## **Spiritual Care Among The Very Elderly:**

**Spiritual Care Among the Very Elderly** George Whitman Strong,1992      Self-Care in the Elderly Fatemeh Bahramnezhad,2025-09-26 This comprehensive book provides a practical and evidence based approach to promoting self care in the elderly Covering all essential domains physical mental social and spiritual it presents a well rounded framework for supporting older adults in maintaining their health and quality of life Each chapter features practical recommendations for older adults and their caregivers along with clinical case examples to enhance comprehension The content is supported by the latest findings from reliable scientific sources peer reviewed journals and clinical guidelines Importantly this book also highlights the growing role of technology and telehealth in elderly care offering innovative yet accessible strategies to improve service delivery Written in clear and simple language this book is ideal for healthcare professionals caregivers students and anyone working in home care or nursing home settings      *The Role of Family Physicians in Older People Care* Jacopo Demurtas,Nicola Veronese,2021-12-30 This book provides family doctors with a wealth of evidence based indications and tips regarding geriatric medicine and approaches for the management of older patients to be applied in daily practice After discussing old and new features of healthy ageing and the approaches required in Family Medicine Consultation the text introduces key elements of geriatric medicine such as frailty sarcopenia and the comprehensive geriatric assessment CGA before describing a range of characteristics unique to older patients in different contexts with a dedicated section on Palliative Care The role of polypharmacy and the importance of quaternary prevention and deprescribing are also addressed Finally the book emphasizes both the importance of a humanistic approach in caring and the approach of research and meta research in geriatrics Though many texts explore the role of primary care professionals in geriatric medicine the role of family doctors in older people care has not yet been clearly addressed despite the growing burden of ageing which has been dubbed the silver tsunami Family physicians care for individuals in the context of their family community and culture respecting the autonomy of their patients In negotiating management plans with their patients family doctors integrate physical psychological social cultural and existential factors utilizing the knowledge and trust engendered by repeated visits They do so by promoting health preventing disease providing cures care or palliation and promoting patient empowerment and self management This will likely become all the more important since we are witnessing a global demographic shift and family doctors will be responsible for and involved in caring for a growing population of older patients This book is intended for family medicine trainees and professionals but can also be a useful tool for geriatricians helping them to better understand some features of primary care and to more fruitfully interact with family doctors      **Aging, Spirituality and Palliative Care** Rev Elizabeth Mackinley,2006-10-24 Gain greater depth of understanding of end of life spiritual issues for older adults The period of time when a person approaches death is always difficult both for the patient and the caregiver Aging Spirituality and Palliative Care discusses best practices in aged and palliative care while addressing patients diverse

spiritual **The Role of Sex in Heart Failure and Transplantation** Manuel Martínez-Sellés, Antoni Bayes-Genis, Ana Ayesta, Adrian Marco Baranchuk, Beatriz Diaz Molina, 2021-07-22 *Proceedings of the 2022 3rd International Conference on Big Data and Informatization Education (ICBDIE 2022)* Zehui Zhan, Bin Zou, William Yeoh, 2023-01-20 This is an open access book The 2022 3rd International Conference on Big Data and Informatization Education ICBDIE2022 was held on April 8 10 2022 in Beijing China ICBDIE2022 is to bring together innovative academics and industrial experts in the field of Big Data and Informatization Education to a common forum The primary goal of the conference is to promote research and developmental activities in Big Data and Informatization Education and another goal is to promote scientific information interchange between researchers developers engineers students and practitioners working all around the world The conference will be held every year to make it an ideal platform for people to share views and experiences in international conference on Big Data and Informatization Education and related areas **Palliative Care for Older People** Lieve Van Den Block, Gwenda Albers, Sandra Martins Pereira, 2015 Offering not only insights into the current state of policy work around the world it also offers examples of good practice and recommendations for the future Recommendations that can inspire support and direct healthcare policy and decision making at organisational regional national and international levels

**Spirituality in Pastoral Counseling and the Community Helping Professions** Harold G Koenig, Charles J Topper, 2012-10-12 An enlightening guide to bringing spirituality into the helping professions This unique handbook will help you make the journey that will turn spirituality into the touchstone of your practice For too long spirituality has been a skeleton in the closet of many practitioners but now there is a growing movement to integrate the vital beliefs of clients into the healing process Spirituality in Pastoral Counseling and the Community Helping Professions addresses the core values of the movement providing you with a step by step process you can follow to increase empathy and healing while building on the foundation of spirituality Each chapter includes penetrating reflection questions to help you better understand your own spiritual perspective and a list of suggested resources to help you learn more Spirituality in Pastoral Counseling and the Community Helping Professions investigates the best tools for spiritual assessment how ethnic background influences spirituality the language of the sacred in daily life how people can develop greater empathy integrating spirituality into community the importance of ritual As author Dr Charles J Topper says Spirituality is the integrating core element of human experience Reading this book both clients and care providers will learn to explore their own vibrant spirituality a powerful innate source of strength and healing Spirituality in Pastoral Counseling and the Community Helping Professions aims to make spirituality more accessible to everyone Spirituality in Pastoral Counseling and the Community Helping Professions shows how you can take an active approach to integrating spirituality into your profession helping the people around you see not just their problems but the connections between every facet of their lives Complete with figures assessment scales and surveys and a thoughtful bibliography that points the way to further reading this book is an important resource for

professional growth and spiritual renewal

### **Comprehensive Management of Daily and Long Term Problems in**

**Elderly** K C Verma, 2024-08-28 Old age will come to everyone and brings along with many challenges particularly in socio economic status age related health problems their shelter protection from inner and outsider violence and legal rights Elderly just to exemplify is like an almost one year old child where the former has to be supported through all those processes as one year old or less in age Elderly people due to his/her physical and mental imbalance as a result of age related degeneration and younger ones due to their maturational process as mentioned above these two types of physical and mental degeneration and maturation in two groups face equal types of challenges in physical and mental wellbeing legal protection food shelter proper care of their health and education Undoubtedly infants and children are taken care their above mentioned disabilities through a well balanced parenthood but on the other hand elderly problems are solved mostly by their mentally normal grownup children supported by Governmental and non Governmental schemes including well established old age homes Govt legal support and physical and mental training backups It is well known that as a society we are living much longer thanks to improved living conditions and health care While being able to reach old age is something to be thankful for in many ways there are several challenges facing the elderly which we all need to pay more attention to Often it is not until we start to age ourselves or we see a loved one struggling with a problem that we sit up and take notice but as a society we can do more to make life easier for our aging population This book therefore highlights these problems faced by our elderly in thirty different chapters such as Issues and challenges faced by the Elderly and their management The common chronic health conditions in Elderly Exercises for Seniors Effective ways to stay active Yoga practices by seniors Diet plans for older adults and senior citizens Chores that are safe for seniors to help keep them active Self defence for senior Citizens Spirituality and Aging Elderly sex Staying active in the bedroom Vaccines for the Elderly Current use and future challenges Elder abuse types warning signs and how to report It Elderly suicide vs death with dignity Artificial Intelligence based smart comrade Robot for Elders healthcare Implantable cardiac and Non cardiac electronic Devices in elderly population Cardiovascular diseases in the Elderly Regulation of long term care homes for older adults in India Laws for protection and National Welfare Programmes for Elderly in India Long term care Insurance for the Elderly

### **Nursing Care of Older**

**People with Diabetes** Trisha Dunning, 2005-07-29 Diabetes presents differently in older people and normal ageing processes predisposition to specific complications and other co morbid conditions complicate its management The underlying philosophy of this book is that there are opportunities for prevention health maintenance and rehabilitation for older people with diabetes which can realistically improve their quality of life This book is an easy to follow essential guide to providing skilled and effective care for older people with diabetes in community acute and residential care settings It aims to provide nurses and other health professionals with the knowledge needed to accurately diagnose treat and care for older people with diabetes It draws upon guidance from the National Service Frameworks for Diabetes and Care of Older People UK and the

Department of Human Service Standards Australia and provides an ideal companion to Care of People with Diabetes

*Oxford Textbook of Spirituality in Healthcare* Mark Cobb, Christina Puchalski, Bruce Rumbold, 2012-08-09 The relationship between spirituality and healthcare is historical intellectual and practical and it has now emerged as a significant field in health research healthcare policy and clinical practice and training Understanding health and wellbeing requires addressing spiritual and existential issues and healthcare is therefore challenged to respond to the ways spirituality is experienced and expressed in illness suffering healing and loss If healthcare has compassionate regard for the humanity of those it serves it is faced with questions about how it understands and interprets spirituality what resources it should make available and how these are organised and the ways in which spirituality shapes and informs the purpose and practice of healthcare These questions are the basis for this resource which presents a coherent field of enquiry discussion and debate that is interdisciplinary international and vibrant There is a growing corpus of articles in medical and healthcare journals on spirituality in addition to a wide range of literature but there has been no attempt so far to publish a standard text on this subject *Spirituality in Healthcare* is an authoritative reference on the subject providing unequalled coverage critical depth and an integrated source of key topics Divided into six sections including practice research policy and training the project brings together international contributions from scholars in the field to provide a unique and stimulating resource

*Spirituality and Psychiatry* Christopher C. H. Cook, Andrew Powell, 2022-10-20 This book addresses the concerns of clinicians patients and researchers regarding the place of spirituality in psychiatric practice      *Spirituality in Nursing: Standing on Holy Ground* Mary Elizabeth O'Brien, 2021-02-09 *Spirituality in Nursing Standing on Holy Ground* Seventh Edition addresses the relationship between spirituality and nursing practice across a variety of settings related to caring for the ill and infirm      ***Spirituality in Nursing*** Mary Elizabeth O'Brien, 2014 *Spirituality in Nursing Standing on Holy Ground* Fifth Edition explores the relationship between spirituality and the practice of nursing from a variety of perspectives including Nursing assessment of patients spiritual needs The nurse's role in the provision of spiritual care The spiritual nature of the nurse patient relationship The spiritual history of the nursing profession Contemporary interest in spirituality within the nursing profession This Fifth Edition includes a new chapter titled Prayer in Nursing which includes information on topics such as the history of prayer in nursing finding time for prayer in nursing prayer and nursing practice and the ethics of praying with patients A second new chapter titled The Spirituality of Caring A Sacred Covenant Model of Caring for Nursing Practice explores the history of spirituality in nurse caregiving and spiritual concepts in nursing theories of caring A concept analysis of nurses caring as a sacred covenant includes the Sacred Covenant Model of Caring for Nursing Practice a model for clinical practice developed by the author      *The Encyclopedia of Elder Care* Eugenia L. Siegler MD, FACP, Elizabeth Capezuti PhD, RN, FAAN, Mathy Mezey EdD, RN, FAAN, 2007-10-25 Focusing on the broad but practical notions of how to care for the patient *The Encyclopedia of Elder Care* a state of the art resource features nearly 300 articles

written by experts in the field Multidisciplinary by nature all aspects of clinical care of the elderly are addressed Coverage includes acute and chronic disease home care including family based care provisions nursing home care rehabilitation health promotion disease prevention education case management social services assisted living advance directives palliative care and much more Each article concludes with specialty web site listings to help direct the reader to further resources Features new to this second edition More extensive use of on line resources for further information on topics Thoroughly updated entries and references Inclusion of current research in geriatrics reflecting evidence based practice New topics including Assisted Living Nursing Home Managed Care Self Neglect Environmental Modifications Home Institution Technology Neuropsychological Assessment Psychoactive Medications Pain Acute and Chronic Still the only reference of its kind The Encyclopedia of Elder Care will prove to be an indispensable tool for all professionals in the field of aging such as nurses physicians social workers counselors health administrators and more

**The Oxford Handbook of Social Work in Health and Aging** Daniel B. Kaplan, Barbara Berkman, 2016 This Second Edition of the Handbook addresses the evolving interdisciplinary health care context and the broader social work practice environment as well as advances in the knowledge base which guides social work service delivery in health and aging This includes recent enhancements in the theories of gerontology innovations in clinical interventions and major developments in the social policies that structure and finance health care and senior services In addition the policy reforms of the 2010 Patient Protection and Affordable Care Act set in motion a host of changes in the United States healthcare system with potentially profound implications for the programs and services which provide care to older adults and their families In this volume the most experienced and prominent gerontological health care scholars address a variety of populations that social workers serve and the arenas in which they practice followed by detailed recommendations of best practices for an array of physical and mental health conditions The volume's unprecedented attention to diversity health care trends and implications for practice research policy make the publication a major event in the field of gerontological social work This is a Must Read for all social work social work educators practitioners and students interested in older adults and their families

Palliative Care and Medicine for Older People E-Book Derek G.
