Dreyer, Mark S. Burrows, 2005-01-02 Sheldrake Jon Sobrino Wendy M Hernandez, 2006 Wright Bruce Hindmarsh Books and Culture A Christian Review **Austin Farrer for Today** Richard Harries, Stephen Platten, 2020-09-30 Austin Farrer is often called the one genius the Church of England produced in the 20th Century His innovative ideas crossed a host of theological disciplines Assessing his continuing importance and introducing him to a new generation of readers Austin Farrer for Today brings together a stellar collection of writers to re ect on Farrer's contribution to biblical theology philosophy language doctrine prayer and preaching Chapters include Rowan Williams on Farrer as a doctrinal theologian Morwenna Ludlow on Farrer's language and symbolism Jane Shaw on Farrer as preacher John Barton on Faith as Life in the Spirit Aaron Gabriel Ross, 2025-06-26 This incisive work shows that faith does not typology in Farrer need to be understood as what one believes does or feels when faith is understood as being in Christ by being in the Spirit The way in which Christians and Christian theology at least in Western traditions including the family of Pentecostals and renewal movements engages with the idea of faith has a problem faith is often defined as what people must do whether that is to believe in a list of doctrines to do good works or to love properly in order for God to respond with forgiveness and salvation However this work takes a new approach with a pneumatological trajectory in constructing a theology of faith understood as life in the Spirit overcoming a stalemated discussion on faith as belief versus works As such faith is being in Christ by being in the Spirit is the theological recognition that faith is first relationality to the Spirit by which a person is

invited into life with Christ and the triune God Faith is not what one does beliefs works affections but rather what one is in relationality with the Spirit Beliefs works and affections are best understood as those things that are the outward expressions of the relationality rather than that which brings one into relationality with God **Essays Anglican and Analytic Robert** MacSwain, 2025-04-17 Explore the riches at the intersection of Anglican and philosophical theology. In this thought provoking essay collection Robert MacSwain explores important connections between Anglican and philosophical theology Shining a spotlight on the underappreciated theological work of Austin Farrer and David Brown he brings them into creative conversation with better known figures such as Joseph Butler C S Lewis Stanley Hauerwas and Eleonore Stump He skillfully leads readers through diverse conceptual territory ranging from the Reformed epistemology of Alvin Plantinga and Nicholas Wolterstorff to the hiddenness argument of J L Schellenberg to a sacramental vision of human culture and the arts More broadly MacSwain outlines what he calls Critical Catholicism explaining how it differs from other movements in contemporary Christian thought such as Radical Orthodoxy and Analytic Theology These perceptive essays will be of particular interest to scholars and pastors who are curious about connections between theology philosophy and Anglican The Black Church Studies Reader Alton B. Pollard, Carol B. Duncan, 2016-04-29 The Black Church Studies studies Reader addresses the depth and breadth of Black theological studies from Biblical studies and ethics to homiletics and pastoral care The book examines salient themes of social and religious significance such as gender sexuality race social class health care and public policy While the volume centers around African American experiences and studies it also attends to broader African continental and Diasporan religious contexts The contributors reflect an interdisciplinary blend of Black Church Studies scholars and practitioners from across the country The text seeks to address the following fundamental questions What constitutes Black Church Studies as a discipline or field of study What is the significance of Black Church Studies for theological education What is the relationship between Black Church Studies and the broader academic study of Black religions What is the relationship between Black Church Studies and local congregations as well as other faith based entities The book s search for the answers to these questions is compelling and illuminating Pentecostalism as a Christian Mystical Tradition Daniel Castelo, Elaine Heath, 2017-04-10 Informed reassessment of Pentecostalism as a mystical tradition of the church universal Pentecostalism says Daniel Castelo is commonly framed as evangelicalism with tongues or dismissed as simply a revivalist movement In this book Castelo argues that Pentecostalism is actually best understood as a Christian mystical tradition Taking a theological approach to Pentecostalism Castelo looks particularly at the movement s methodology and epistemology as he carefully distinguishes it from American evangelicalism Castelo displays the continuity between Pentecostalism and ancient church tradition creating a unified narrative of Pentecostalism and the mystical tradition of Christianity throughout history and today Finally he uses a test case to press the question of what the interactions between mystical theology and dogmatics could look like Captured by the Crucified Edward Hugh Henderson, David

Hein, 2004-08-05 The British theologian and New Testament scholar Austin Farrer was a member of the Oxford Christians conversing frequently with C S Lewis J R R Tolkien Dorothy Sayers and T S Eliot A N Wilson has called Farrer the one true genius of the Church of England in the 20th century Farrer's theory about the Synoptic Problem remains one the most debated theories of Synoptic relationships in contemporary New Testament scholarship The editors have put together a book that makes the practical spiritual meaning of Farrer's thought available to those who desire to integrate serious thinking with faithful life Contributors to the volume include Ann Loades University of Durham Diogenes Allen Princeton Theological Seminary Julian N Hartt University of Virginia Charles Hefling Boston College and O C Edwards Seabury Western Theological Seminary David Hein is Professor and Chair of Religion and Philosophy at Hood College and the author of Noble Powell and the Episcopal Establishment in the Twentieth Century Edward Hugh Henderson is Professor of Philosophy at Louisiana State University and co editor with Brian Hebblethwaite of Divine Action Studies Inspired by the Philosophical Theology of Austin Farrer **Comparing Faithfully** Michelle Voss, 2016-09-01 Every generation of theologians must respond to its context by rearticulating the central tenets of the faith Interreligious comparison has been integral to this process from the start of the Christian tradition and is especially salient today. The emerging field of comparative theology in which close study of another religious tradition yields new questions and categories for theological reflection in the scholar s home tradition embodies the ecumenical spirit of this moment This discipline has the potential to enrich systematic theology and by extension theological education at its foundations The essays in Comparing Faithfully demonstrate that engagement with religious diversity need not be an afterthought in the study of Christian systematic theology rather it can be a way into systematic theological thinking Each section invites students to test theological categories to consider Christian doctrine in relation to specific comparisons and to take up comparative study in their own contexts. This resource for pastors and theology students reconsiders five central doctrines of the Christian faith in light of focused interreligious investigations The dialogical format of the book builds conversation about the doctrine of God theodicy humanity Christology and soteriology Its comparative essays span examples from Hindu Buddhist Jewish Muslim Jain and Confucian traditions as well as indigenous Aztec theology and contemporary spiritual but not religious thought to offer exciting new perspectives on Christian doctrine

Bovell,2012-02-20 The notion that the Bible is inerrant in everything it teaches is something those with conservative upbringings are conditioned to take for granted However after being exposed to scholarship in biblical studies and other disciplines some draw the unexpected conclusion that inerrancy as a doctrine is in dire need of serious revamping Unfortunately inerrantist politics and culture are making the constructive restorative process impossible to intitiate In Rehabilitating Inerrancy in a Culture of Fear Carlos Bovell offers a synoptic overview of the issues to be addressed if

Cooper, 2005-02-03 Contemporary scholarship recognizes in Maximus the Confessor a theologian of towering intellectual importance In this book Adam G Cooper puts to him a question which from the origins of Christian thought has constituted an interpretative crux for catholic Christianity what is the place of the material order and specifically of the human body in God's creative redemptive and perfective economies While the study builds upon the insights of other efforts in Maximian scholarship it primarily presents an engagement with the full vista of Maximus s own writings providing a unique contribution towards an intelligent apprehension of this erudite but often impenetrable theological mind Princeton Seminary Bulletin Princeton Theological Seminary, 1999 Vols for 1907 1908 1936 1937 no 1 Commencement issue no 2 Necrology report no 3 News no 4 Catalogue v for 1937 1938 1939 no 1 3 News no 2 Bulletin of courses no 4 Catalogue v for 1939 1940 1944 1945 no 1 4 News no 2 Bulletin of courses no 3 Catalogue v for 1945 1946 no 1 Bulletin of courses no 2 4 News no 3 Catalogue v for 1946 1947 1952 1953 no 1 3 4 News no 2 Catalogue *The Act of Faith* Eric O. Springsted, 2015-02-09 While the question Is faith reasonable has continually occupied philosophers and theologians little attention has been paid to what faith itself is The Act of Faith remedies this neglect by looking at what it means for a person of Christian faith to believe Eric Springsted contrasts modern views of faith with the Christian tradition running from Augustine through Aguinas and Calvin In reviewing such thinkers as Locke and Hume Springsted discovers that behind modern discussions of the reasonableness of faith lie key assumptions about the human self including the views that the good is a matter of choice and that we can exercise objective uninvolved reason According to Springsted however the church has not viewed faith in this way His survey of the Augustinian tradition shows that the self our most esteemed Christian thinkers had in mind when talking about faith was a moral self one defined by character and self involvement Christian faith is at root a participation in the good and reasoning within faith is reasoning within the life of God Drawing on contemporary philosophers and theologians like John Henry Newman and Simone Weil Springsted builds a fresh understanding of faith for

today He shows how the inner act of faith is ultimately a radical willingness to be open to God and he argues that the faithful self is one that develops within a community that shapes its members through the morally formative activities of interaction teaching and sacramental practice **The Philosophical Theology of Austin Farrer** Brian Hebblethwaite,2007 Thirty years of reflection on the philosophical theology of Austin Farrer lie behind the nine chapters of this book in which Farrer s seminal work on faith and reason providence and evil finite and infinite freedom evolution and creation and the doctrines of the Incarnation and the Trinity is discussed and developed Austin Farrer Fellow and Chaplain of Trinity College Oxford for twenty years then Warden of Keble College till his death in 1968 is widely regarded as the most significant Anglican philosophical theologian of the twentieth century His unparalleled combination of philosophical acuity theological insight and spiritual profundity have earned him lasting admiration and influence wherever the mainstream Christian tradition is valued and thought worthy of further exploration and fresh interpretation These studies are offered in the hope that a new generation of philosophical theologians will find inspiration and encouragement in Farrer's work Index to Book Reviews in Religion, 1999
