The Good News Paradigm J.C. Ward, 2017-09-12 Most Christians have some degree of familiarity with the Gospels according to Matthew Mark Luke and John Fewer Christians have the same familiarity with the gospel according to Jesus This gospel is something Jesus taught using figurative language such as parables and metaphors This study examines the figurative parables phrases and words that are attributed to Jesus and His disciples As an example Matthew records that Jesus emphatically states Do not think that I came to bring peace to the earth I did not come to bring peace but a sword Matt 10:34 This statement alone appears to contradict with what most Christians believe a peace loving Jesus represents What is the gospel or good news that Jesus taught What is the figurative meaning of words such as sword leprosy and water for example Did Jesus raise people from the dead back to a physical life Did Jesus feed thousands with a few loaves of bread Is there a figurative understanding to the miracle parables Did Jesus confirm that sin is original What did Jesus say about His return These and other Biblical questions are addressed and explained by Jesus and presented in this study for the reader's contemplation This book is a must read for the sincere Christian who wants to gain a deeper understanding and appreciation of who Jesus was and what He taught

Making of Rhodesia Hugh Marshall Hole,2018-10-24 Initially published in 1926 this book seeks to clear some misconceptions of Southern and Northern Rhodesia at the time of the evolution of British colonies that bear the name of Rhodes their founder The author who lived there for twenty three years used official records and reports original photographs and his friends and his own narrative to tell this story Aziz Nasafi Lloyd Ridgeon,2020-11-25 Shows Nasafi and his legacy in a new light Nasafi s works are of particular interest because they contain valuable descriptions of the different Islamic world views of the age Includes substantial extracts to help illuminate this perceptive study of a neglected figure in the pantheon of Sufi thinkers The Works of Saint Augustine Saint Augustine (of Hippo),1990 In 1990 New City Press in conjunction with the Augustinian Heritage Institute began the project known as The Works of Saint Augustine A Translation for the 21st Century The plan is to translate and publish all 132 works of Saint Augustine his entire corpus into modern English This represents the first time in which The Works of Saint Augustine will all be translated into English Many

existing translations were often archaic or faulty and the scholarship was outdated New City Press is proud to offer the best modern translations available The Works of Saint Augustine A Translation for the 21st Century will be translated into 49 published books To date 41 books have been published by NCP containing 93 of The Works of Saint Augustine A Translation for the 21st Century Augustine s writings are useful to anyone interested in patristics church history theology and Western civilization Publisher Life in Christ William Robert West,2015-09-29 What do you believe about souls There are many very different doctrines taught in the world today concerning souls that are believed to be in all humans By most a soul is believed to be something that is wholly apart from the person a soul is in that a soul is something that is that is believed to be complete in its self without the person it will live after the person it is in is dead it is believed that a soul will exist forever without the person it will never be dead therefore a soul cannot be resurrected from the dead It is believed that a soul must live someplace forever and it will live either in Heaven or Hell even if there is no resurrection The doctrine of unconditional immortality of a deathless soul being in a person and that soul leaving that person at the death of the person makes it impossible for Christ to have give His life to save that soul from death if a soul had immortality it would already have life and could never not have life all Christ could do is give it a reward or punish it Mysticism, Madness, Myth and Mania Robert Laynton,2015-02-14 What happens when a person has a Clear Vivid ecstatic transcendent religious or spiritual experience where they sense that they are being caught up to God or Spirit Do they really encounter an unseen intangible spiritual realm that is Ultimate Reality and the Ground of existence Why do some people who are diagnosed as mentally ill claim to have such experiences If a person persists in these kinds of beliefs are they deluded or even mad Are they actually suffering from religious mania Are atheists correct in dismissing these experiences as merely psychological Or is it the atheists who are blind and deaf when it comes to Ultimate Reality Drawing from personal experience and from over forty years of practical and theoretical engagement with spirituality and religion as well as from approaches within psychology author Robert Laynton explores these questions not as a defense of religion or spirituality but as an exploration of experience on the edge of reason **As You See the Day Approaching** Theodore G. Van Raalte,2016-01-06 We are in the last days Living well in such a time depends upon believing that Christ has conquered sin and death and is ruling today alive at God s right hand These essays on the end time will help Christians live like people who really have eternal life already the life of the Spirit of Christ who lives and moves in both Christ and Christians Whether your question is about heaven the soul hell the new earth about how believers in the Old Testament thought of these things or about what redemptive progress God brought by the resurrection of Christ you will find answers here Readers will also be warmly encouraged by the practical and realistic chapters about the Christian s calling in social and political matters and about the ways that the church s worship is a participation in heavenly realities Central to everything about the end time is the fact that by dying and rising Jesus Christ brought the whole world forward into the last days and has in principle brought Christians into a fullness that Moses and

even Adam did not yet know Read and be encouraged Contributors include 1 Introduction by Dr Theodore Van Raalte 2 Eschatology The Letter and the Spirit in Second Corinthians 3 6 18 by Dr Lane Tipton 3 Finding Eschatology in the Old Testament The Psalms as Case in Point Dr Jannes Smith 4 Working Politically and Socially in Anticipation of Christ s Coming by Dr Cornelis Van Dam 5 In Between and Intermediate Living in Heaven s Glory by Dr Theodore Van Raalte 6 Is Hell Obsolete The Place of Eternal Punishment in Preaching Today by Dr Jason Van Vliet 7 Will We Really Live on a New Earth by Dr Gerhard Visscher 8 Until He Comes Eschatological Aspects of Reformed Worship by Dr Arjan de Visser

Robinson, 2007 Samuel Ibn Tibbon c 1165 1232 the eminent translator philosopher and exegete is most famous for his Hebrew translation of Maimonides Guide of the Perplexed However he wrote original works as well and laid the foundations for a distinctive philosophical exegetical movement what is today called Maimonideanism James T Robinson s book includes a first English translation of Ibn Tibbon s commentary on Ecclesiastes which was the foundational work of the Maimonidean tradition The translation with full annotation is accompanied by an introduction which provides relevant historical philosophical and exegetical background explains difficult passages and identifies Ibn Tibbon s important contributions to the emergence of Maimonideanism The author analyzes Ibn Tibbon s sources and influences in Jewish philosophy and exegesis and in Graeco Arabic philosophy especially al Farabi and Averroes discusses his theory and method of exegesis and explains the main arguments and allegories of the work which relate to the problem of human perfection Responding to and developing the various positions of his time especially the infamous view of al Farabi that immortality of the soul is nothing but an old wife s tale Ibn Tibbon argues that conjunction with the active intellect is possible but rare only one man in a thousand can attain it Thus while the elite few should pursue it through a life of study and contemplation the many should focus on perfection in this world they should eat drink and show the soul good

The Philosopher's Stone Volume II: Dissolve to See: Water, Emotion, and the Alchemy of the Soul Laing Z. Matthews, 2025-09-20 Dissolve to See is the second volume in Laing Z Matthews groundbreaking five volume series on the modern rebirth of inner alchemy Where Volume I Burning Down the False Self walked the reader through the sacred fire of ego dissolution Dissolve to See takes us into the waters of the soul where grief symbol dream and mystery flow together to unmake what the fire could not reach This is not a book about understanding It is a book about un forming Rooted in Western esoteric alchemy Jungian depth psychology Hermetic mysticism and Daoist spiritual practice this volume immerses the seeker in the second phase of the Great Work Dissolution But this is not an abstract theory You will walk through the flood yourself Every chapter is an

initiatory journey into sadness into silence into the imaginal realm where the soul speaks in symbols and nothing is certain but change Across 18 luminous chapters you will learn to Honor the sacred work of grief as a dissolving fire Understand emotions not as symptoms but initiations Engage with dreams as gateways to the imaginal realm Reframe overwhelm confusion and even breakdown as sacred rites of passage Cultivate vision beyond the mind through poetry symbol and the eyes of the soul Through mythic storytelling spiritual psychology and field tested practice Matthews guides the reader to release the need to know to float to ache to wait without panic The book culminates in a quiet revolution spiritual maturity is not control but surrender And the true alchemist does not chase light but dissolves into the current that reveals it This book is not for those seeking techniques to fix their lives It is for those who feel the pull to unmake their lives that they might discover what was true before the false solidified Accompanied by poetic rituals meditative exercises and practical practices for cultivating imaginal perception Dissolve to See becomes both map and mirror It shows the way through not by pointing ahead but by teaching you to see from within If you have ever cried in silence and called it sacred If you have dreamed symbols too strange to explain but too deep to forget If you have stood lost and aching and known somewhere deep that this too is holy Then this book was written for you The fire burned what was false The water now carries what is real You are not meant to swim You are meant to float

Living in the End Times Slavoj Žižek, 2011-04-18 Economics [Living in the End Times](#) Slavoj Žižek, 2011-04-18 The celebrated philosopher explores the end of global capitalism at the hands of its key drivers the 4 riders of the apocalypse in this analysis of fierce brilliance Guardian There should no longer be any doubt global capitalism is fast approaching its terminal crisis Slavoj Žižek has identified the 4 horsemen of this coming apocalypse the worldwide ecological crisis imbalances within the economic system the biogenetic revolution and exploding social divisions and ruptures But if the end of capitalism seems to many like the end of the world how is it possible for Western society to face up to the end times In a major new analysis of our global situation Žižek argues that our collective responses to economic Armageddon correspond to the stages of grief ideological denial explosions of anger and attempts at bargaining followed by depression and withdrawal After passing through this zero point we can begin to perceive the crisis as a chance for a new beginning Slavoj Žižek shows the cultural and political forms of these stages of ideological avoidance and political protest from New Age obscurantism to violent religious fundamentalism Concluding with a compelling argument for the return of a Marxian critique of political economy Žižek also divines the wellsprings of a potentially communist culture from literary utopias like Kafka's community of mice to the collective of freak outcasts in the TV series Heroes
