The House That God Built Zebedee King,2016-02-27 By looking at the nightly news and simply observing for themselves the denigration of homes and communities across our country many would agree that family foundations are cracking and shifting out of place This has resulted in untold devastation within the home and our other social systems therefore many households and lives have simply given way and collapsed under the weight of a host of societal pressures Many believe that a generation of social experimentation along with our cultures fixation at redefining virtually every foundational institution especially the first

human institution marriage are responsible for placing the family and society on very shaky ground indeed leaving a very dubious moral and economic legacy for successive generations When cracks begin to appear upon the walls of a house it may indicate a shifting or damaged foundation which may indicate poor foundation work As a result builders typically reexamine the blueprints the master plan to determine the manner and materials with which the house and foundations built in order to pinpoint and repair a weak or damaged foundation It is the authors conviction that in many households within society weak or faulty spiritual and moral foundations have been laid resulting in the cultural cataclysm we witness throughout our land In his book *The House that God Built Gods Master Plan for Marriage and His Blueprint for Blessing Book One of his Strong Foundation for Strong Families series* the author discusses the need for a RE Vision of marriage and the family but not by redefining replacing or removing these honorable foundations and pillars which have supported societies from the beginning of time Rather by employing the word RE Vision he calls for a refocus a fresh new look at Gods original design for the marriage and family This plan is found in Gods Holy Word specially the first two chapters of the Book of Genesis because this he feels is where marriage family and social systems began Therefore the book is a thorough exposition of the first chapters of Genesis which explore the motivations and the methods through which God Himself built His house the heavens and the earth This study provides keen spiritual and practical insights as to how we can build our homes according to Gods plans so as to receive His best blessings upon our homes and upon our communities *The Spirit-Led Leader* Timothy C. Geoffrion, 2005-11-14

In our postmodern experience oriented culture people are longing for greater authenticity integrity and depth in their pastors and leaders Board directors church members and staff alike are all eagerly seeking leaders who effectively integrate their spirituality and leadership Pastors and executives however often struggle with knowing how to integrate their spiritual values and practices into their leadership and management roles Designed for pastors executives administrators managers coordinators and all who see themselves as leaders and who want to fulfill their God given purpose *The Spirit Led Leader* addresses the critical fusion of spiritual life and leadership for those who not only want to see results but who also desire to care just as deeply about who they are and how they lead as they do about what they produce and accomplish Geoffrion creates a new vision for spiritual leadership as partly an art partly a result of careful planning and always a working of the grace of God *A Spirit Led Life* Jamie Buckingham, 2022-10-01

God has placed inside each one of us a spiritual dream It s what God has breathed into us a little bit of Himself And it s that part that is calling us unto Him As Jamie Buckingham states in this remarkable recounting of his own personal journey with the Holy Spirit through his strict moral upbringing his salvation experience and his *Spirit-Led Living in an Upside-Down World* Stephen E Strang, 2023

There s only one power big enough to help us survive perilous times After reading this book you will have the confidence to walk in the victory Christ died for and begin living exceedingly and abundantly beyond anything you ever could have hoped for or imagined There is a power so great it can help you not only survive but thrive in this crazy world a power that can give

you joy and peace result in miracles and make you victorious no matter what It s a power that comes from the third member of the Godhead the Holy Spirit It s the power that took the teachings of a young carpenter from Galilee and turned upside down the most ruthless empire of its era overcoming the paganism that went with it It s a power that seemed dormant for almost two millennia but has been restored to the church as was told in the Bible And it s available today to help you understand the future have faith to believe for miracles and know unspeakable peace and happiness no matter your circumstances Spirit Led Living in an Upside Down World takes you on a journey to help you understand how you can experience this power and know the Holy Spirit intimately After covering the work of the Holy Spirit for more than four decades as a journalist Stephen E Strang helps readers understand that power is there for the asking even if others misuse or ignore it It s there to give you victory over the forces of evil help you stand strong when the culture wants you to compromise and give you the tools to prosper in body soul and spirit When he was a young newspaper reporter Strang experienced this power in a way exceedingly abundantly above all he could have asked or thought Eph 3 20 and you will too This power will open your spiritual eyes to help you hear from God deepen your prayer life and explain the groanings that cannot be uttered Sharing stories from his own experience and from dozens of modern heroes of the faith Strang will uplift you and inspire you to connect with God in new fresh ways be a powerful influence on your family friends and community deepen your faith so you can move mountains learn to be led by the Spirit to uncover your heart s deepest desires and overcome challenges and fulfill your dreams and purpose in life Spirit Led Living in an Upside Down World is not only one of the most important books you ll ever read but also one of the most profound It will reveal the most stunning secrets and truths behind this power the power of God that is at work regardless of how upside down the world seems to get **Spirit Led, Spirit Fed , Raising Spirit-Led Kids** Seth Dahl,2020-12-01 With all the responsibilities parents have raising children one key area is often neglected helping sons and daughters understand and grow in their spiritual gifting at any age In this groundbreaking resource children s pastor Seth Dahl helps parents minister to and with their children shaping them into the gifted individuals God designed them to be while simultaneously doing damage to the kingdom of darkness He covers important topics such as creating a culture of faith at home helping your children navigate spiritual realities guiding your children to live out the kingdom in their everyday lives and more By using the practical tools offered here you will guide your children effectively and confidently Bring the life changing power of God into your home and raise Spirit led kids **And the Spirit Led Me** Jacqueline Jenkins Keenan,2010-11-17 This book is a must read for anyone whose church is struggling with the issue of homosexuality It is the story of a part time seminary student and church bulletin stuffer who successfully challenged the old and refuted science in the Episcopal Church s theological explanation for consecrating a partnered gay bishop Further it was only as her own faith grew that she was given a voice to tell the leaders of the worldwide Anglican Communion what she had learned But first she had to learn how to forgive those who had injured her as she lived in an angry

polarized church And even as she was called forward she was plagued by eerily timed deaths and a life threatening illness While that happened she made shocking discoveries about the politics in our society that masquerades as science and even more shocking discoveries of underhanded politics in the church But this story is not just a documentary of a failing church It is a warning and ultimately an encouragement regarding the effects of culture wars in the church A failure to live in community first and to engage in honest respectful theological discernment is destroying a denomination and threatening a worldwide church But the story also shows Gods amazing ability to offer new life to the faithful in the face of difficult and destructive circumstances

Spirit Led Through China, Russia, India, Africa and Pakistan Adelbert Hubert, 2015-12-09 I hear people say Why dont you write a book about the things you have experienced the things that have caused you to choose the way of the higher kingdom After much prayer and seeking the heart of God I feel that I dont have the right to die without sharing what the Lord has done in my life The way my wife and family have had to cope and adapt to a vocation has not been easy to say the least and the way God has shaped my life and character I hope can be uplifting to many I have often thought that all the sacrifices we have had to make as a family were too much Then I thought of Jesus and what He sacrificed for us His life This continues to be the major motivation behind our ministry Most of the battles to be reported have taken place in China 1983-1996 but the next 190 illustrated pages also include a postscript covering highlights of other victories He has led me on through Eastern Europe the former Soviet Union Ukraine Myanmar and Africa Please know that this entire account is simply the editing of many logs from the Lords global leading The testimonies I share are not exaggerated memories but unvarnished personal experiences of how the Holy Spirit did lead me and other Christian volunteers into enemy territory bringing His light into the darkness Each Christian has an obligation to record the significant incidents As you read this book I hope it inspires you to be a partaker in Gods divine Word and wonders
