Peoples Sr., 2016-10-17 Faith in God and His Word is vital to every believer and yet it seems to be one of the most misunderstood and often neglected truths in the lives of Christians The Victorious Life of Faith is the answer to the misunderstanding Within these few chapters Dr Peoples presents faith in such a way that every reader will be able to effectively apply the concepts to their day to day living the end result will be success through The Victorious Life of Faith *The Spirit of Faith; Or What Must I Do to Believe? Alderson,2022-03-28 A practical understanding of the new covenant is important to each believer The apostle Paul wrote an entire letter to the church at Galatia because the church was preoccupied with a mixture of the new and old covenants and he warned that this was becoming a real problem In fact he referred to this perversion as another gospel in Gal 1 6 The devil would like nothing more than to water down Christianity by addition and subtraction to rob the Christian of his joy and his freedom Galatians 5 1 This work is intended to help believers understand the dynamics of the new covenant as Jesus taught them through John s Gospel and other Scriptures The transition from the old covenant to the new covenant was a real struggle for the first century church as evidenced by the first church council in Jerusalem Acts 15 Just as the Apostle Peter had difficulty with it this struggle continues today through many different movements which undermine the purity of the gospel of grace and cause great division within the church Having a firm grasp of the important dynamics of the new covenant allows us to discern when the devil tries to pervert the truth and helps bring believers into the abundant life that Jesus had intended each believer to experience

Scott Gorsuch,2024-01-11 In retrospect Karl Barth conceded that everything which needs to be said considered and believed about God the Father and God the Son might be shown and illuminated in its foundation through God the Holy Spirit Nevertheless he refrained from doing so because it was still too difficult to distinguish between God s Spirit and man s spirit and so it was then However the late twentieth century explosion in various disciplines of thought now provides greater discernment between human and divine spirit a better understanding of the logic of spirit and the concept and role of spirit in distinction to mind and body Gorsuch s theological interdisciplinary investigation into the analogia spiritus and a Christian perichoretic relational ontology brings new meaning and coherence to previously difficult scriptures Moreover it provides the fundamental landscape for addressing issues of profound theological consequence 1 redressing the death of transcendence with a new understanding of relational dynamics through which free temporal and self determining human beings might mutually relate with an Eternal God of providence 2 laying the framework for a viable Christian pluralistic hypothesis in an increasingly pluralistic world and 3 providing an enriched theological anthropology for addressing human spirit origins and theodicy
