Counseling Cross-Culturally David J. Hesselgrave, 2002-01-08 Christians are being called upon increasingly to care counsel and cure across cultural boundaries writes the author Of course foreign missionaries counsel people from other cultures but so do many pastors particularly those in urban settings Because Christian counseling theory presupposes that counselor and counselee share the same culture the insights of this discipline must be brought together meaningfully with the cross cultural perspectives of missiology Counseling Cross Culturally pioneers this new field After surveying approaches to counseling in the West and those in the non Western world the author develops a theory of Christian cross cultural counseling The final part consistent with the author s broad view of counseling discusses counseling concerned with the well being of people Christian conversion spiritual growth and development of a Christian life style and Christian service

Numerous case studies drawn from a variety of cultures provide realistic examples of the questions that counselors will encounter. A psychologist who trains Christian workers for cross cultural service describes this book as a helpful thoughtful study of complex issues surrounding counseling. It is extremely valuable to expose any missionary candidate to this type of book. It broadens awareness to cross cultural issues and touches on common problems of missionary counselors. Counseling Cross Culturally is an admirable attempt to integrate a conservative evangelical theology with the complexities of culture and life. A New Day Emma Scrivener, 2017-04-20. Can I break free from my eating disorder? Why do I struggle with such anxiety? Where can I go with my shame and despair? Does my life have to be like this? I'm controlling and insecure and desperate to prove my own worth, admits Emma Scrivener and then goes on: I'm a Christian but I don't always feel like it. There are lots of how-to books out there. In terms of the practicalities of recovery they're brilliant. What they don't address is the spiritual dimension. However, even when writing about spiritual recovery, the author confesses that it's tempting to offer some sort of programme or strategy. But I don't think I've got one, she says. What she does offer are practical suggestions for how to apply core gospel truths to practical circumstances. With honesty and examples from real life, including her own, Emma connects with her reader. She shows how the gospel can speak to every heart and every addiction, equipping readers with confidence in Christ's sufficiency and the power of his Word and Spirit to bring change where change seems impossible.

Why Do Bad Things Happen If God Is Good? Rhodes, Ron, 2004. When a cross section of Americans was asked, 'If you could ask God one question and knew He would give you an answer, what would you ask?' the top response was 'Why is there so much pain and suffering in the world?' Bible scholar, speaker and author Ron Rhodes addresses this issue with the heart of a pastor and the mind of an apologist. Debunking non-Christian responses to the problem of pain, Ron explores the unshakable biblical truths that provide a strong foundation in stormy times. Believers who need a tonic for their faith, caregivers who support people in pain, and seekers who are wrestling with the philosophical problem of evil will find helpful answers in this encouraging and enlightening discussion.

Flourishing in Tensions Michael Bräutigam, 2022-09-09. Following Jesus Christ presents unique challenges to disciples today. In our current climate of relativism, materialism, and consumerism, Christians are increasingly perplexed as to who they are and what following after Christ means today. Drawing on the Protestant tradition, in particular Dietrich Bonhoeffer, Martin Luther, and Adolf Schlatter, and findings from psychology, this book offers a fresh integrative interpretation of Jesus's radical call into discipleship. This call is interpreted through a christological lens as Jesus Christ in his role as Prophet calls us to self-denial, in his role as Priest invites us to cross-bearing, and as King demands us to follow him. Jesus's call to discipleship challenges disciples to embrace various tensions by faith and to grow and even flourish in and through them. By denying themselves, they find their true self by taking up their cross; they find real life and by following Christ they find the great friend and befriend the world as the community of disciples. This book is for Christians who seek to mature in intentional self-reflection and discover practical ways of living out Christ's

radical call into discipleship today **Loving God through the Truth, Second Edition** Mark Kim, 2023-05-25 The word theology is often construed by many as referring to a very dry and academic discipline only reserved for the professional clergy and seminary professors Many lay Christians in the church are intimidated by the subject and feel it to be a tedious intellectual exercise that is of no use for their spiritual growth and mission of the church In an attempt to address this concern Mark Kim presents here an introductory systematic theology that deals with the core doctrinal topics of Christianity that is accessible for the average layperson The work will engage heavily with Scripture and the voices of the past and present who have contributed to the total theological voice of the church at large In this second edition of the work there is included an extra chapter on the doctrine of the Christian life As pointed out in the first edition of the work theology should foremost be practical in its results and application The author addresses this concern by including a new chapter discussing the nature of the Christian life and how Christians should live in the world The Power of Revival Dongjin Park, 2023-11-08 Lloyd Jones s Reformed doctrine of Spirit baptism The Welsh minister Martyn Lloyd Jones 1899 1981 was one of the most influential preachers of the twentieth century His preaching was grounded in his view on the baptism of the Holy Spirit but his pneumatology is often seen as a departure from his Reformed heritage In The Power of Revival Dongjin Park explores how Lloyd Jones s preaching was kindled by his distinctly Reformed view of Spirit baptism By tracing Lloyd Jones s writings and sources Park shows how Lloyd Jones s theology of Spirit baptism was less an embrace of charismatic and Pentecostal theology than a reappropriation of Puritan emphasis on experiential faith Lloyd Jones s revivalistic urgency fueled by the Spirit s power to ignite preaching and holy living found its spark in Calvinistic revivalism The Power of Revival sheds light on Lloyd Jones and Reformed theology and encourages readers to follow his example of relying on the Spirit Architectures of Grace in Pastoral Care Douglas B. Olds, 2023-05-23 An updating of virtue ethics for modern pastors and the souls they care for this book proposes innovations for the craft of ministry in the theology of grace how virtues radiate to tame strife and other destructive behaviors It presents a comprehensive alternative to the top down proclamations of biblical counseling approaches that try to impart from an eclectic biblicist lens cognitive authorities for consequential change Instead Christ s bottom up practice of virtues heals and fulfills by focusing on neighbor first and subordinating the ego s strategic considerations more graciously spreading God s will in ministry through participatory and experiential knowledge Virtuous pastoral ministries integrate the common grace of humanist learning to address the range of the care seeker s contemporary context her upbringing struggles and affiliations This book presents more the how than the what of pastoral theology more how the dance of mutuality and chivalry enters the spiritual flow of healing metaphysical grace than the what of right belief Even so pastoral care from the virtue ethical approach inevitably reconsiders vending machine theologies destructive doctrinal boundaries and context lite biblicisms This presentation introduces how virtue ethics apply to ministry the household individual trauma and addictions and the contemporary political and cultural arena Revitalize Andrew M.
