## **Spiritual Healing In A Scientific Age:**

**Spiritual Healing in a Scientific Age** Robert Peel, 1988 Examines Jesus's teachings concerning spiritual healing discusses how it differs from faith healing or miracles and looks at the conflict between science and religion **The Philosophical Foundations of Christian Science** Nicholas Sheldon, 2025-04-24 Mary Baker Eddy 1821-1910 is best known for founding the religion of Christian Science an international institution which has extended beyond her lifetime and into the twenty-first century Often labelled as fringe theology rather than core philosophy Eddy's work has remained on the peripheries of academia Her unmitigated idealism and occasionally nebulous style have led to a reluctance to apply a philosophical rigour to her thinking In *The Philosophical Foundations of Christian Science* Nicholas Sheldon rediscovers her as a radical philosopher one of many female philosophers of her time who he contends should no longer be underestimated Carefully analysing her non-linear style in order to understand her internal system of thought Sheldon resolves flaws within her argument and draws out Christian Science's remarkable philosophical assertion that it is not only illness and suffering which are unreal but the entire physical realm For Eddy it is only the spiritual which remains *Physics, Metaphysics, and God - Third Edition* Jack W. Geis, 2010-07 At long last a promising dialogue between science and medicine has begun A focal point of this discussion is healing and how it happens Jack W. Geis shows how modern physics and spirituality are centrally involved in this debate No one who is interested in the current interface between science spirituality and medicine can afford to neglect his ideas Larry Dossey MD Author *Healing Beyond the Body* and *Healing Words: The Power of Prayer and the Practice of Medicine* This book introduces some of the most perplexing and exciting aspects of the revolution going on in physics today as it continues toward an increasingly metaphysical basis for defining reality This exciting scientific revolution should be shared by everyone and the issues taken up in this book form a basis for that participation That the math is not in the chalk is becoming increasingly evident as well as the question as to which is more substantial Dr Laurance R. Doyle Astrophysics and Planetary Science Center for the Study of Life in the Universe SETI Institute **Science and Spiritual Healing** Rolf A. F. Witzsche, 2003 *Studying Christian Spirituality* David B. Perrin, 2007-08-07 This book provides a new introduction to the study of Christian spirituality exploring it through the human sciences and ranging from philosophy and hermeneutics to psychology history sociology and anthropology Systematic and progressive it introduces the key approaches and shows how they relate to the understanding study and practice of spirituality Covering a vast amount of ground from traditional themes such as images of God spiritual direction and pilgrimage to more contemporary issues such as place and space cyberspace and postcolonialism the author takes an ecumenical inclusive stance allowing the book to be used in a wide variety of courses and across denominations **The Kingdom of the Cults** Walter Martin, 2019-05-21 In an era of rapid growth of false religions worldwide Christians need information they can trust This comprehensive new edition of the leading book on cults will equip you no matter your background to understand and use biblical truth to counter false religions

including many that masquerade as mainstream Christianity Reflecting the developments in cults and world religions in recent years this edition updated by expert Jill Martin Rische daughter of Walter Martin gives you the authoritative information you need to know As our culture becomes less and less outwardly Christian awareness of the belief systems of those around us has never been more vital Readable and reliable for everyone whether you re a teacher a pastor or a regular church attender The Kingdom of the Cults remains the go to reference book on this crucial topic *God's Perfect Child* Caroline Fraser,2024-06-04 From the Pulitzer Prize winning author the most powerful and persuasive attack on Christian Science to have been written in this century Los Angeles Times Book Review Millions of Americans from Lady Astor to Ginger Rogers to Watergate conspirator H R Haldeman have been touched by the Church of Christ Scientist Founded by Mary Baker Eddy in 1879 Christian Science was based on a belief that intense contemplation of the perfection of God can heal all ills an extreme expression of the American faith in self reliance In this unflinching investigation Caroline Fraser herself raised in a Scientist household shows how the Church transformed itself from a small eccentric sect into a politically powerful and socially respectable religion and explores the human cost of Christian Science s remarkable rise Fraser examines the strange life and psychology of Mary Baker Eddy She takes us into the closed world of Eddy s followers who refuse to acknowledge the existence of illness and death and reject modern medicine even at the cost of their children s lives She reveals just how Christian Science managed to gain extraordinary legal and Congressional sanction for its dubious practices and tracks its enormous influence on new age beliefs and other modern healing cults A passionate expos of zealotry *God s Perfect Child* tells one of the most dramatic and little known stories in American religious history A work of impassioned rationality important and profoundly disturbing Susan Jacoby Newsday New Startling Fraser has an eye and ear for the kind of detail that can help readers make up their own minds about an always controversial American religious expression Martin Marty The Boston Globe Splendid The New York Times **Rolling Away the Stone** Stephen Gottschalk,2021-12-22 Gottschalk distinguishes himself by placing Christian Science in the larger context of American religion sheds new light on Eddy s life and work Publishers Weekly This richly detailed study highlights the last two decades of the life of Mary Baker Eddy a prominent religious thinker whose character and achievement are just beginning to be understood It is the first book length discussion of Eddy to make full use of the resources of the Mary Baker Eddy Collection in Boston Rolling Away the Stone focuses on her long reaching legacy as a Christian thinker specifically her challenge to the materialism that threatens religious belief and practice Gottschalk has provided readers with a masterful account of Christian Science in its heyday This book is a first rate read for students of American religion and provides a look into how one of the country s more complex religious figures dealt with materialism in the late nineteenth century America Religious Studies Review Gottschalk does a superb job of providing historical context for the chaotic events of Eddy s final decades Choice Gottschalk s account is well told and enriched by fresh material now available from the Mary Baker Eddy Library for the Betterment of Humanity

Christian Science Monitor The book includes a great deal of fresh research and honest scholarship for the individual wanting to sink his or her teeth into a serious study of Eddy you have a lot to look forward to in reading this book The Christian Science Journal     “And O’er Earth’s Troubled, Angry Sea”: The History of Christian Science in the United States Rolf Swensen,2025-05-21 Christian Science is one of the most unique and controversial of American religions but there has never been a history of this influential metaphysical group best known for its healing through prayer Most attention has previously focused on the church s founder Mary Baker Eddy 1821 1910 This compilation of nine previously published scholarly articles buttressed by additional insight presented in the preface introduction and conclusion should lead to further investigation of this compelling topic This volume investigates the origins of the Christian Science movement illustrates how Eddy s students mainly women helped its rapid spread through healings how Eddy guided and restrained her students examines some denominational growing pains underscores how The Mother Church in Boston and Eddy s Church Manual evolved recounts dozens of testimonies of healing and shows how local or branch churches operated before and after Eddy s passing Contrary to previous assumptions the new Christian religion was surprisingly diverse with almost one half of the membership coming from the lower middle and working classes This vibrant church ultimately declined due to excessive centralization and insufficient utilization of the membership plus lack of social activities and the rise of medical science Recent efforts to revitalize the movement through embracing communities are continuing And O er Earth s Troubled Angry Sea The History of Christian Science in the United States will appeal to Christian Scientists kindred spirits in the metaphysical world anyone interested in religion and those who read social history Each chapter is suitable for group discussions and for undergraduate or graduate classes     *Religious Liberty Protection Act of 1998* United States. Congress. Senate. Committee on the Judiciary,1999     *Praying for a Cure* Peggy DesAutels,Margaret P. Battin,Larry May,2000-01-01 When the children of Christian Scientists die from a treatable illness are their parents guilty of murder for withholding that treatment How should the rights of children the authority of the medical community and religious freedom be balanced Is it possible for those adhering to a medical model of health and disease and for those adhering to the Christian Science model to enter into a meaningful dialogue or are the two models incommensurable DesAutels Battin and May engage in a lucid and candid debate of the issues of who is ultimately responsible for deciding these questions and how to accommodate and in some cases constrain Christian Science views and practices within a pluralistic society     **A Plea for Embodied Spirituality** Fraser Watts,2022-07-07 The body is crucial to religious life but there has been little practical attention given to how to make a helpful reality of this fact Strong forms of philosophical dualism have been widely abandoned by post war theologians in favour of a more integrated view of human nature but guidance on the role of the body in Christian spirituality remains fragmentary Focusing particularly on drawing out practical implications for religious life and ministry this book surveys the many ways in which the body plays an important role in religious and spiritual life drawing on scientific research theology

and philosophy     *Extraordinary Groups* Richard T. Schaefer, William W. Zellner, 2007-05-18 This updated text takes an interdisciplinary look at eight extraordinary groups of people throughout American history Each chapter is organized around a sociological principle which is then illustrated by a descriptive explanation of the lifestyles of these unique groups

**Unlock Potential - Right Now!** Ken G Cooper, 2020-06-01 This remarkable book does what it says It unlocks the potential of the reader and their contacts personal and professional in a quick practical and friendly way It has been well proven for it is based on seminars that the author ran for many years with great and unfailing success unfailing because they were based on practical experience and positive results some quite amazing Ken clearly knows his subject Each chapter is stand alone with its own bullet point summaries The common sense it shares is refreshing and quick to take on board It talks about the power of love raising our actions to a higher level of operation that becomes inspirational and powerful It directs thought to seeking solutions and not focusing on problems freeing thought to opportunities that are always beckoning In these changing times the one consistent theme is the need to be part of a caring community to enhance what we do together This book is a must It is a quick uplift motivator and identifies the truth of what we are and can undoubtedly achieve Every home and business should have a copy Its message is vital for today s world     Communities of Dissent Stephen J.

Stein, 2003-04-24 The book also covers the milestones in the history of alternative American religions from the infamous Salem witch trials and mass suicide murder at Jonestown to the positive ways in which these religions have affected racial relations and the empowerment of women **BOOK JACKET     Religion in Ohio** Tarunjit Singh Butalia, Dianne P. Small, 2004 For Ohio s bicentennial in 2003 the Religious Experience Advisory Council of the Ohio Bicentennial Commission was established to commemorate and celebrate the state s diversity of religions and faith traditions The end result of the council s efforts *Religion in Ohio* tells the story of Ohio s religious and spiritual heritage going back to the state s ancient and historic native populations and including the westward migration of settlers to this region the development of a wide variety of faith traditions in the years preceding the mid twentieth century and the arrival of many newer immigrants in the last fifty years each group bringing with it cherished traditions Documenting the religious pluralism in Ohio and the impact faith communities have had on the state this book includes chapters on the historical experiences and beliefs of over forty Christian groups as well as Native American Jewish Islamic Hindu Buddhist Sikh Baha i Jain and Zoroastrian faiths Each chapter was written by a member of that faith or denomination Operating under the auspices of the Interfaith Association of Central Ohio the editors of *Religion in Ohio* have created a unique collection o     *The Good Parsi* Tanya M. Luhrmann, 1996 During the Raj one group stands out as having prospered because of British rule the Parsis The Zoroastrian people adopted the manners dress and aspirations of their British colonizers and were rewarded with high level financial mercantile and bureaucratic posts Indian independence however ushered in their decline     **Bedside Manners** R. N. Cheryl

Lewis, 2003-01-30 If you score in the mid 90 s you can reduce your golf score by 8 shots in a month The author did that at age

71 Instead of focusing on golf mechanics this book argues that the key to improvement is exploring your timing and balance

**Dealing with Death** Jennifer Green and Michael Green, 2013-12-01      Pro-justice Ethics Richard A. Hughes, Richard Hughes, 2009 Pro Justice Ethics From Lament to Nonviolence is an original work within Christian social ethics and is based upon the civil rights movement the philosophy of nonviolence and the biblical lament tradition The author formulates the justice imperative as an ethic of duty and defines justice as an act of protesting preventing and remedying injustices that cause human suffering Formally injustice is the violation of fairness equality and dignity but in its primal form injustice is child abuse Birth and death are discussed from a justice perspective beyond the dichotomy of pro life and pro choice Special attention is devoted to the injustices of globalization international human rights abuses and corporate violations of the natural rights of water in the earth commons Book Jacket
