truth the Holy Spirit must be known by every believer as an indwelling life of spiritual power For Murray this indwelling is to be accepted and treasured until it becomes part of the consciousness of the believer As the Holy Spirit possesses us all of our lives even the least things must be surrendered to His leading If God s people can learn to wait on the Holy Spirit for divine leading and working placing ourselves entirely at His disposal there will be manifestations of the Spirit s power in the church such as the world has never known In *The Spirit of Christ* Murray covers all aspects of the Holy Spirit in the hope that God s glory will begin to work through His church in powerful ways that would be a witness for all the world In my observation of the lives of believers I have been very deeply impressed with one thought that our prayer for the mighty working of the Holy Spirit through us and around us can only be powerfully answered as His indwelling in every believer is more clearly acknowledged and lived out Andrew Murray

The Spirit and the Church John Owen,2021-11-15 How do Christians come to the certainty that the Bible is the Word of God and gain an understanding of His mind and will from it How do they acquire the ability to pray and lead others in prayer how are they comforted and supported in all the difficulties they meet And how can the church be led taught and guided aright when Christ is not here on earth According to the great Puritan leader John Owen the answer to all these questions is the same by the gracious and powerful work of the Holy Spirit He it is who convinces assures teaches comforts and equips the church and all its members for all the work they are called to do In an age when many think Christianity is nothing more than human effort based on fallible human conclusions Owen calls the church back to divine certainty and divine resources The style in which the Puritans wrote can present difficulties for modern readers but this updated abridgement of by Dr R J K Law of *The Spirit and the Church* will allow Owen to speak to Christians today on a theme which remains as vitally important for the well being of the church in the twenty first century as it was when Owen first wrote *The Holy Spirit in the Life of the Church* Paul D. Opsahl,2001-07-31 In the midst of today s change and reform Christians everywhere are rediscovering the tremendous vitality that results from the continuing activity of the Holy Spirit in individual lives and in church bodies In *The Holy Spirit in the Life of the Church* experts in the area of biblical historical and doctrinal theology describe this expanding awareness of the Spirit s renewing work The doctrine of the Holy Spirit is reexamined and a sound rationale is provided for the Spirit s continuing activity throughout and beyond the church

The Church in the Movement of the Spirit William R. Barr,1994 A collection of seven essays exploring how the Spirit moves in an amazing variety of ways through the church s life and witness Based on a four year study by the Faith and Order Working Group of the National Council of Churches this volume offers an ecumenical view of the Spirit at work in the church and of the wider movement of the Spirit in creation and in human history **Unfettered Spirit** Robert D. Cornwall,2013-06-21 All too frequently studies of the gifts of the Spirit consist largely of answering two questions What are the gifts and Which ones do I have In many cases studies go on to a third question How can I get more In response

institutional churches and theologically and intellectually respectable Christians often tend to avoid the work of the Holy Spirit in the church entirely. It's much easier to simply close the doors and windows than it is to deal with the wind. John 3:8. After all, they've seen the wind blow out the candles, disarrange the altar vestments, and send a chill through the congregants. Author, pastor, and church historian Bob Cornwall has experienced all of this for himself. He has seen traditional churches and worship. He has seen Pentecostal worship. He has led congregations in difficult times. For more than 30 years, he has studied, practiced, prayed, and lived the work of the Holy Spirit in the church. The result is *Unfettered Spirit: Spiritual Gifts for the New Great Awakening*. Here, he avoids both the errors of replacing the freedom of the Spirit with human whim and of trying to tame or confine the Spirit that will not be fettered. He asks, "Do you truly believe that God is present in the world? And do you believe that God is working through us to break down the walls that divide us from God, from each other, and from the world? And if you do, do you believe that you have been gifted and empowered to participate in this ministry that takes down the walls of egoism, suspicion, greed, self-interest, and hatred? If you can say yes to these questions, jump right in. This is the book for you." If you are hesitant or if the idea of the Holy Spirit working unfettered in your congregation and community frightens you, read the first four chapters carefully as Bob lays the theological foundation. You may find your "maybe" or even your "no" turned into a "yes." Building on this foundation, Bob continues with five chapters on the gifts of the Spirit as described in Scripture. These are practical discussions that will let you keep your bearings in discussions of the Spirit and more importantly in a community where the Spirit is active. Finally, he concludes with a discussion of how to lead and pastor a church where the gifts of the Spirit are active. Whether you are a Pentecostal, an evangelical, a mainliner, a progressive, or any other label you might find for yourself or your church, you will profit from reading this book.

Manifestations of the Spirit Lee Ann B. Marino, 2019-02. THE Holy Spirit is alive and active, working to bring the church together and empower the people of God for proper spiritual service. Yet if we look over the state of many denominations and even the lives of believers, it appears as if the Spirit's life and power is missing. It's obvious there is much we have yet to learn about the Holy Spirit, but what do we need to know? How do we tap into the amazing life-giving power being led into all truth available to each and every believer? In *Manifestations of the Spirit: The Work of the Holy Spirit in the Church and in Your Life*, Dr. Lee Ann B. Marino delves into practical pneumatology, the study of the Holy Spirit, to help believers at all levels of their faith learn more about the precious and beautiful work of the Holy Spirit and how connection to the Holy Spirit can change one's life. Learn more about the identity, work, and life of the Spirit; the application of Pentecost for modern times; the importance of spiritual gifts and their operations; the leadership gifts; the way our spiritual gifts mature as we grow with God; the gifting attributes of the Spirit; prophecy, prophetic expressions, developing spiritual fruit; the Spirit and holiness; counterfeit spiritual movements; and ways the Spirit operates in your everyday life. Perfect for a Bible study, personal devotion, minister's class, or just to gain insight into the work of the Spirit, this book will have you excited to realize just how incredible the Holy Spirit can be when we fully invite
