Religion Index One, 2003

Jesus Freak Sara Miles, 2009-12-30 I came late to Christianity writes Sara Miles knocked upside down by a mid life conversion centered around eating a literal chunk of bread I hadn't decided to profess an article of doctrine but discovered a force blowing uncontrollably through the world In this new book Sara Miles tells what happened when she decided to follow the flesh and blood Jesus by doing something real For everyone afraid to feed hungry strangers love the unlovable or go to dark places to bless and heal she offers hope She holds out the promise of a God who gave a bunch of housewives and fishermen authority to forgive sins and raise the dead and who continues to call us to action And she tells in vivid heartbreakingly honest stories how the ordinary people around her are transformed by taking up God's work in the world Sara Miles offers a fresh fully embodied faith that sweeps away the anxious formulas of religion to reveal the scandalous power of eating with sinners embracing the unclean and loving the wrong people Jesus Freak Feeding Healing Raising the Dead is her inspiring book for undomesticated Christians who still believe as she writes that Jesus has given us the power to be Jesus

Those Who Teach Do More Linda Evanchyk, Carol Mendenhall, 2003-03 Spirituality and Stuff The Reflections of an Addictions Chaplain explores the concept of spirituality as it relates to recovery from chemical dependency and compulsive gambling The author has assembled a lively mix of professional observations tales of addictions insights from the annals of Alcoholics Anonymous and provocative questions with a theological edge This book draws conclusions about spirituality from the author's own experiences from recovery literature from Scripture and from attention to vocabulary itself The author demonstrates a keen sense of irony in articles such as The Spirit Versus the Spirits Some of the articles in this

collection are gravely serious like The Tractor Man which concerns the alcoholic who will not yield Other articles such as Fancy Words and Lugubrious People are decidedly light hearted yet thought provoking The author considers the church from the viewpoint of A A Hypocrisy and the Church and vice versa Religion Revisited These writings exhibit an appreciation of the A A program and the church as well as a willingness to consider them critically While this compilation is likely to appeal to those involved in a 12 Step recovery program it may well captivate anyone who has a broader interest in the topic of spirituality Religious and Theological Abstracts ,2004 *Many Roads, One Journey* Charlotte Davis Kasl,Charlotte Sophia Kasl,1992 Studies the impact of recovery programs on individual lives and explains how to adapt the principles of the Twelve Step process to personal needs **On Cassette** ,1989 *The Nation* ,1903
