Guénon,2001 Deals with the normal relationship between the spiritual and the temporal powers implied in a healthy traditional civilization that is the supremacy of knowledge over action of the sacerdotal over the royal caste Touching first on India and the medieval West Guenon then illustrates his point by citing quarrels over investiture and disputes of certain French kings with the papacy as evidence of a deviation in Christianity *Portraits of Spiritual Authority* Jan Willem Drijvers,John Watt,2015-08-27 This volume deals with several figures of spiritual authority in Christianity during late antiquity and the early middle ages and seeks to illuminate the way in which the struggle for religious influence evolved with changes in church and society A number of literary portraits are examined portraits which in various literary genres are themselves designed to establish and propagate the authority of the people whose lives and activities they describe The sequence begins with visionary and prophetic figures of the second and third centuries proceeds through several testimonies from the fourth century to the power of holy persons moves on to Syriac portraits of the fifth to seventh centuries and ends

with the demise of the authority of the holy man in the eighth century. *‘Alā’ al-Dawla al-Simnānī Between Spiritual Authority and Political Power: A Persian Lord and Intellectual in the Heart of the Ilkhanate* Giovanni Maria Martini, 2017-12-18 In *Al al Dawla al Simn n between Spiritual Authority and Political Power A Persian Lord and Intellectual in the Heart of the Ilkhanate* Giovanni Maria Martini investigates the personality of a major figure in the socio political and cultural landscape of Mongol Iran. In pursuing this objective the author follows parallel paths. Chapter 1 provides the most updated reconstruction of Simn n s d 736 1336 biography which thanks to its unique features emerges as a cross section of Iranian society and as a microhistory of the complex relationships between a Sufi master, Persian elites and Mongol rulers during the Ilkhanid period. Chapter 2 contains a study on the phenomenon of Arabic Persian diglossia in Simn n s written work arguing for its socio religious function. In Chapters 3 to 6 the critical editions of two important interrelated treatises by Simn n are presented. Finally Chapter 7 offers the first full length annotated translation of a long work by Simn n ever to appear in a Western language.

**Spiritual Authority** Rob Reimer, 2024-03-11 Jesus gave his disciples authority to preach the good news of the kingdom of God and to cast out demons, heal the sick, save the lost and set the captives free. Everywhere Jesus went the kingdom came with power. There was no proclamation of the gospel without a demonstration of power. It was the authentic demonstration of Jesus power through his followers that ignited the greatest spiritual movements in the first century. Today we are becoming more like the spiritual climate in the first century than like 1950 America. In a pluralistic syncretistic society where all deities are considered equal, only the unequal display of Jesus power will convince people of the supremacy of Christ. The key to demonstrating the power of the King is Authority and authority is not just positional; it is developmental. Spiritual authority is rooted in identity, expanded in intimacy and activated by faith. This book takes an in depth look at how we can grow in identity, intimacy and faith so that we can develop our authority and release the kingdom.

**Spiritual Authority** Godsword Onu, 2015-03-18 The Bible tells us that the Father has made Jesus Christ to sit at His Right Hand in the Heavenly places, far above all principality and power and might and dominion. It also says that God has made us sit together in the Heavenly places in Christ Jesus. And we are seated together with Christ Jesus. Therefore we are also seated far above all principality and power and might and dominion. This reveals the spiritual authority that we have in Christ Jesus. And we are assured of the authority and power to trample on serpents and scorpions and over all the power of the enemy and nothing shall by any means hurt us. This is to say that all the powers of the kingdom of darkness are under our feet and they are not to rise above the treading and trampling of our feet. Notice that they shall not even hurt or harm us at that position of being under our feet.
