Spiritual Exercises Reclaimed Uncovering Liberating Possibilities For Women:

Spiritual Exercises Reclaimed, 2nd Edition, The Liebert, Elizabeth, Paulin-Campbell, Annemarie, 2022 This companion to the *Spiritual Exercises* in an anniversary edition does justice to women's experience across contexts and social locations. While acknowledging obstacles that the Exercises hold for women in various contexts, the authors provide fresh interpretations of every aspect of this spiritual classic. They bring together feminist consciousness, a broad knowledge of psychology and theology, and the compassionate insight of experienced spiritual guides. The situation of women making and giving the *Spiritual Exercises* has changed radically in the past two decades since the publication of the previous edition, which highlights the variety of women's experience of the *Spiritual Exercises* from different cultural contexts. It also draws from new and younger women's voices, thus extending the reach of the original text to another generation over wider geographic and cultural spread. The revised book opens up new ways in which the Exercises may offer liberating possibilities for women world wide.

Prayer David Marshall, Lucinda Mosher, 2013-11-01 *Prayer: Christian and Muslim Perspectives* is a rich collection of essays, scriptural texts, and personal reflections featuring leading scholars analyzing the meaning and function of prayer within their traditions. Drawn from the 2011 Building Bridges seminar in Doha, Qatar, the essays in this volume explore the devotional practices of each tradition and how these practices are taught and learned. Relevant texts are included with commentary, as are personal reflections on prayer by each of the seminar participants. The volume also contains a Christian reflection on Islamic prayer and a Muslim reflection on Christian prayer. An extensive account of the informal conversations at the seminar conveys a vivid sense of the lively, penetrating but respectful dialogue that took place.

Retreating Forward David Elias Weekley, 2017-03-29 Transgender people are among the most marginalized and vulnerable populations in the world. Misinformation, lack of education, and lack of experience among cis-gendered persons often result in forms of violence and abuse directed towards those perceived as transgender or gender non-conforming. Such violence and abuse are not restricted to secular culture but expand into faith communities and essential forms of spiritual care and support. When transgender people of faith share the reality of their gender identity, they often experience rejection by the very communities that should provide support, encouragement, and practical ministries of hospitality. *Retreating Forward: A Spiritual Practice with Transgender Persons* is an educational and practical resource for individuals, spiritual leaders, and faith communities seeking to provide practical and spiritual sustenance. The retreat model included in this text proved transformational for those involved.

The Great Conversation Belden C. Lane, 2019 In the face of climate change, species loss, and vast environmental destruction, Belden C. Lane's spiritually centered environmentalism suggests that we must look to teachers in nature to understand how to save ourselves. Pairing anecdotes of personal encounters with nature with the teachings of spiritual leaders from a range of religious traditions, this book invites us to participate once more in the great conversation among all creatures and the earth itself.
