Spirituality Of Wine:

The Spirituality of Wine Gisela H. Kreglinger, 2024-10-22 Wine is the most talked about food in the Bible and yet western Christianity has largely neglected this important biblical theme and fragrant gift of God Have you ever wondered what Jesus would drink Was his family perhaps involved in growing vines and making wine What would their family celebrations have been like And what might this tell us about God and how he wants us to live today Food and wine have become such hot topics in our culture and yet there is so much confusion and ambivalence around it as well We are so far removed from the world of the Bible and the agrarian life that it represents It is hard to envision the farms and fruit orchards the village wells and sheep herds the olive groves and vineyards that Jesus would have walked by every day Drawing on her upbringing in a long standing family tradition of winemakers and her degrees in biblical studies and spiritual theology Gisela Kreglinger introduces readers in a light hearted way to the theme of wine in the Bible throughout the history of the church and in the church s feasting and fellowship today She also addresses how many Christians are fearful or concerned about wine because of the challenges of alcohol abuse how to nurture a culture of healing from such disorders and how we are called to celebrate God s gift of wine to grow into a fuller understanding of the gospel as we await the return of the Bridegroom Jesus Christ In this book Gisela shows Christians that wine is a gift from God that we are to receive with gratitude and enjoy in wholesome communal and redemptive ways

Features include Instructions for holding a wine tasting as a spiritual practice A biblical and theological reflection on the True Vine of John 15 A discussion guide for developing a healthy drinking culture Religion and Wine Robert C. Fuller,1996 Wine more than any other food or beverage is intimately associated with religious experience and celebratory rituals Nowhere is this seen more clearly than in American cultural history From the Pilgrims at Plymouth Rock to the Francis cans and Jesuits who pioneered California s Mission Trail many American religious groups have required wine to perform their sacraments and enliven their evening meals This book tells the story of how viniculture in America was started and sustained by a broad spectrum of religious denominations In the process it offers new insights into the special relationship between wine production and consumption and the spiritual dimension of human experience Robert Fuller s historical narrative encompasses a fascinating array of groups and individuals and the author makes some provocative connections between the love of wine and the particularities of religious experience For example he speculates on the ways in which Thomas Jefferson s celebrated knowledge of wine related to his cultural sophistication and free thinking outlook on matters of religion and spirituality Elsewhere he describes how a number of nineteenth century communal groups including the Rappites the Amana colonies the Mormons and the spiritualist colony called the Brotherhood of the New Life helped to spread the religious use of wine across a vast new nation Fuller describes and analyzes the role of wine drinking in promoting community solidarity and facilitating a variety of religious experiences ranging from the warm glow of ritualized camaraderie to the ecstasy of immediate contact with otherwise hidden spiritual realms He also devotes a chapter to the rise of temperance and prohibitionist sentiments among fundamentalist Christians and their subsequent attack on wine drinking The book s concluding chapter features an insightful analysis of the ritual dimensions of contemporary wine drinking and wine culture According to Fuller the aesthetic experiences and communal affirmation that some religious groups have historically associated with the enjoyment of wine have passed into the practice of popular or unchurched religion in the United States The Spirituality of Wine and the Spirituality of Bread Tom Harpur,Donna Sinclair,2008-10-10 The elemental pairing of bread and wine is celebrated in this set which includes The Spirituality of Bread by Donna Sinclair and The Spirituality of Wine by Tom Harpur This lavishly illustrated full colour box set is suitable for gift giving **The Taste of New Wine** Keith Miller,2009-12 Wherever it goes The Taste of New Wine changes lives challenges indifference and creates an exciting sense of spiritual adventure Its message is a breakthrough for honesty integrity and openness in our relations with God and with each other The Taste of New Wine presents a firsthand revealing and unforgettable story of spiritual awakening With unmitigated frankness Keith Miller shares the turmoil and discoveries he experienced on his personal pilgrimage of faith His powerful life changing message can spark an exciting flame of spiritual renewal within your own heart With a refreshing absence of religious jargon The Taste of New Wine shows how we can find the way out of the familiar me centered predicament and move toward a pattern of honesty integrity and openness in our relationships with God and each

other The author explores the transition from beginning commitment to a fuller and more mature Christ centered life The Taste of New Wine offers helpful insights on studying the Bible worship marriage and ways to live out Jesus teaching about the Kingdom of God in our relationships and work Four decades and over two million copies and translation into 11 languages later this contemporary classic still offers a hopeful refreshing direction to its readers It was included in the book 100 Christian Books that Changed the Century by William J Petersen and Randy Petersen The Taste of New Wine belongs on every Christian s shelf of staying power favorites for it is a rich message with insights that deserve to be enjoyed again year after year

Omar Khayyam's Secret: Hermeneutics of the Robaiyat in Quantum Sociological Imagination: Book 10: Khayyami Robaiyat: Part 3 of 3: Quatrains 686-1000: Songs of Joy Addressing the Question "Why Can Happiness Exist?" Mohammad H. Tamdgidi,2024-10-25 Omar Khayyam s Secret Hermeneutics of the Robaiyat in Quantum Sociological Imagination by Mohammad H Tamdgidi is a 12 book series of which this book is the 10th volume subtitled Khayyami Robaiyat Part 3 of 3 Quatrains 686 1000 Songs of Joy Addressing the Question Why Can Happiness Exist Explained with New English Verse Translations and Organized Logically Following Omar Khayyam s Own Three Phased Method of Inquiry Each book independently readable can be best understood as a part of the whole series In Book 10 Tamdgidi offers the third of a three part set of 1000 quatrains he has chosen to include in this series from a wider set that have been over the centuries attributed to Khayyam Part 3 includes quatrains 686 1000 for each of which the Persian original along with Tamdgidi s new English verse translation and a transliteration for the same are shared Each quatrain is indexed according to the frequency of its inclusion in manuscripts the earliest known date of its appearance in them the extent to which it has wandered into other poets works and its rhyming scheme Brief comments about the meaning of each quatrain in relation to other quatrains and works attributed to Khayyam are then offered along with any notes regarding its new translation as shared Tamdgidi shows that the quatrains 686 1000 address the question

Why Does or Can Happiness Exist The question is the third of a set of three methodically phased questions Khayyam has identified in his philosophical works as being required for investigating any subject The order in which the quatrains are presented shows that the quatrains included in Part 3 continue the logically deductive reasoning process started in Part 2 but serve as practical examples of how humankind can turn the activity of poetry writing itself as a source of joy in life when confronting the topics of death survival and spiritual fulfillment The thematic topics of the quatrains of Part 3 as shared in Book 10 are XVIII Garden XIX Wine XX Love XXI Night XXII Death and Survival XXIII Liberation and XXIV Return Khayyam s overall sentiment in pursuing the inquiry in the third part of his book of poetry is expressive of joy He begins by showing using the example of his own poetry how strolling in a garden offers opportunities to enjoy it even when writing about the transient nature of the roses and greens He then offers in the longest section of his book a set of quatrains in praise of Wine disguising therein a praise of the joy of writing his own poetry Wine s metaphorical double meanings offering chances in the here and now of stealing joyfulness even when mistreated by his foes and amid feelings of helplessness in confronting physical death He then turns to the topic of spiritual Love signifying the role the sentiment of Love in search of the Source of creation plays in the evolutionary process of the succession order of the created existence as discussed in his writings He continues to the topic of death and the possibility of lasting spiritual survival and existence by practically encouraging the Drinkers of the Wine of his poetry itself to help bring about that end He ends the Wine of his poetry by expressing how it has helped free himself from the prior in Part 1 doubtfully expressed inevitability of physical death in favor of not just hopefulness in Part 2 but the certainty of having initiated a lasting spiritual existence by way of the bittersweet Wine of his poetry itself celebrating a return to the spiritual Source of all existence as woven into the 1000 threaded wick of the candle of his Love for God We should therefore judge each step of the third part of Khayyam s poetic inquiry in consideration of the two other parts of his book of poetry those already shared in Books 8 and 9 addressing the questions Does Happiness Exist and What Is Happiness The Apocalypse Explained, According to the Spiritual Sense Emanuel Swedenborg,1871

Tamdgidi,2024-10-25 Omar Khayyam s Secret Hermeneutics of the Robaiyat in Quantum Sociological Imagination by Mohammad H Tamdgidi is a 12 book series of which this book is the 8th volume subtitled

Khayyami Robaiyat Part 1 of 3 Quatrains 1 338 Songs of Doubt Addressing the Question Does Happiness Exist Explained with New English Verse Translations and Organized Logically Following Omar Khayyam s Own Three Phased Method of Inquiry Each book independently readable can be best understood as a part of the whole series In Book 8 Tamdgidi offers the first of a 3 part set of 1000 quatrains he has chosen to include in this series from a wider set that have been over the centuries attributed to Khayyam Part 1 includes quatrains 1 338 for each of which the Persian original along with Tamdgidi s new English verse translation and a transliteration for the same are shared Each quatrain is indexed according to the frequency of its inclusion in manuscripts the earliest known date of its appearance in them the extent to which it has wandered into other poets works and its rhyming scheme Brief comments about the meaning of each quatrain in relation to other quatrains and works attributed to Khayyam are then offered along with any notes regarding its new translation as shared Tamdgidi shows that the quatrains 1 338 in the beginning 30 of which Khayyam offers an opening to his book of poetry as a secretive work of art address the question Does Happiness Exist The latter question is the first of a set of three methodically phased questions Khayyam has identified in his philosophical works as being required for investigating any subject The order in which the quatrains are presented shows that the quatrains included in Part 1 follow a logically inductive reasoning process through which Khayyam delves from the surface portraits of unhappiness to their deeper chain of causes in order to answer his question The thematic topics of the quatrains of Part 1 as shared in Book 8 are I Secret Book of Life II Alas III Times IV Spheres V Chance and Fate VI Puzzle VII O God VIII Tavern Voice and IX O Wine Tender After the opening quatrains where Khayyam explains why he was composing a secretive book of poetry and what it aims to do his inquiry starts with doubtful existential self reflections on his life leading him to first blame his times then the spheres then matters of chance and fate soon realizing that he really does not have an explanation for the enigmas of existence concluding that the answer only lies with God So he appeals to God directly for an answer It is then that he hears the voice of the Saqi or Wine Tender from his inner tavern to whom he replies in a series of quatrains closing Part 1 It is in the course of the inquiry in Part 1 that the idea of using Wine as a poetic trope is discovered by him a matter that is separate from his interest in drinking wine which he never denies but is secondary to the spiritual Wine discovered and advanced in his book of poetry that in fact represents his poetry the Robaiyat itself and its promise in answering his questions The logical order of Khayyam s inquiry shows how seemingly contradictory views that have been attributed to him can in fact be explained as logical moments in the successively deeper inquiries he makes inductively when addressing the question whether happiness exists in the created world We should therefore judge each quatrain as a logical moment in Part 1 s inquiry as a whole in anticipation of the two remaining parts of his book of poetry to be shared in Books 9 and 10 of the series respectively addressing the two follow up questions What Is Happiness and Why Does or Can Happiness Exist [THE INFLUENCE OF WINE ON SOCIETY](#) DAVID SANDUA,2024-01-10 The Influence of Wine on Society explores the rich and multifaceted history of wine and its profound

impact on diverse spheres of human life From its role in ancient rituals and modern celebrations to its influence on economics and culture this book details how wine has been a symbol of luxury sophistication and community throughout the centuries With an in depth look at its role in health politics and technology this work invites the reader on an exciting journey through the history and culture of wine revealing how a simple beverage can have such a broad and lasting impact on society

Omar Khayyam's Secret: Hermeneutics of the Robaiyat in Quantum Sociological Imagination: Book 11: Khayyami Robaiyat: Re-Sewing the Tentmaker's Tent: 1000 Bittersweet Wine Sips from Omar Khayyam's Tavern of Happiness Mohammad H. Tamdgidi, 2024-10-25 Omar Khayyam's Secret Hermeneutics of the Robaiyat in Quantum Sociological Imagination by Mohammad H Tamdgidi is a 12 book series of which this book is the 11th volume subtitled Khayyami Robaiyat Re Sewing the Tentmaker's Tent 1000 Bittersweet Wine Sips from Omar Khayyam's Tavern of Happiness Each book independently readable can be best understood as a part of the whole series In Book 11 having shared the three parts of the Robaiyat attributed to Khayyam in the Books 8 9 and 10 of the series Tamdgidi offers the entire set of the 1000 quatrains including the Persian originals and his new English verse translations for each The poems comprising Khayyam's songs of doubt hope and joy are organized according to the three phased method of inquiry he introduced in his philosophical writings respectively addressing the questions Does Happiness Exist What Is Happiness and Why Does or Can Happiness Exist When Khayyam discussed the three phased method of inquiry in his treatise Resalat fi al Kawn wa al Taklif Treatise on the Created World and Worship Duty he noted an exception to the rule of asking when studying any subject whether it exists what it is and why it exists or can exist He distinguished between things objectively existing independent of the human mind and those created by the human mind The normal procedure applies to the former but for products of the human mind he advised the procedure must be modified to asking first what something is then whether it exists and then why it exists or can exist This is because for products of the human mind such as created works of art we would not know whether something exists and why it exists unless we first know what it is To illustrate his point he used the example of the mythical bird Anqa Simorgh in Persian or the Phoenix in English He argued that only when we know what the metaphor stands for would we be able to say whether it exists say in a work of art or even as a person represented by it and why it exists or can exist Khayyam's elaboration implies that one has to make a distinction between objective and human objectified realities which implies that for some objects such as happiness we in fact confront a hybrid reality where aspects of it may be externally conditioned but other aspects being dependent on the human will Once we realize the significance of Khayyam's point then we appreciate that his Robaiyat can also be regarded as a way of poetically portraying and advancing human happiness its poetic Wine

being not just reflective but also generative of the happiness portrayed. By way of his poetry therefore Khayyam has offered a severe critique of the then prevalent fatalistic astrological worldviews blaming human plight on objective conditions in favor of a conceptualist view of reality in which happiness can be achieved despite the odds depending on the creative human agency itself being an objective force. Tamdgidi further shows that the triangular geometry of the logic governing Khayyam's Robaiyat the numerical values of whose three sides are proportional to the Grand Tent governing Khayyam's birth chart further supports the view expressed in Khayyam's own quatrains that for him his Robaiyat poetically represented the tent of which he regarded himself to be a tentmaker revealing another key explanation for his pen name. The geometric structure of a tent proportional to the Grand Tent of Khayyam's chart as well as the metaphor of the Robaiyat as Simorgh songs are hidden in the deeper structure of Khayyam's 1000 piece solved puzzle the same way he embedded his own triangular golden rule in the design of the North Dome of Isfahan. Khayyam's Robaiyat are his Simorgh's millennial rebirth songs served in his tented tavern as 1000 sips of his bittersweet Wine of happiness.
