*Heroes and Martyrs of the Modern Missionary Enterprise* Lucius Edwin Smith,1857 **Railway Age** ,1940 The Reconnected Leader Norman Pickavance,2014-12-03 The global financial crisis a scandal ridden business world and a deeply unstable business environment all of it means that trust in businesses and business leaders is at an all time low At the same time global supply chains in major corporations have become more complex and exposed to risks as organizations have sought to make use of cheaper production opportunities in poorer countries leaving their global brands exposed to uncertain practices around the world we are in need of a new kind of leadership There is a growing disconnect between the way large corporations would like to see the world and what is happening in reality and the problem lies at least partly in the way that these organizations are being led The Reconnected Leader evaluates the current situation and sets out an eight step model to implementing new leadership practices that help managers reconnect with their teams and reset the relationship the business has with all its stakeholders It is up to leaders to set long term goals that if achieved will create lasting value for businesses and for the communities they serve Drawing on

case studies from international organizations and a sound theoretical underpinning thought leader Norman Pickavance argues that the solution lies with leaders The Reconnected Leader invites readers on a journey to rediscover the true purpose of their business and find more innovative leadership solutions that integrate the challenge of long term societal needs and short term financial results     **The Industrial Enterprise** ,1916
