Women Preachers and Prophets through Two Millennia of Christianity Beverly Mayne Kienzle, Pamela J. Walker, 2023-09-01 For nearly two millennia despite repeated prohibitions Christian women have preached Some have preached in official settings others have found alternative routes for expression Prophecy teaching writing and song have all filled a broad definition of preaching This anthology with essays by an international group of scholars from several disciplines investigates the diverse voices of Christian women who claimed the authority to preach and prophesy The contributors

examine the centuries of arguments grounded in Pauline injunctions against women's public speech and the different ways women from the early years of the church through the twentieth century have nonetheless exercised religious leadership in their communities. Some of them based their authority solely on divine inspiration; others were authorized by independent minded communities; a few were even recognized by the church hierarchy. With its lively accounts of women preachers and prophets in the Christian tradition, this exceptionally well documented collection will interest scholars and general readers alike. For nearly two millennia despite repeated prohibitions, Christian women have preached. Some have preached in official settings; others have found alternative routes for expression. Prophecy, teaching, writing, and song have all filled a broad definition.

Jewish & Christian Mysticism Dan Cohn-Sherbok, Lavinia Cohn-Sherbok, 1994 [Holy Power, Holy Presence](#) Elizabeth Dreyer, 2007

Western theology is frequently criticized for not having a fully developed pneumatology. According to these critics, preoccupation with Christology and an excessive focus on the nature and unity of God have come at the expense of a full theology of the three persons. While admitting that there is some truth to these criticisms, Elizabeth Dreyer maintains that those who level them base their conclusions on a narrow range of texts and thus fail to establish a true neglect of the Holy Spirit. Medieval authors offer a wealth of creative language and insight that speaks to the role of the Holy Spirit in contemporary spirituality and contributes to a renewed pneumatology for the twenty-first century.

Encyclopedia of Lesbian and Gay Histories and Cultures Bonnie Zimmerman, George Haggerty, 2021-06-13

A rich heritage that needs to be documented. Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology, this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors. It covers a long history and a dynamic and ever-changing present while opening up the academic profession to new scholarship and new ways of thinking. A groundbreaking new approach. While gays and lesbians have shared many aspects of life, their histories and cultures developed in profoundly different ways. To reflect this crucial fact, the encyclopedia has been prepared in two separate volumes, assuring that both histories receive full unbiased attention and that a broad range of human experience is covered. Written for and by a wide range of people. Intended as a reference for students and scholars in all fields as well as for the general public, the encyclopedia is written in user-friendly language. At the same time, it maintains a high level of scholarship that incorporates both passion and objectivity. It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future.

The Cambridge Companion to Christian Mysticism Amy Hollywood, Patricia Z. Beckman, 2012-09-17

The Cambridge Companion to Christian Mysticism is a multi-authored interdisciplinary guide to the study of Christian mysticism with an emphasis on the third through the seventeenth centuries. The book is thematically organized in terms of the central contexts, practices, and concepts associated with the mystical life in early medieval and early modern Christianity. This book looks beyond the term mysticism which was an early modern

invention to explore the ways in which the ancient terms mystic and mystical were used in the Christian tradition what kinds of practices modes of life and experiences were described as mystical What understanding of Christianity and of the life of Christian perfection is articulated through mystical interpretations of scripture mystical contemplation mystical vision mystical theology or mystical union This volume both provides a clear introduction to the Christian mystical life and articulates a bold new approach to the study of mysticism **Women's Writings on Christian Spirituality** Molly Hand, 2013-11-01 Organized chronologically this original anthology features women authors on the themes of religion and spirituality Writers include Julian of Norwich Grace Mildmay Anna Trapnel Maria W Stewart and Anne Lamott

Encyclopedia of Lesbian and Gay Histories and Cultures George Haggerty, Bonnie Zimmerman, 2003-09-02 Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this Encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavours While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the Encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written by some of the most famous names in the field as well as new researchers this is intended as a reference for students and scholars in all areas of study as well as the general public *The International Cyclopedia of Music and Musicians* Oscar Thompson, 1975 **Pneumatology** Veli-Matti Kärkkäinen, 2002-06-01 One of the most exciting recent developments in theology has been an unprecedented interest in the person and work of the Holy Spirit In fact Veli Matti Karkkainen describes this phenomenon as a pneumatological renaissance But such discussion should be informed he contends by two overarching principles First we must acknowledge the variety of approaches to the experience of the Holy Spirit ecumenically No church can claim a monopoly on the Spirit and no tradition is specifically spirited Second talk about the Spirit must always be contextual and therefore culture specific The spirit of God indwells believers and creation in specific and tangible ways Working from this perspective the book introduces readers to pneumatology the theology and spirituality of the Holy Spirit in current international theology As such the work offers a biblical historical and theological assessment of the Third Person of the Trinity However unlike most textbooks on pneumatology Karkkainen takes a fresh innovative approach Rather than focusing on any single topic his aim is to chart the various territories of contemporary writings and reflections on pneumatology Consequently the volume examines various theological and denominational understandings of the Spirit all major Christian traditions are reviewed assesses key contemporary theologians of the Spirit e g Pannenberg Moltmann and Pincock and inquires into several contextual approaches e g liberation feminist and green These distinctives and the emphasis on the contemporary global scene make this a unique volume An up to date survey of the most noteworthy and theologically pregnant orientations to the Spirit in the worldwide ecumenical and intercultural scene this work will guide

readers in discerning the Holy Spirit's activity at the beginning of the third millennium discusses ecumenical international and contextual pneumatologies ecumenical emphasis ranges from Eastern Orthodox to Pentecostal charismatic international scope gives voice to African and Latin American perspectives covers major pneumatologies provides a comprehensive bibliography
