bar where poets still convene on Sunday afternoons She recovers for example an all but forgotten young Creole woman named L I and leads us all the way up to celebrated contemporary writers such as former Louisiana poet laureate Brenda Marie Osbey Sybil Kein Nicole Cooley and Katherine Soniat Hearing Sappho in New Orleans is a reminder of poetry's ability to restore and secure fragile and fragmented connections in a vulnerable and imperiled world

The Booklover's Guide to New Orleans Susan Larson, 2013-09-05 The literary tradition of New Orleans spans centuries and touches every genre its living heritage winds through storied neighborhoods and is celebrated at numerous festivals across the city For booklovers a visit to the Big Easy isn't complete without whiling away the hours in an antiquarian bookstore in the French Quarter or stepping out on a literary walking tour Perhaps only among the oak lined avenues Creole town houses and famed hotels of New Orleans can the lust of A Streetcar Named Desire the zaniness of A Confederacy of Dunces the chill of Interview with the Vampire and the heartbreak of Walker Percy's Moviegoer begin to resonate Susan Larson's revised and

updated edition of *The Booklover's Guide to New Orleans* not only explores the legacy of Tennessee Williams and William Faulkner but also visits the haunts of celebrated writers of today including Anne Rice and James Lee Burke. This definitive guide provides a key to the books, authors, festivals, stores, and famed addresses that make the Crescent City a literary destination.

Manifesting the Primal Imagination Joshua D. Settles, 2024-09-26 *Manifesting the Primal Imagination* explores a little known but important aspect of Black American Christianity: the primal spirituality of the Black Pentecostal and spiritual church. Set against the backdrop of a Christianity believed by many to be synonymous with White Western culture, *Manifesting the Primal Imagination* demonstrates how this image of Christianity came to be and how it is false through a historical and scriptural examination of Christianity itself. At a time in which the nature of Christian faith is hotly contested with many rejecting Christianity on the basis of its historical association with White supremacist claims, Settles advocates for a rereading of the history of Black American faith in a way that recognizes the importance of the primal imagination to Christianity itself.

Santeria Enthroned David H. Brown, 2003-10-15 Ever since its emergence in colonial era Cuba, Afro-Cuban Santería or Lucumí has displayed a complex dynamic of continuity and change in its institutions, rituals, and iconography. In *Santería Enthroned*, David H. Brown combines art history, cultural anthropology, and ethnohistory to show how Africans and their descendants have developed novel forms of religious practice in the face of relentless oppression. Focusing on the royal throne as a potent metaphor in Santería, a belief and practice Brown shows how negotiation among ideologically competing interests have shaped the religion's symbols, rituals, and institutions from the nineteenth century to the present. Rich case studies of change in Cuba and the United States, including a New Jersey temple and South Carolina's Oyotunji Village, reveal patterns of innovation similar to those found among rival Yoruba kingdoms in Nigeria. Throughout, Brown argues for a theoretical perspective on culture as a field of potential strategies and usable pasts that actors draw upon to craft new forms and identities, a perspective that will be invaluable to all students of the African Diaspora.

American Academy of Religion Award for Excellence in the Study of Religion Analytical/Descriptive Category *Afro-Atlantic Catholics* Jeroen Dewulf, 2022-08-15 This volume examines the influence of African Catholics on the historical development of Black Christianity in America during the seventeenth century. Black Christianity in America has long been studied as a blend of indigenous African and Protestant elements. Jeroen Dewulf redirects the conversation by focusing on the enduring legacy of seventeenth-century Afro-Atlantic Catholics in the broader history of African American Christianity. With homelands in parts of Africa that had historically strong Portuguese influence, such as the Cape Verde Islands, São Tomé and Príncipe, and Kongo, these Africans embraced variants of early modern Portuguese Catholicism that they would take with them to the Americas as part of the forced migration that was the transatlantic slave trade. Their impact upon the development of Black religious, social, and political activity in North America would be felt from the southern states as far north as what would become New York. Dewulf's analysis focuses on the historical documentation of Afro-Atlantic Catholic rituals, devotions, and social structures. Of

particular importance are brotherhood practices which were critical in the dissemination of Afro Atlantic Catholic culture among Black communities a culture that was pre Tridentine in nature and wary of external influences These fraternal Black mutual aid and burial society structures were critically important to the development and resilience of Black Christianity in America through periods of changing social conditions Afro Atlantic Catholics shows how a sizable minority of enslaved Africans actively transformed the American Christian landscape and would lay a distinctly Afro Catholic foundation for African American religious traditions today This book will appeal to scholars in the history of Christianity African American and African diaspora studies and Iberian studies

Bounce Matt Miller, 2012 Over the course of the twentieth century African Americans in New Orleans helped define the genres of jazz rhythm and blues soul and funk In recent decades younger generations of New Orleanians have created a rich and dynamic local rap scene which has revolved around a dance oriented style called bounce Hip hop has been the latest conduit for a New Orleans sound that lies at the heart of many of the city s best known contributions to earlier popular music genres Bounce while globally connected and constantly evolving reflects an enduring cultural continuity that reaches back and builds on the city s rich musical and cultural traditions In this book the popular music scholar and filmmaker Matt Miller explores the ways in which participants in New Orleans s hip hop scene have collectively established contested and revised a distinctive style of rap that exists at the intersection of deeply rooted vernacular music traditions and the modern globalized economy of commercial popular music Like other forms of grassroots expressive culture in the city New Orleans rap is a site of intense aesthetic and economic competition that reflects the creativity and resilience of the city s poor and working class African Americans

A New Orleans Voodoo Priestess Carolyn Morrow Long, 2007-10-07 Against the backdrop of eighteenth and nineteenth century New Orleans *A New Orleans Voodoo Priestess The Legend and Reality of Marie Laveau* disentangles the complex threads of the legend surrounding the famous Voodoo priestess According to mysterious oft told tales Laveau was an extraordinary celebrity whose sorcery fueled influence extended widely from slaves to upper class whites Some accounts claim that she led the orgiastic Voodoo dances in Congo Square and on the shores of Lake Pontchartrain kept a gigantic snake named Zombi and was the proprietress of an infamous house of assignation Though legendary for an unusual combination of spiritual power beauty charisma showmanship intimidation and shrewd business sense she also was known for her kindness and charity nursing yellow fever victims and ministering to condemned prisoners and her devotion to the Roman Catholic Church The true story of Marie Laveau though considerably less flamboyant than the legend is equally compelling In separating verifiable fact from semi truths and complete fabrication Long explores the unique social political and legal setting in which the lives of Marie Laveau s African and European ancestors became intertwined Changes in New Orleans engendered by French and Spanish rule the Louisiana Purchase the Civil War Reconstruction and Jim Crow segregation affected seven generations of Laveau s family from enslaved great grandparents of pure African blood to great grandchildren who were legally classified as white

Simultaneously Long examines the evolution of New Orleans Voodoo which until recently has been ignored by scholars

Orishas, Goddesses, and Voodoo Queens Lilith Dorsey, 2020 Throughout Africa and beyond in the Diaspora caused by the slave trade the divine feminine was revered in the forms of goddesses like the ancient Nana Buluku water spirits like Yemaya Oshun and Mami Wata and the warrior Oya The power of these goddesses and spirit beings has taken root in the West This book shows us how to celebrate and cultivate the traits of these goddesses drawing upon their strengths to empower our own lives

Spiritual Merchants Carolyn Morrow Long, 2001 They can be found along the side streets of many American cities herb or candle shops catering to practitioners of Voodoo hoodoo Santería and similar beliefs Here one can purchase ritual items and raw materials for the fabrication of traditional charms plus a variety of soaps powders and aromatic goods known in the trade as spiritual products For those seeking health or success love or protection these potions offer the power of the saints and the authority of the African gods In *Spiritual Merchants* Carolyn Morrow Long provides an inside look at the followers of African based belief systems and the retailers and manufacturers who supply them Traveling from New Orleans to New York from Charleston to Los Angeles she takes readers on a tour of these shops examines the origins of the products and profiles the merchants who sell them Long describes the principles by which charms are thought to operate how ingredients are chosen and the uses to which they are put She then explores the commodification of traditional charms and the evolution of the spiritual products industry from small scale mail order doctors and hoodoo drugstores to major manufacturers who market their products worldwide She also offers an eye opening look at how merchants who are not members of the culture entered the business through the manufacture of other goods such as toiletries incense and pharmaceuticals Her narrative includes previously unpublished information on legendary Voodoo queens and hoodoo workers as well as a case study of John the Conqueror root and its metamorphosis from spirit embodying charm to commercial spiritual product No other book deals in such detail with both the history and current practices of African based belief systems in the United States and the evolution of the spiritual products industry For students of folklore or anyone intrigued by the world of charms and candle shops *Spiritual Merchants* examines the confluence of African and European religion in the Americas and provides a colorful introduction to a vibrant aspect of contemporary culture The Author Carolyn Morrow Long is a preservation specialist and conservator at the the Smithsonian Institution's National Museum of American History

Signs of Diaspora/diaspora of Signs Grey Gundaker, 1998 Examining the interplay of cultural trajectories and sign systems in the African diaspora particularly in the U S Gundaker shows that African Americans while readily mastering the conventions and canons of Euro America also drew on knowledge of their own to make an oppositional repertoire of signs and meanings

Fragments of Bone Patrick Bellegarde-Smith, 2005 The bones of Pierre Toussaint the first proposed African American Catholic saint were disinterred and spread around in the New World In his introduction Patrick Bellegarde Smith suggests the same is true of the religious practices that peoples of African descent and victims of the Atlantic slave trade

brought with them *Fragments of Bone* examines the evolution of these religions as they have been adapted and recontextualized in various New World environments The essays in *Fragments of Bone* discuss African religions as forms of resistance and survival in the face of Western cultural hegemony and imperialism The collection is unique in presenting the voices of scholars primarily outside of the Western tradition speaking on the issues they as practitioners regard as important Bellegarde Smith himself a priest in the Haitian Vodou religion brings together thirteen contributors from different disciplines genders and nationalities *American Indians and Popular Culture* Elizabeth DeLaney Hoffman, 2012-02-22 Americans are still fascinated by the romantic notion of the noble savage yet know little about the real Native peoples of North America This two volume work seeks to remedy that by examining stereotypes and celebrating the true cultures of American Indians today The two volume *American Indians and Popular Culture* seeks to help readers understand American Indians by analyzing their relationships with the popular culture of the United States and Canada Volume 1 covers media sports and politics while Volume 2 covers literature arts and resistance Both volumes focus on stereotypes detailing how they were created and why they are still allowed to exist In defining popular culture broadly to include subjects such as print advertising politics and science as well as literature film and the arts this work offers a comprehensive guide to the important issues facing Native peoples today Analyses draw from many disciplines and include many voices ranging from surveys of movies and discussions of Native authors to first person accounts from Native perspectives Among the more intriguing subjects are the casinos that have changed the economic landscape for the tribes involved the controversy surrounding museum treatments of American Indians and the methods by which American Indians have fought back against pervasive ethnic stereotyping ***Southern Heritage on Display*** Celeste Ray, 2003-01-22 How ritualized public ceremonies affirm or challenge cultural identities associated with the American South W J Cash s 1941 observation that there are many Souths and many cultural traditions among them is certainly validated by this book Although the Civil War and its lost cause tradition continues to serve as a cultural root paradigm in celebrations both uniting and dividing loyalties southerners also embrace a panoply of public rituals parades cook offs kinship homecomings church assemblies music spectacles and material culture exhibitions that affirm other identities From the Appalachian uplands to the Mississippi Delta from Kentucky bluegrass to Carolina piedmont southerners celebrate in festivals that showcase their diverse cultural backgrounds and their mythic beliefs about themselves The ten essays of this cohesive interdisciplinary collection present event centered research from various fields of study anthropology geography history and literature to establish a rich complex picture of the stereotypically Solid South Topics include the Mardi Gras Indian song cycle as a means of expressing African American identity in New Orleans powwow performances and Native American traditions in southeast North Carolina religious healings in southern Appalachian communities Mexican Independence Day festivals in central Florida and in eastern Tennessee bonding ceremonies of melungeons who share Indian Scots Irish Mediterranean and African ancestry Seen

together these public heritage displays reveal a rich creole of cultures that have always been a part of southern life and that continue to affirm a flourishing regionalism This book will be valuable to students and scholars of cultural anthropology American studies and southern history academic and public libraries and general readers interested in the American South It contributes a vibrant colorful layer of understanding to the continuously emerging picture of complexity in this region historically depicted by simple stereotypes *The Mysterious Voodoo Queen, Marie Laveaux* Ina J. Fandrich, 2005-04-21 This study investigates the emergence of powerful female leadership in New Orleans Voodoo tradition It provides a careful examination of the cultural historical economic demographic and socio political factors that contributed both to the feminization of this religious culture and its strong female leaders **Cities of the Dead** Joseph Roach, 2021-11-30 In the early eighteenth century a delegation of Iroquois visited Britain exciting the imagination of the London crowds with images of the feathered people and warlike Mohocks Today performing in a popular Afrodiasporic tradition Mardi Gras Indians or Black Masking Indians take to the streets of New Orleans at carnival time and for weeks thereafter parading in handmade suits resplendent with beadwork and feathers What do these seemingly disparate strands of culture share over three centuries and several thousand miles of ocean Interweaving theatrical musical and ritual performance along the Atlantic rim from the eighteenth century to the present *Cities of the Dead* explores a rich continuum of cultural exchange that imaginatively reinvents recreates and restores history Joseph Roach reveals how performance can revise the unwritten past comparing patterns of remembrance and forgetting in how communities forge their identities and imagine their futures He examines the syncretic performance traditions of Europe Africa and the Americas in the urban sites of London and New Orleans through social events ranging from burials to sacrifices auctions to parades encompassing traditions as diverse as Haitian Voudon and British funerals Considering processes of substitution or surrogation as enacted in performance Roach demonstrates the ways in which people and cultures fill the voids left by death and departure The twenty fifth anniversary edition of this classic work features a new preface reflecting on the relevance of its arguments to the politics of performance and performance in contemporary politics *Louisiana Sojourns* Frank de Caro, 2005-05-01 A sweeping collection of observations and episodes penned by visitors to Louisiana from the sixteenth century to the 1990s *Louisiana Sojourns* is much like the state itself a wonder to behold in its sum and in its particulars full of surprise and delight The seventy six pieces that Frank A de Caro has selected give readers a vivid sense of how Louisiana s unique blend of Old World South the exotic and quintessential America has exerted a pull and hold on travelers Included are writings by well known figures such as Mark Twain Teddy Roosevelt Kate Chopin John Steinbeck Frederick Law Olmsted Walker Percy William Faulkner Simone de Beauvoir Henry Miller John James Audubon Calvin Trillin Zora Neale Hurston A J Liebling William Least Heat Moon and Frederick Turner Dozens of other wayfarers are represented as well

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
