Spirituality in the Biomedical World Guy Jobin,2020-06-22 The need to take the spiritual experience during illness into account is part of a broader trend in Western societies a fascination with the practical uses of spirituality and its contribution to individual wellbeing whether through a religious or a humanist tradition This understanding of spirituality differs from traditional views embedded in religious traditions This book takes a critical point of view at the biomedical representation of the function of spirituality in care Medicine reorders notions such as life death health sickness and spirituality This process is called here sapientialization i e the spiritual experience is expressed and understood under the auspices of and in terms of wisdom This view tends to identify spirituality and ethics I propose an alternate understanding of spirituality grounded on its subversive power Inspired by the work of the theologian John D Caputo it is critical of some problems that are associated with the sapientialization of spirituality in biomedicine such as the medicalization of spiritual experiences or the instrumentalization of spirituality It provides an understanding of spirituality that honours both the medical interest in it and its capacity to resist to instrumentalization

Bonding with the Lord ,2021-12-30 Few other Hindu gods guide a regional consciousness pervade walks of everyday life and define a collective psyche the way Lord Jagannath does in Odisha and its contiguous areas Jagannath is metonymic of Odisha and the Odia way of life arguably much more than any other god for a particular geography or its peoples While not derecognising the historical and the spiritual aspects of Jagannath Bonding with the Lord attempts to look at the deployment of Jagannath in contemporary cultural practices involving the sensorium in the widest sense The project of a cultural Jagannath not only materialises him in people s everyday practices but also democratises scholarship on him The expansion of the scope of research on Jagannath to cultural expressions in a more encompassing way rather than confining to elitist religious literary sources makes him an everyday presence and significantly enhances his sphere of influence Jagannath s tribal origin his association with Buddhism and Jainism and his avatari status make him an all encompassing multilayered symbol and a treasure trove for multiple interpretations

Sadguru Shashtari Dharmajivandasji Swami Sadhu Laxminarayandasji Swami,Shree Swaminarayan Gurukul Rajkot Sansthan, Shreeji Maharaj has said in the 19th Vachanamritam of Vadtal Whenever the soul is fortunate to be born as a human being in Bharat Khand incarnations of God or His saints are sure to be found moving on the earth We are extremely fortunate to have been brought up under the auspices of such a saint Reverend Shastriji Maharaj Shri Dharmajivandasji Swami came in our life as a true saint and authorised representative of Almighty Bhagwan Shree Swaminarayan on this sacred soil of Saurashtra He did not come to enjoy normal human life He never chose to appease his physical self No bonding howsoever strong could limit him for sensual pleasure He cultivated various virtues in his life living with the great saints broke the bondings and departed on his own terms This person revolutionized the educational system and kicked off a tradition which we will cherish for years This book which is translation of Gujarati edition describes his life journey which is full of rises and tides An unswerving personality emerges in 41 chapters in a unique way His single mindedness simple living style and saintly sacrifices mesmerize anyone and everyone The book in my view has two parts In the first part the child Arjan rises from the dust of Taravada village to righteousness and enlightenment in company of brahmnistha saints His detachment from worldly desires right from birth was something very astonishing He was never found to nurture ambition of normal human dreams When a pious soul of Arjan finds company of saints like Rev Balmukunddasji Swami his real self emerges out and gradually leads to sanyas The book nicely depicts the heart rending sufferings he underwent on choosing the path of renunciation The ruthless suppression from his family members couldn't

deride the mumukshu Arjan and it couldn't budge the great soul even an inch from his life mission. Second part of the book from chapter 10 onwards reveals Arjan Bhagat's parshad, total dedication and commitment to the path he chose willfully. His early years as a saint after attaining Bhagavati Dixa formal embracement of sanyas demonstrate how intense his detachment was. Intense desire to study as a young saint brings forth his attributes as a scholar. Firm faith in Sampradaya rules and traditions, strict obedience of prevailing norms and complete abstinence in personal life earned him blessings from stalwart saints like sadhu Narayandasji Swami and many many others. He embarked upon extensive tourage on foot in rural areas and thereby strengthened the roots of Swaminarayan sect in Gir region which was his notable contribution during those difficult days. Fearlessness was his one of the deeply appreciated virtues among fellow as well as senior saints. His vision in renovating the old temples in rural and semi urban areas was considered a visionary step. Acceptability among the rural illiterate devotees and attaining their support for temple renovations was a praiseworthy task. Other equally challenging tasks during headship of Shri Swaminarayan Temple Junagadh speak volumes of his administrative capability and unwavering commitment. However the best was yet to come. His quick decision taking strength and adventurism on sound faith and pragmatism generated heat as usual among envious colleagues. But how long can a glittering diamond be covered just to prevent it from radiating. Rev Swamiji was a different stuff altogether. He had vision he had strength he had commitment and finally he had the ultimate will to incur wrath and risk from anyone as long as he was convinced with the righteousness of the task on hand. So he had to depart for a cause. He did it to make a way which has now become a guiding lighthouse for generations to come. Birth of Gurukul tradition in modern India was his perhaps one of the greatest contributions not only to the Swaminarayan sect but to the entire world. Blending religion and virtuous teaching with the formal education and thereby amalgamating the values of Vidya Sadvidya and Brahmvidya in Gurukul system is a sagacity entirely to his credit. Preferring Chaitanya Rosary young boys to Tulsi rosary wooden rosary a decision that changed millions of lives for all round betterment was quite a step not many can contemplate. Numerous occasions and plethora of activities in Gurukul with now complete freedom to execute own ideas showed how great he was. He never missed the aim and mission of his life and still broke many barriers of hostility to everybody's surprise. He triumphed as a saint as a dedicated soldier of the Sampradaya as a social reformer as an innovator and finally as a uncommon human being. Never compromising on values and principles was his very nature. No allurements howsoever big could budge him from his chosen path. Not a single blot on his 87 year long most eventful life was not a mean achievement. Finally he left for Akshardham with expression full contentment of life. Centuries to come will follow his footsteps. My salute to our sculptor the brave saint Jay Swaminarayan. KNOW ABOUT "ADI SHANKARACHARYA" Saurabh Singh Chauhan, 2022-10-20.
