Financial Faithfulness Roger Gum,2022-02-22 One of the great challenges of life is to limit distractions in order to focus on what matters the most Regardless of how much or little we have issues of money threaten to sidetrack us If we have a lot of money we fear losing what we possess We are tempted to put our hope in our wealth instead of God If we don t have so much we stress about not having enough to provide for our families and are often consumed with the desire for more Financial Faithfulness seeks to

change your view of money by showing you how to use it in God's best interest. When it comes to managing money, this question is crucial. What is required from me to be a faithful steward? As you begin to see riches from a biblical perspective, you can experience the financial freedom and peace of mind that everyone desires, but few find. Family Legacy and Leadership Mark Daniell, Sara Hamilton, 2010-11-02
 Hamilton and Daniell have creatively taught us how to weave together the threads of lineage that create family legacy. They have also clarified the vision of what family leaders look like, who are the master weavers of such threads. This all leads toward teaching us how to create and guide our families and those we serve to seven and more generations of successful, generative and flourishing lives as individuals and as family. We owe their work a deep debt of gratitude and a bow of appreciation. James Jay E. Hughes Jr., Author, *Family The Compact Among Generations*. Mark Daniell and Sara Hamilton have written a book that will become a real reference for families wishing to establish a long-term strategy for building an enduring legacy for generations. It contains a wealth of ideas, strategy prescriptions, case histories, and anecdotes that will give the family leader and members of the tribe a true guide to building a system that will endure the test of time. I recommend it to families in Asia and beyond. Dr. Victor K. Fung, Chairman, Li and of the hard and soft issues that families face. It offers ideas, insights, and tools that will help families of all types find their path through change. Melissa A. Berman, President, CEO, Rockefeller Philanthropy Advisors.
