[Summary of Donald S. Whitney's Spiritual Disciplines for the Christian Life](#) Everest Media, 2022-07-02T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 Discipline is important in the Christian life and it is important to understand what you will become God's elect will ultimately conform to the image of Christ and until then they are to grow toward it 2 The pursuit of holiness is not what qualifies us to see the Lord It's the Lord who qualifies us to see Him We cannot produce enough righteousness to impress God and gain admittance into heaven Instead we can only stand before God in the righteousness that has been earned by another Jesus Christ 3 The Bible teaches that Christians should discipline themselves in order to become mature and godly The only road to Christian maturity and godliness passes through the practice of the Spiritual Disciplines 4 The Spiritual Disciplines are the habits of devotion and experiential Christianity that have been practiced by the people of God since biblical times They are the means of blessings for followers of Jesus and a part of their growth in godliness

today Do something nice for yourself Commonly heard phrases in this society committed to self gratification and individual rights Doing things for other people is a waste of precious time and asking for help weak So how do we build the church described in the Scriptures In this day and age how can we be a genuine community based on self sacrifice and mutual commitment In Spiritual Disciplines Within the Church seminary professor author and former pastor Don Whitney shows us how to build a sense of community and be active participants instead of passive attendees Whitney looks at such frequently asked questions as Why can't I get by on my own Why should I go to church Why should I give of myself to the church Why do I need to worship in church Couldn't I just worship in nature Why does it matter whether I become a member of the church Committed love must mark the local expression of the body of Christ By putting spiritual disciplines into practice in the church congregations can return to the depth of community present in the New Testament church where they devoted themselves to the apostles teaching and to the fellowship to the breaking of bread and to prayer **Spiritual Disciplines**

**From Cloisters to Cubicles** David Srygley, 2015-02-06 Many have tried many have failed Spiritual disciplines meant to strengthen and encourage Christian living have become a source of frustration and disillusionment for many Christians Many of the books available are steeped in mysticism monasticism and non biblical language It doesn't take long for a Christian to begin thinking spiritual disciplines are so heavenly focused that they are no earthly good *From Cloisters to Cubicles* redefines spirituality spiritual disciplines and Christian maturity in such a way that any Christian can understand practice and grow through the practice of spiritual disciplines Instead of spiritual disciplines being focused on strengthening just the spiritual dimension of life they become exercises that strengthen one's everyday walk with God in this world To accomplish this goal spiritual disciplines must be understood as exercises in the reintegration of faith and life They should help Christians appraise all things as spiritual beings 1 Cor 2:15 and take every thought captive to the obedience of Christ 2 Cor 10:5 *From Cloisters to Cubicles* helps Christians bring the strength and guidance of the Holy Spirit back into their daily lives Christians can live in this world with all the power and wisdom meant for them as citizens of the kingdom of God Christians really can have the kingdom life now If you are a beginner it will give you a place to start If you have already progressed from milk to meat it will provide a map for spiritual growth that can keep you absorbed for a lifetime Joe Barnett
