A Guide to the Collective Awakening Jenna Walker, 2022-09-20

Over the past several decades there has been a remarkable shift in the way humanity views life as a whole. In fact, some would say what we are experiencing is radical. Our physical needs are no longer our only focus. Now we are also pursuing spiritual and emotional fulfillment. An increasing number of people are looking to step away from the ego and move toward conscious awareness. They are seeking their true purpose in this life. The process of connecting with the non-physical world is challenging. Both our bodies and our minds will encounter symptoms that cannot easily be diagnosed via traditional means. We may experience dis-ease and yet all the tests come back normal. This is part of the journey. Furthermore, how do we make choices that sit well in our bodies? How do we manage stress in a healthy way? How do we cope with trauma we have experienced and find our way out of the negativity and into a safe and supportive space?

Jenna Walker's *A Guide to the Collective Awakening* addresses just that: our awakening. In this book, you will learn about meditation and the breath. You will learn how to consciously feed the body through specific food and water choices. You will also learn how to feed your soul through ten hands-on art projects meant to guide you in processing and releasing your emotions in a healthy and constructive way. Rediscover your divine power, connect with the universe, express yourself creatively, and take your personal growth into your own hands. As Walker says, "We have the ability and power to heal ourselves." Use this book to take your first steps on this magnificent journey of awakening.

**Awakening the Witchblood** Nathan King, 2024-08-26

Drawing on the myriad of beliefs from European witch traditions, Nathan King has created an impressive guidebook combining mythology and folklore with operative rituals designed to enliven and quicken the metaphorical Witch Blood that courses through our veins. The Witchblood Awakens. Witches are not just users of magick; we are a physical embodiment, reflection, and power of the source. Coursing through our veins is a potent magickal elixir called the Witchblood, our personal source of power that creates the spark igniting our spells and rituals. In his first book, *Awakening the Witch Blood*, folkloric witch and high priest Nathan King takes the reader on a truly magickal journey through witch lore, ultimately leading you on a journey of self-discovery.

The Journey. Walking with the Walkers is the story of a unique traveling evangelistic family. It started with David, healed of blindness at age five, called to preach after a five-hour vision of heaven and raised from death at age sixteen. A teen-age preacher who filled the Royal Albert Hall in London at age 14. You will read first-hand experiences from Red Square to Times Square, from the Eiffel Tower to the Sydney Opera House, and from the North Pole in Alaska to the tip of Southern Chile. In over seventy countries, they tell of the faithfulness of God to protect and provide. In prisons, orphanages, slums of Haiti, or Governor Mansions, the message is the same. It will make you laugh, cry, and keep you interested until the final page as they share their love story and raising three children while living in
