**Splash!** Laurel Blossom, 1996 An anthology of stories essays and poems about swimming features the works of Ray Bradbury John Cheever Doris Lessing John Updike Calvin Trillin Anne Sexton A E Housman Jack London and Dawn Fraser among others *Splash!* Howard Means, 2020-06-02 Choose a stroke and get paddling through the human history of swimming From man's first recorded dip into what's now the driest spot on earth to the splashing sparkling pool party in your backyard humans have been getting wet for 10 000 years And for most of modern history swimming has caused a ripple that touches us all the heroes and the ordinary folk the real and the mythic *Splash* dives into Egypt winds through ancient Greece and Rome flows mostly underground through the Dark and Middle Ages at least in Europe and then reemerges in the wake of the Renaissance before taking its final lap at today's Olympic games Along the way it kicks away the idea that swimming is just about moving through water about speed or great feats of aquatic endurance and shows you how much more it can be Its history offers a multi tiered tour through religion fashion architecture sanitation and public health colonialism segregation and integration sexism sexiness guts glory and much much more Unique and compelling *Splash* sweeps across the whole of humankind's swimming history and just like jumping into a pool on a hot summer's day it has fun along the way Seven Pleasures Willard Spiegelman, 2009-04-27 What does it mean to be happy Americans have had an obsession with the pursuit of happiness ever since the Founding Fathers enshrined it along with life and liberty as our national birthright Whether it means the accumulation of wealth or a more vaguely understood notion of self fulfillment or self actualization happiness has been an inevitable though elusive goal But it is hard to separate real happiness from the banal self help version that embraces mindless positive thinking And though we have two booming happiness industries religion with its promise of salvation and psychopharmacology with its promise of better living through chemistry each comes with its own problems and complications In *Seven Pleasures* Willard Spiegelman takes a look at the possibilities for achieving ordinary secular happiness without recourse to either religion or drugs In this erudite and frequently hilarious book of essays he discusses seven activities that lead naturally and easily to a sense of well being One of these dancing requires a partner and therefore provides a lesson in civility or good citizenship as one of its benefits The other six reading walking looking listening swimming and writing are things one performs alone *Seven Pleasures* is a marvelously engaging guide to the pursuit of happiness and all its accompanying delights **Swim** Lynn Sherr, 2012-04-03 Explores the nature and appeal of swimming from the history of the strokes to aspects of modern Olympic competition as well as the author's personal experiences and milestones in the sport **Nike is a Goddess** Lissa Smith, 1999 A collection of thirteen narratives that profile the top female athletes in different sports including Babe Didrickson Zaharias Billie Jean King Jackie Joyner Kersee and Sheryl Swoopes **International Sport** Richard William Cox, 2004 There has been an explosion in the quantity of sports history literature published in recent years making it increasingly difficult to keep abreast of developments The annual

number of publications has increased from around 250 to 1 000 a year over the last decade This is due in part to the fact that during the late 1980s and 90s many clubs leagues and governing bodies of sport have celebrated their centenaries and produced histories to mark this occasion and commemorate their achievements It is also the result of the growing popularity and realisation of the importance of sport history research within academe This international bibliography of books articles conference proceedings and essays in the English language is a one stop for the sports historian to know what is new

**Waterman** David Davis, 2015-10-01 Waterman is the first comprehensive biography of Duke Kahanamoku 1890 1968 swimmer surfer Olympic gold medalist Hawaiian icon waterman Long before Michael Phelps and Mark Spitz made their splashes in the pool Kahanamoku emerged from the backwaters of Waikiki to become America's first superstar Olympic swimmer The original human fish set dozens of world records and topped the world rankings for more than a decade his rivalry with Johnny Weissmuller transformed competitive swimming from an insignificant sideshow into a headliner event Kahanamoku used his Olympic renown to introduce the sport of surf riding an activity unknown beyond the Hawaiian Islands to the world Standing proudly on his traditional wooden longboard he spread surfing from Australia to the Hollywood crowd in California to New Jersey No American athlete has influenced two sports as profoundly as Kahanamoku did and yet he remains an enigmatic and underappreciated figure a dark skinned Pacific Islander who encountered and overcame racism and ignorance long before the likes of Joe Louis Jesse Owens and Jackie Robinson Kahanamoku's connection to his homeland was equally important He was born when Hawaii was an independent kingdom he served as the sheriff of Honolulu during Pearl Harbor and World War II and as a globetrotting Ambassador of Aloha afterward he died not long after Hawaii attained statehood As one sportswriter put it Duke was Babe Ruth and Jack Dempsey combined down here In Waterman award winning journalist David Davis examines the remarkable life of Duke Kahanamoku in and out of the water Purchase the audio edition

**Contest** Gary Genosko, 1999 Contest is a riotous excursion through the contemporary sportscape Gary Genosko uncovers the cultural and political qualities of the world of sports from its gaudiest moments the professional spectacle of Super Sunday and Sports Illustrated's swimsuit edition to its obscure nooks and crannies like figure skating psychoanalyst Ernest Jones The exploration ranges from hockey Disciplining Road Hockey Athletes as Pets to sports relationship with design Furniture and Sport from bodybuilding A Portrait of Jesus as a Young Schwarzenegger to bike messengers from gymnastics Olympian Cuteness to memorabilia Genosko's exhilarating approach employs an idiosyncratic mix of cultural studies contemporary theory and a lifetime of collecting sports cards as he celebrates the heroic amateurs and the radical losers who are the real stars of Contest
