**Captain J.A. Brooks** Paul N. Spellman, 2007 James Abijah Brooks 1855-1944 was one of the four Great Captains in Texas Ranger history others including Bill McDonald John Hughes and John Rogers Over the years historians have referred to the captain as John Brooks because he tended to sign with his initials but also because W.W. Sterling's classic *Trails and Trials of a Texas Ranger* mistakenly named him as Captain John Brooks Born and raised in Civil War-torn Kentucky a reckless adventurer on the American and Texas frontier and a quick draw Texas Ranger captain who later turned in his six shooter to serve as a county judge Brooks's life reflects the raucous era of the late nineteenth and early twentieth century American West As a Texas Ranger Brooks participated in the high profile events of his day from the fence cutting wars to the El Paso prizefight from the Conner Fight

where he lost three fingers from his left hand to the Temple rail strike all with a resolute demeanor and a fast gun A shoot out in Indian Territory nearly cost him his life and then jeopardized his career and a lifelong bout with old Kentucky bourbon did the same With three other distinguished Ranger captains Brooks witnessed and helped promote the transformation of the elite Frontier Battalion into the Ranger Force As a state legislator he brokered the creation of a South Texas county that bears his name today and where he served for twenty eight years as county judge He was the quintessential enforcer of frontier justice scars and all     Bluegrass Craftsman ,1959     **Horse World and Veterinary Record** ,1892     **Local Environmental Movements** Pradyumna Karan,2010-09-12 Increasing evidence of the irreparable damage humans have inflicted on the planet has caused many to adopt a defeatist attitude toward the future of the global environment Local Environmental Movements A Comparative Study of the United States and Japan analyzes how local groups in both Japan and the United States refuse to surrender the Earth to a depleted and polluted fate Drawing on numerous case studies scholars from around the world discuss efforts by grassroots organizations and movements to protect the environment and to preserve the landscapes they love and depend upon The authors examine citizen campaigns protesting nuclear radiation and chemical weapons disposal Other groups have organized to protect farmlands and urban landscapes to groups that organize to preserve steams wildlife habitats tidal flats coral reefs National Parks and biodiversity These small groups of determined citizens are occasionally successful demonstrating the power of democracy against seemingly insurmountable odds In other cases the groups failed to bring about the desired change This book explores the distinctive leaders the relevant laws and regulations local politics and the historical and cultural contexts that influenced the goals and successes of the various groups The contributors conclude that there is no one single environmental movement but many and the volume emphasizes grassroots movements and advocacy groups that represent local constituencies By studying these groups and their respective challenges Local Environmental Movements highlights the common themes as well as the distinctive features of environmental advocates in the United States and Japan Over decades these groups have nurtured environmental awareness and promoted the concept of sustainable development that respects the need for both environmental protection and cultural preservation     Kentucky Bluegrass Country R.
