**Deliverance From the Spirit of Destructive Anger** Olusegun Festus Remilekun,2018-07-24

INTRODUCTION Handling anger is an important life skill Christian counselors report that 85 percents of people who come in for counseling have problems dealing with anger Anger can shatter communication and tear apart relationships and it ruins both the joy and health of many Sadly people tend to justify their anger instead of accepting responsibility for it Everyone struggles to varying degrees with anger Thankfully God s Word contains principles regarding how to handle anger in a godly manner and how to overcome destructive anger Overcoming the spirit of destructive anger is not accomplished overnight But through prayer Bible study and reliance upon God s Holy Spirit the spirit of destructive anger can be overcome We may have allowed anger to become entrenched in our lives by habitual practice but we can also practice responding correctly until that too becomes a habit and God is glorified in our response If you want the great and mighty things God has for you in life to manifest you must get to the root of destructive anger and deal with it Everybody has to deal with anger from time to time But what s the best way to handle it To answer that question we must first understand what destructive anger really is Destructive anger is an intense emotional response rooted in annoyance displeasure indignation wrath vengeance or hostility which is usually irrationally Ephesians 4 26 27 Be ye angry and sin not let not the

himself knew little of the Chinese language Hearn relied on European Sinologists to help him create his own versions and understand the historical and linguistic allusions To such great explorers he acknowledged in a preface the realm of Cathayan story belongs by right of discovery and conquest yet the humbler traveller who follows wonderingly after them into the vast and mysterious pleasure grounds of Chinese fancy may surely be permitted to cull a few of the marvellous flowers there growing      *Ancient Egypt - Light Of The World, Volume 2* Gerald Massey, This is part 2 of the Gerald Masseys work about the comparisons between the Judeo Christian religion and the Egyptian religion No one ever understood the mythology and ritual of Ancient Egypt so well as Gerald Massey since the time of the Ancient Philosophers of Egypt This book is one of the best of its kind and a must have for every student of Egyptian mythology and history      **Isaiah** John Calvin,2000-03-24 Original works by godly writers tailored for the understanding of today s readers For hundreds of years Christendom has been blessed with Bible commentaries written by great men of God who were highly respected for their godly walk and their insight into spiritual truth The Crossway Classic Commentary Series carefully adapted for maximum understanding and usefulness presents the very best work on individual Bible books for today s believers Rich imagery and glimpses of God s character abound in the book of Isaiah Even as the prophet cried out against Judah s empty idolatry and warned of the judgment they would receive he stressed God s holiness patience and mercy Redemption is Isaiah s central theme evidenced in his declarations about Judah s temporal need for salvation and every soul s eternal one Consequently Isaiah more than any other prophet foretold the coming of the Messiah and all that would follow John Calvin delights to point out the numerous passages that were fulfilled during Christ s earthly ministry and with anticipation expounds upon those that are yet to be realized Accordingly he explains Isaiah s emphasis on God s attributes and the prophet s message that salvation is God s chief work The lessons in Isaiah are powerful and with Calvin s insightful commentary are sure to inspire every believer
