The Magnificent Goodness of God and How It Will Transform Your Life Timothy Rowe, 2012-07-10 The goodness of God is one of the most revolutionary truths of the Bible but our generation has lost faith in the goodness of God The image you carry in your heart of God and what He is like will dramatically affect your life character and destiny Do you believe God can be your hero Do you believe God has a good heart Do you believe that God can transform you into the type of Christian that you always wanted to be When we begin to understand and believe what it means when the Bible boldly declares that God is good always our lives will begin a breathtaking transformation as we rise up to be a mighty witness for our Lord Anyone who has been touched with the goodness of God cannot come away the same The goodness of God encompasses everything that God is and is a perfect representation of all His characteristics The goodness of God is the foundation of all His works plans and purposes If we are to understand what God is like we must first know that He is good and not evil The devil works tirelessly to keep the truth of the goodness of God lost in the mindset of this world and marshals all of his forces to cause confusion about the true character of our God The goodness of God is the pinnacle point of the spiritual battle that rages all around us Understanding the goodness of God is first and foremost in spiritual warfare because without this you can never stand for God faithfully

Coming Before the Lord Doug Poole,2020-08-05 Can we have a personal relationship with God today What does it require to become a believer Is it possible to enter the presence of God like they did in the OT Can anything from an old book like the Bible be used today Does applying the Scriptures in the twenty first century really answer today s questions for living life to the fullest The Old and New Testaments reveal much about the character of God Examples of both good and evil are revealed for our learning The results

of both good and evil are explained in detail and we can see the results of each choice As we read through the Bible we see evidence of God s plan for mankind and opportunities to become more acquainted with Him Working together with the Holy Spirit provides guidance and understanding that are intended to strengthen and help us This wisdom has practical applications that provide a better way to handle life He has revealed ways we can use to personalize a relationship with Him that can grow over time Entering His Presence is possible today because of what Christ accomplished by his death burial and resurrection The finished work of Christ has opened a gateway to the throne of God that was not available to each believer before We become like the priests of old and have access to the Father Old Testament rituals have been replaced with New Testament opportunities that seek Him and receive help and understanding The sending of the Holy Spirit has provided us with the Helper that resides inside of every believer We can have a personal relationship with our Creator Entering His Presence is possible today because Christ broke down the barrier that once stood between God and man Come join Him through the scriptural invitation that is extended to all Experience the finished work of Christ right now before His return Now is the acceptable time to call upon His name and live life to the fullest and become ready for the eternity that awaits you

My Call My Thorn His Grace Ray Cromer, 2025-06-24 After surviving a near fatal heart attack on Mother s Day 2022 a longtime minister was told by doctors he was a walking miracle That experience and a lifetime of spiritual wrestling led to the creation of My Call My Thorn His Grace Blending personal testimony with biblical reflection the book draws from a sermon preached decades earlier on Paul s thorn in the flesh revealing how one man s darkest seasons became the ground for transformation and grace With unflinching honesty the author recounts years of running from God s call the guilt that lingered even after surrender and the redemptive power of sharing one s story Ideal for Bible study groups personal growth or spiritual outreach this book invites readers at all stages of faith to reflect on how God can use even a sinful past for His glory

In the Spirit of Love Ames, 2009 Within this book are a mixture of recent talks and interviews on

the wonderful grace God has been pouring into and out of Alan Ames life Reading and reflecting on the words people will be deeply moved by the love the tenderness and the kindness in which God reaches out to all of us His words explain sometimes in mystical and deeply spiritual ways but always with simplicity the wonder of His love for mankind and how the fullness of His love can only be found in His Holy Catholic and Apostolic Church It is amazing that the almighty God would love mankind so much that He sent His only Son Jesus to suffer and die for us This book helps bring a better understanding of the immeasurable love that God has for each one of us and in places brings those who will be open to it to a close relationship with Jesus on the cross of love

Through the Bible Zac Poonen, 2016-06-01 This monumental work of 1024 pages is a result of Zac Poonen s personal walk with God and his personal study of the Bible for over 50 years This is NOT a theological study but a Life application study Before studying God s Word we must understand why God gave it to us It is possible to study the Bible for the wrong reasons and I think a lot of Christians do just that We must study the Scriptures for the same purpose that God gave it When I was considering this study through the whole Bible and was trying to look into the heart of God the verse that came to my mind was God so loved the world that He gave His Son that whoever believes in Him should never perish John 3 16 The primary purpose with which God gave us the Scriptures was that all people might know that He loves them so intensely that He sent His Son to save them from the grip of sin and bring them into fellowship with Him In God s heart there is a great desire that no one should be ruined by sin and perish This commentary on all 66 books of the Bible shows that every single book of the Bible is interesting and has a message for us today It deals with key aspects of the Christian life and speaks more to the heart than to the head Let us keep that in mind as we study God s Word Even if there are matters in the Word that we cannot fully understand let us pray Lord we want to understand Your heart even if we don t understand the meaning of everything in Your Word We must pray as we study the Scriptures that we will understand what is in the heart of God We can get so taken up with little details as we study that we miss seeing the heart of God God reveals His heart in His word But God s purpose does not stop there just like the construction of a building does not stop with laying the foundation We read in 2 Timothy 3 16 17 God breathed into this book exactly as He breathed into Adam If God had not breathed into Adam Adam would have been just a pile of dust and any book that God has not breathed into is also a pile of dust God s Word has been given to us To teach us to show us the right path To reprove us and rebuke us We need strong rebukes to be preserved in the pathway of godliness To correct us when we go astray to direct us into the right path To train us in righteousness It is a training manual So we see that God s Word has been given to us to change our character so that we can become godly men and women The ultimate goal is that the man of God may be adequate perfect and complete Like a glass of water filled to the brim our character is to be rounded off balanced and complete We are to be anointed and equipped to serve God so that we can do every good work that God has planned for us That is the purpose of Scripture So if you study the Bible you must study it for these reasons The truths that God reveals in His Word can never be boring because

Jesus is never be boring If we walk with our Lord and listen to Him our hearts will burn within us because we will see the glory of Christ in the Word *The Word of Janus* Patrick David Daley,2016-05-13 Sean Brennan has returned to Janus an uncharted island in the North Atlantic Brought there by the Spirits demands he soon becomes an unwilling participant in a series of events that force Sean to consider a life predestined for him through the words in a two thousand year old document Unwilling to follow the path determined for him Sean decides to negotiate with the Spirit believing he can somehow escape the expectations placed upon him During the discussions Sean begins exploring the possibilities of what could be if he chooses to work with the Spirit Although there is the promise of a world at peace Sean is still reluctant to dedicate his life to the Spirits mission But when events far beyond Janus and driven by the Praetorian Orders Dante Sabatini directly impact the island Sean realizes his life may not be his own Trapped between the lure of Januss tranquility and the Spirits demands Sean must decide if the love of a beautiful woman and the hopes of the islands spiritual leader are enough to force him into following what is seemingly his true destiny The Word of Janus continues a riveting tale of intrigue betrayal and good versus evil as one man seeks to understand his legacy and its implications for the worlds future Dreams and Visions Jane Hamon,2016-06-07 Landmark Bestselling Book Now Revised and Updated Does God really speak through dreams Are there such things today as visions Absolutely says author and pastor Jane Hamon And what is more God wants you to get the message This concise guidebook unravels the scriptural meanings of dreams and visions helping you discern when a dream is a prophetic direction for your life what to do about a warning how to recognize false messages and much more In this newly revised and updated edition of her popular book readers are encouraged to look with new eyes at the biblical basis for this everyday language It is not complicated says Hamon The voice of the Lord is speaking Don t miss what he is saying

Hill,2008-05 My book The Image of God and the Perfect Man does not consist of only one perfect man or woman but it comprises a society of people A city of people who is set on a hill and cannot be hidden A nation a state a city

whose builder and maker is God Where holiness unto the Lord is The Image of God and the Perfect Man is also relating to a free society Where there is no dictatorship of sin mastering or controlling your life A nation of people who believes that all things are possible through Jesus Christ who strengthens them A society of people who believes in overcoming sin while yet living in this present world After you have received the power of the holy ghost in your life If you can recall John the baptist is the one who said behold the lamb of God which taketh away the sin of the world Now if Christ have taken away the sin of the world than why are we still continuing therein He has taken away the very nature of sin because he intended for us to live in a world that is free from sin So that you and I can be happy It is sin that causes us to be unhappy dissatisfied with ourselves and with others It does not matter how much money we have or how many Grammys you have won Without Jesus Christ in your life you will never reach the full potential of true happiness The image of God and the perfect man is a nation of people within a nation The nation of Jesus Christ where you shall know the truth and the truth shall make you free
