Encouragement for the Journey Tacoma R. Anderson,2017-12-04 Welcome to Encouragement for the Journey These next few pages are little encouragements through the Word of God There are songs thoughts on the scripture of the day and a prayer for the day I pray that these snippets of my individual daily walk will bless your spirit the way God touched mine as they came into existence through me simply sharing the Word of the day with my close friends and family I pray that each prayer and scripture will not only deepen your journey to a deeper relationship with Christ but that it will also transform your faith into a tree of life full of blessings God has in store just for you

**My First Exorcism** Harold Ristau,2016-04-14 What the scientific community dismisses as a mental disorder Christians have often labeled demon possession While classifications may offer limited help in explanation the Reverend Dr Harold Ristau explores the nature and meaning of demonic activity by drawing from his own experiences with exorcism Ristau shares life lessons spiritual applications and religious wisdom from his personal encounters with the dark realm Primarily intended for clergy his reflections offer a springboard intended to stimulate critical thinking challenge metaphysical presuppositions and inspire a belated conversation on a topic that has traditionally been avoided not because of a lack of empirical evidence but due to the fear that it incites inside of us Yet if the claims of the historic Church are true that demons do in fact exist and seek our destruction then an honest examination of the phenomenon and its impact on the ways in which we live and reason is an essential endeavor for any practitioner of the ministry of deliverance

*Who Am I?* Rob Gieselmann,2025-09-30 This book was written to encourage readers who feel disenfranchised from both mainline and evangelical churches most often because of hierarchy and or dogma and to help them experience God anew as Divine Mystery and perfect love Broadly this hopeful story is one of faith told in order to share about a God who can be experienced as full of unfathomable grace and love for all

Early in his life Rob Gieselmann was introduced to God and Christianity through a charismatic experience of being born again but over time that experience morphed into a stilted and predictable if legalistic relationship After some struggle including the struggle over his own sexuality he encountered God a second time freeing him from any quid pro quo understanding of God's nature Although Gieselmann is the pivotal character in his own story this book is really about the mystery of God and the hope of love Interspersed throughout the narrative are spiritual vignettes that touch on matters such as the spirituality of physics and the dynamism of everyday life the lives of Jacob and the man born blind and the very human challenge of forgiving others
