Calm and Quiet My Soul Alyssa Lynn Bell, 2023-10-19 Self care and soul care are trending topics in Christian leadership circles because ministry leaders know they cannot care for their people unless they care for themselves Pastors who are mothers know this too and yet it can feel like just one more task to manage among the many they carry on their schedules and in their hearts The biblical truth is that spiritual rest is a gift from God not an achievement a refreshing reminder for women who hold the dual roles of mom and minister This book invites women leading in these spaces to remember that the God of the Old and New Testaments the one who pours out replenishment for weary hearts is a God who is Mother as well as Father and mothers them with tenderness and strength Starting here in the arms of a mothering God who whispers beloved changes the tone of spiritual care for her from a chore to an oasis of replenishment that grounds her in her identity in Christ as a daughter of Creator God **Mothershift** Jessie Harrold, 2024-11-12 Explore this supportive grounding guide for new mothers navigating the cascade of identity change and transformation that is motherhood Our modern Western societal understanding of what happens to a woman when she becomes a mother beyond emotional rollercoasters and healing her pelvic floor remains largely uncharted territory The transition to motherhood actually takes two to three years not six weeks or three months as we ve been led to believe Mothershift offers a supportive affirming road map to take women through this transformational process Jessie Harrold introduces her map for your becoming a research based four phase model that maps out how the transition to motherhood unfolds and helps women to navigate every step

was erased from the western consciousness and how it led to an exclusive spiritually patriarchal monotheism with serious consequences for both women's and men's psychological and spiritual identity. While colonial proselytizing and patriarchal ways have denied the divinity inherent in the female of the species, a recent upsurge of body-centric practices like Yoga and innumerable books about old and new goddesses reveal a deep-seated mother hunger in the western consciousness. Written from a practicing Hindu Buddhist perspective, this book looks at the curious phenomenon called the Black Madonna that appears in Europe and also examines mystical figures like Shekhinah in Jewish mysticism. People interested in symbols of the goddess, feminist theologians and scholars interested in the absence of goddesses in monotheisms may find this book's perspective and insights provocative.

Living Life in the Zone Joe Pettigrew, 2009-12-28 Why this book? Because many men still have the desire to have a real faith dialog but much of today's current church literature and methodology doesn't appeal to them. Living in the zone, that state of mind when almost everything seems to be working for you, is every man's desire. But how does a man live in the zone as a Christian? This 40-day spiritual journey is a sports-filled prescription for today's busy man designed to help remove stress and give him confidence to embrace his daily adventure. Each chapter is designed to strengthen both church and unchurched men. Brief enough for men to enjoy but with spiritual depth. Filled with issues that are real but often not discussed in church. Concentrated on a daily spiritual to-do list. Divided into four sections: Marriage, Children, Work, and Faith. Each daily reading includes thought of the day, words of wisdom on a particular subject, biblical perspective, insight for living it out, questions to ponder, today's call to action, prayer requests, real-life stories focusing on the faith journey of famous athletes, coaches, businessmen, and other public figures. Encourages men that they too can handle adversity, walk in faith, and live in the zone. Includes input from celebrities such as Tony Dungy, Lee Corso, Chris Mortensen, Bobby Bowden, and many more.

The Womb of Advent Mark Francisco Bozzuti-Jones, 2007-08-01 Along with scripture readings and prayers, this book offers four weeks of meditations that focus on the growth of Jesus in the womb of Mary. Mark Bozzuti-Jones offers a unique perspective on the season of Advent. He provides four weeks of meditations that focus on the growth of Jesus in the womb of Mary as he approaches the day of his birth, learns his mother's voice, responds to the presence of light and dark, and begins to position himself for birth. What does this teach us about our own spiritual journey through Advent? Waiting and preparation is essential to the Christian life. By reflecting on our own birth experiences and Jesus' own progress through the womb, Christians can learn how to remain intimate with God, how to approach the light, and how to get ready for new birth in Christ. The Womb of Advent guides the reader through each day with a mantra, scripture reading, and questions to focus our meditation. Each session ends with a spiritual exercise.
