Spiritual Leadership Erik Van Praag,2004-01-01 There is a harrowing lack of leadership in the world With this simple statement Erik van Praag opens up a world of spiritual wisdom for leaders Not a do it yourself book with quick remedies van Praag s *Spiritual Leadership* focuses on the philosophical and metaphysical issues that underlie the difficulties faced by most leaders difficulties such as developing a vision inspiring others communicating effectively listening to and acting on one s inner promptings and maintaining a healthy balance between leading others and being led by them *Spiritual Leadership* David Spencer Huffstutler,2016-12-14 How should we see the Spirit at work in spiritual leaders today How did the Spirit work through spiritual leaders in the Bible While many books on spiritual leadership look at the culture around us and offer sound advice from biblical principles this study asks Scripture first what the Spirit did through spiritual leaders in the Bible in order to figure out what the Spirit should be doing through spiritual leaders today **Theory S: Spiritual Leadership of Business Organizations** Dr. N.S.P.RAJU,2018-08-21 Leadership is a key function in the management of any organization Many theories exist for the choice of the best leadership style suiting a given situation But none of these could provide cure for the following maladies of the modern day businesses Intense competition amongst leaders causing abnormal stress and strain and the resultant degenerative diseases Fast paced depletion of natural resources leading to the gravest threat to our ecosystem Frequent recessions of the economy leading to layoffs retrenchments and plant closings The absence of meaning and purpose in the lives of organizational members The business world is in need of a panacea in the form of Exemplary Leadership that can eradicate above ills Only Spiritual Leadership based on the universal principles of Spirituality can provide the hope of rescue The book provides the quintessential qualities of Spiritual Leadership based upon the world s four major religions i e Hinduism Christianity Islam and Buddhism Spiritual Leadership in the Entrepreneurial Business Mario Fernando,2007 In this well informed insightful and comprehensive study Mario Fernando critically explores the complex and multiform interplay of management theory and practice personal biographies theologies of faith and cultural dynamics in order to elaborate and advance a coherent theory of spiritual leadership George Gotsis and Zoe Kortezi *Entrepreneurship and Innovation* In this example of science and theory meeting emerging reality Mario Fernando delves into the complex dimensions of the interplay of the science of management theologies of faith and the dynamics of culture to first understand and then construct and advance a theory of spiritual leadership With real world insights and reflections from himself and others he addresses theory to practice implications and cautions against creating just another fad This insightful and thought provoking book provides a timely read and focus for reflection for organizational leaders concerned with success in the new age economy and global society and who seek a path to understand their own personal and pragmatic spiritual leadership grounding Gary D Geroy Colorado State University US The book will be an important contribution to the literature and will certainly open up some new avenues of research and inquiry Ralph L Piedmont Loyola College in Maryland US Although

interest in workplace spirituality continues to soar the literature and empirical research on non Western non Christian spirituality in entrepreneurship and leadership is almost non existent Mario Fernando s unique study fills the gap in the literature exploring cross cultural and religious distinctions of the contemporary meaning and enactment of spirituality in organizations Case studies of thirteen influential spiritually motivated Buddhist Hindu Christian and Muslim entrepreneurs are used to explore the significant impact of religion upon the management and leadership of an organization The book concludes that although each entrepreneur s outward practice of spiritual leadership conformed to personal religious beliefs these practices had two common aims a connection with self others and or an ultimate reality and a need to direct and motivate self and or others to develop an organizational culture founded on a sense of shared community This unique and fascinating work will strongly appeal to entrepreneurship leadership and business and management researchers and scholars with a particular interest in the interplay between entrepreneurship and spiritual leadership

**Work** Lars Fredrik Svendsen, 2014-12-05 Work is one of the most universal features of human life virtually everybody spends some part of their life at work It is often associated with tedium and boredom in conflict with the things we would otherwise love to do Thinking of work primarily as a burden an activity we would rather be without is a thought that was shared by the philosophers in ancient Greece who generally regarded work as a terrible curse And yet research shows that it prolongs life and is generally good for people's physical and mental health This is perhaps why work is increasingly recognized as a crucial source of meaning and social identity And our attitudes to work have been changing significantly in the last decades with an increased demand for meaning and self realization in the workplace In this book Lars Svendsen argues that we need to complete this reorientation of our feelings about work and collapse the differences between leisure and work Work like the poor is always with us But to overcome the sense of being burnt out we must think of work as not only productive but recreative in other words a lot more like leisure **The Spirit-Driven Leader** Carnegie Samuel

Calian,2010-06-18 What do Bill Gates King Solomon Abraham and Lincoln have in common They re all excellent examples of how leaders under pressure manage to succeed Former Pittsburgh seminary president Sam Calian outlines seven keys to effective leadership under pressure creativity competence commitment character collegiality compassion and courage Filled with telling anecdotes Calian s book asks readers to look not only within themselves but to reach out to others to inspire hope and build stronger communities in trying times The Psychology of Leadership David M. Messick,Roderick M.

Kramer,2004-09-22 In this book some of the world s leading scholars come together to describe their thinking and research on the topic of the psychology of leadership Most of the chapters were originally presented as papers at a research conference held in 2001 at the Kellogg School of Management of Northwestern University The contributions span traditional social psychological areas as well as organizational theory examining leadership as a psychological process and as afforded by organizational constraints and opportunities The editors goal was not to focus the chapters on a single approach to the study and conceptualization of leadership but rather to display the diversity of issues that surround the topic Leadership scholars have identified a host of approaches to the study of leadership What are the personal characteristics of leaders What is the nature of the relation between leaders and followers Why do we perceive some people to be better leaders than others What are the circumstances that evoke leadership qualities in people Can leadership be taught And so on The contributions to this book examine these important questions and fall into three categories conceptions of leadership factors that influence the effectiveness of leadership and the consequences and effects of leadership on the leader All in all the chapters of this volume display part of a broad spectrum of novel and important approaches to the study of the psychology of leadership We hope that they are equally useful to those who are or would be leaders and to those who study the topic As recent events have served to remind us it is too important a topic to be ignored by psychologists **The Spiritual Life of a Leader** Boyd

Bailey,2021-08-10 The Best Leaders Rely on God No matter where you lead the qualities that make a great leader are the same you should be humble selfless honest collaborative and teachable Most of all you should recognize Jesus as the gold standard of leadership and make your relationship with God your top priority In The Spiritual Life of a Leader bestselling author Boyd Bailey will help you develop the habits and goals of an effective leader As you orient your heart toward serving God you ll grow in your ability to bear spiritual fruit in your workplace serve your colleagues and raise up other leaders Learn how you can use honest self assessment to improve your weaknesses and hone your spiritual strengths make spirituality a central part of your management style even in a secular environment avoid the temptations common to leaders and ensure your unique spiritual needs are met Get ready to grow as a leader and a follower of Christ The Spiritual Life of a Leader will help you adopt God s priorities as your own and enable you to shine for Him as you follow Jesus footsteps
