The Spirit of America Party Tom O'Donnell, 2011-05-31 Fourteen chapters will touch on the decline and fall of the American Spirit From the defeat of our war on drugs to the greatest military defeat ever visited upon American soil 9 1 1 While politicians danced on their party platform shouting we are the strongest nation on the face of the earth The box cutter of terror was being sharpened in a cave in the Hindu Kush An over medicated nation preoccupied with Academy award winners that failed to hear the giant steps of fire worshipers Osama Bin Laden has taught the Moslem world that the United States is a paper tiger and our giant war ships can be sunk by a dinghy A Nation who has lost touch with its roots and is ripe for Europeanization Supreme court judges who want us to be ruled by The Hague Communism has temporarily failed in the Soviet Union but has found a wet nurse in US liberalism The media controls the mind of many and is a willing accomplice to the lies and charades of the demoncrat party The American military is the last shred of American decency left and has more enemies in the USA than in the world Religion has been downsized and replaced with Oscar worship Abortion claims two victims The mother and the child Both are harmed by two villains The politician and the butcher Special interest groups have to be driven out of the senate auction house The largest campaign contribution in any form should not be greater than one dollar Housewives should have to approve the budget The three biggest killers of the spirit of America are drugs divorce and demoncrats The CIA the FIB the State department and the Pentagon all need a make over They all failed us on 911 The first casualty should be PC lawyers We need wartime consultants It is not Bush s job to get Bin Laden it is theirs Anyone who thinks that this war will not last at least ten more years is living under false pretenses Going to Iraq has given us a forward staging area for the invasion of Iran A great strategic move We bypassed all the minefields from the UN to Paris to Turkey to Saudi Soon all who witnessed the greatness of the United States will be gone and the liars will rewrite history This book will bring you home to a God Loving Nation of Dads and Moms who kept freedom alive and snatched victory from the jaws of defeat Never forget you are a special breed You are an American and the spirit of America is the great spirit The red in the banner is for blood spilled for you and me by young people who gave up all their tomorrows so we could stand together and keep the vow You will enjoy the New York 50 s humor You will get sentimental You will get good flashbacks You will see this country in the eyes of one who saw how great we were Yet poor by monetary standards but rich in children and oneness in love We were the servants yet we were kings We were drug free We tried to be better We kept the vow We served God and country in war and peace **Awakening the Spirit of America** Paul M. Sparrow, 2024-06-04 A powerful new work of history that brings President Roosevelt his allies and his adversaries to life as he fought to transform America from an isolationist bystander into the world s first superpower In today s troubled times with authoritarianism escalating at home and abroad Sparrow s book reads like an all hands on deck wakeup call Highly recommended Douglas Brinkley Franklin

Roosevelt awoke at 2 50 a m on September 1 1939 to the news that Germany had invaded Poland signaling the start of World War II The president had warned for years that Hitler s fascist regime posed an existential threat to democracy but the American public remained stubbornly isolationist as fascist sympathizing groups egged on by right wing media stars promoting anti Semitic conspiracy theories plotted to overthrow the president The situation was dire and Roosevelt quickly found himself facing an unexpected adversary Charles Lindbergh Wildly popular the famed aviator s youthful charm plainspoken rhetoric and media magnetism earned him a massive following as he led an aggressive attack on FDR s policies Millions listened to Linberg s radio broadcasts and attended his rallies Powerful individuals including William Randolph Hearst Henry Ford and members of Congress supported him The German government provided secret funds to Lindbergh s Nazi followers as he led the radical America First Committee in an effort to prevent Roosevelt from aiding England s survival and the world s Awakening the Spirit of America brilliantly shows how Roosevelt overcame the forces aligned against him in a war against fascism Paul Sparrow former director of the FDR Presidential Library reveals how FDR s triumph of leadership was by no means a foregone conclusion Roosevelt s astute political maneuvers and persuasive use of language to preserve what he termed the spirit of America changed history and can still inspire today Sparrow brings readers into the rooms where key decisions were made focusing on the crucial role words media and propaganda played in the transformation of America into the protector of the free world Awakening the Spirit of America provides a riveting inside account of FDR s ultimate victory over pro Nazi isolationists and provides vital insight into American history and an iconic president

The Spirit of America Henry Van Dyke,2017-12-20 Precisely as you would interpret one friend to another by describing the spirit which shapes his character Dr Van Dyke has explained America by defining the ideals of the country as he has seen them in her life and literature It is an illuminating book The Spirit of

America contains seven of the twenty six conferences given in the winter of 1908 1909 when I was American Professor at the University of Paris on the foundation established by Mr James Hazen Hyde of Harvard They were delivered in English repeated in part at the other universities of France and published in French in the spring of 1909 under the title of Le Genie de l Amerique It has not seemed worthwhile to try to disguise the fact that these chapters were prepared as lectures and that their purpose was to promote a good understanding between France and the United States Indeed this very fact may lend some interest to the book at least for those readers who rejoice in the deepened friendship between the two Republics a friendship now doubly sealed with the blood of heroes My words may not have done much to strengthen that sacred brotherhood in the cause of freedom and fair play which united France and America in the world war but perhaps they did a little I am glad that i had the chance to speak them just so in Paris five years before the great ordeal came to try the souls of men and nations I still believe that a just peace is worth fighting for I still believe that the nations must have a compact together to establish and defend it on the basis of right above might I still believe that the Spirit of America will lead and compel her to covenant with the other nations great and small to protect peace Henry Van Dyke October 5 1920
