Spock Messiah:

Spock, Messiah! Theodore R. Cogswell, 1984 *Spock, Messiah!* Theodore R. Cogswell, Charles A. Spano, Jr., Spano, Charles A., 1976 The victim of a cruel experiment Commander Spock renounces the U S S Enterprise becomes the messiah of the planet Kyros and launches a holy war on the rest of the world Novelist *Spock Messiah* Theodore R. Cogswell, Charles A. Spano, Gene Roddenberry, 1984-01 *Strange Novel Worlds* Caroline-Isabelle Caron, Kristin Noone, 2024-06-18 Since the publication of the first James Blish novelizations of Star Trek episodes in 1967 close to 900 tie in novels anthologies and omnibus editions have been published Star Trek tie in novels have had a significant influence on Western popular culture The works of beloved science fiction authors have shaped the way fans understand Star Trek and its universe and many stand as near equal builders of the Star Trek franchise next to Gene Roddenberry his producers and the many creators of the later series With such a vast and varied body of work tie in books form a rich and deep cultural phenomenon the history and content of which are worthy of concerted study Despite the enduring popularity of the franchise they are based on no previous essay collection has ever focused on the numerous and widely diverse books of Star Trek tie in novels This collection does just that by examining the tie in works as relevant literature The essays primarily focus on tie in books published from 1990 to 2022 and each author discusses the plot and context of separate novels while simultaneously exploring major themes such as canon vs fanfiction and merits of the genre The collection ends with an exploration of the continuity of this period of Star Trek as it stands following a narrative conclusion announced in 2021 **The Impossible Has Happened** Lance Parkin, 2016-07-19 A biographer goes in search of Gene Roddenberry creator of the world s most successful science fiction franchise This book reveals how an undistinguished writer of cop shows set out to produce Hornblower in space and ended up with Star Trek an optimistic almost utopian view of humanity s future that has been watched and loved by hundreds of millions of people around the world Along the way Lance Parkin examines some of the great myths and turning points in the franchise s history and Roddenberry s particular contribution to them He looks at the view that the early Star Trek advanced a liberal egalitarian and multi racial agenda charts the various attempts to resuscitate the show during its wilderness years in the 1970s explores Roddenberry s initial early involvement in the movies and spin off Star Trek The Next Generation as well as his later estrangement from both and sheds light on the colorful personal life self mythologizing and strange beliefs of a man who nonetheless gifted popular culture one if its most enduring narratives Voyages of Imagination: The Star Trek Fiction Companion Jeff Ayers, 2006-12-29 Through four decades five television series comprising over seven hundred episodes ten feature films and an animated series fandom s thirst for more Star Trek stories has been unquenchable From the earliest short story adaptations by James Blish in the 1960s followed by the first original Star Trek novels during the seventies and on throughout the eighties nineties and into the twenty first century fiction has offered an unparalleled expansion of the rich Star Trek tapestry But what is it that makes these books such a powerfully attractive creative outlet to

some and a compelling way to experience the Star Trek mythos anew to others Voyages of Imagination takes a look back on the first forty years of professionally published Star Trek fiction revealing the personalities and sensibilities of many of the novels imaginative contributors and offering an unprecedented glimpse into the creative processes the growing pains the risks the innovations the missteps and the great strides taken in the books Author Jeff Ayers has immersed himself in nearly six hundred books and interviewed more than three hundred authors and editors in order to compile this definitive guide to the history and evolution of an incomparable publishing phenomenon Fully illustrated with the covers of every book included herein Voyages of Imagination is indexed by title and author features a comprehensive timeline and is a must have for every fan

Nature & Science on the Pacific Coast, 1915 **Spock, Messiah-CC**, **Star Trek** Robert Greenberger, 2012-11-08 This is the first book to combine an authoritative history of the Star Trek franchise including all six television series and eleven feature films with anecdotes about the show from those who helped shape it from the outside in the fans Star Trek expert Robert Greenberger covers everything from show creator Gene Roddenberry's initial plans for a series combining science fiction and Western elements the premiere of the original series in 1966 its cancellation the franchise's return in an animated series and its subsequent history on television and film up to expectations for the 2013 J J Abrams film Along the way Greenberger analyzes Star Trek's unique cultural impact and tremendous cult following including the famous and first ever save the show mail campaign But this isn't a sugarcoated history this book chronicles the missteps as well as the achievements of Roddenberry and others behind the franchise Approximately two dozen sidebars provide personal experiences of dedicated Trekkies who influenced or became a part of the franchise Star Trek fandom is unparalleled in the effects it has had on the franchise itself The book is illustrated with a large collection of photographs of memorabilia many of which have never been seen before in print **More Than Meets the Eye** Robert John

Rehak, 2018-03-13 Introduction Seeing past the state of the art That which survives design networks and blueprint culture between fandom and franchise Used universes and immaculate realities appropriation and authorship in the age of previz Chains of evidence augmented performance before and after the digital Microgenres in migration special effects and transmedia travel Conclusion The effects of special effects The Spectre General Theodore Cogswell, 2014-05-13 500 years after the Galactic Empire's collapse the 427th Light Maintenance Battalion of the Imperial Space Marines stubbornly hold onto their mission training to repair starships that never come Their equipment gradually wears out and to all outward appearance they seem to be primitive savages living by hunting and farming When a coup removes Colonel Marcus Harris commander of the maintenance battalion in favor of his executive officer the colonel and a loyal second lieutenant Kurt Dixon are jailed When Dixon escapes he hides in a battle suit to avoid detection He accidentally activates it and is propelled into outer space There he is rescued by a scout of the new Galactic Protectorate a ramshackle barely functioning organization whose leaders are fighting amongst themselves The Galactic Protectorate despite its name has lost most of the technical

expertise to do even routine maintenance on their own equipment Both sides have something the other needs But can they possibly work together And if they do will it be war or the start of a new Galactic Empire Theodore Cogswell's classic science fiction novella is available in ebook form for the first time in more than a decade **Star Trek** M. Keith Booker, 2018-09-15

First airing in 1966 with a promise to boldly go where no man has gone before Star Trek would eventually become a bona fide phenomenon Week after week viewers of the series tuned in to watch Captain Kirk Spock and the rest of the crew of the USS Enterprise as they conducted their five year mission in space Their mission was cut short by a corporate monolith that demanded higher ratings but Star Trek lived on in syndication ultimately becoming a multibillion dollar media franchise With merchandise spin offs feature films and several television iterations from The Next Generation to Discovery Star Trek is a firmly established part of the American cultural landscape In Star Trek A Cultural History M Keith Booker offers an intriguing account of the series from its original run to its far reaching impact on society By placing the Star Trek franchise within the context of American history and popular culture the author explores how the series engaged with political and social issues such as the Vietnam War race gender and the advancement of technology While this book emphasizes the original series it also addresses the significance of subsequent programs as well as the numerous films and extensive array of novels comic books and merchandise that have been produced in the decades since A show that originally resonated with science fiction fans Star Trek has also intrigued the general public due to its engaging characters exciting plotlines and vision of a better future It is those exact elements that allowed Star Trek to go from simply a good show to the massive media franchise it is today Star Trek A Cultural History will appeal to scholars of media television and popular culture as well as to fans of the show Star Trek FAQ (Unofficial and Unauthorized) Mark Clark, 2012-04-01 This book is not endorsed sponsored or affiliated with CBS Studios Inc Paramount Pictures or the Star Trek franchise Star Trek FAQ tells the complete story of Star Trek from the before the beginning the books films and TV shows that inspired producer Gene Roddenberry to create Star Trek until after the end when the show emerged as a cultural phenomenon in syndication and including dramatic behind the scenes stories e g Leonard Nimoy's struggle with alcoholism and actress Grace Lee Whitney's controversial firing often omitted from authorized histories of the program Along with in depth looks at the pre and post Trek careers of the show's iconic leads Star Trek FAQ includes profiles of guest stars and redshirt extras alike as well as the many writers technicians and artisans whose efforts enabled Star Trek to take flight The book also explores the show's unprecedented resurgence in the 1970s with chapters devoted to early Star Trek fiction merchandising and the short lived animated series Combining a wealth of fascinating information about every facet of the show's production with original analysis of Star Trek's enduring appeal and cultural influence Star Trek FAQ goes where no Star Trek book has gone before **Trek** James Van Hise, Scott Nance, 1993 **The Routledge Handbook of Star Trek** Leimar Garcia-Siino, Sabrina Mittermeier, Stefan Rabitsch, 2022-07-21 The Routledge Handbook of Star Trek offers a synoptic overview of Star Trek its history its influence

and the scholarly response to the franchise as well as possibilities for further study This volume aims to bridge the fields of science fiction and trans media studies bringing together the many ways in which Star Trek franchising fandom storytelling politics history and society have been represented Seeking to propel further scholarly engagement this Handbook offers new critical insights into the vast range of Star Trek texts narrative strategies audience responses and theoretical themes and issues This compilation includes both established and emerging scholars to foster a spirit of communal trans generational growth in the field and to present diversity to a traditional realm of science fiction studies **More Than Meets the Eye**

Bob Rehak, 2018-03-13 A rare look at the role of special effects in creating fictional worlds and transmedia franchises From comic book universes crowded with soaring superheroes and shattering skyscrapers to cosmic empires set in far off galaxies today's fantasy blockbusters depend on visual effects Bringing science fiction from the studio to your screen through film television or video games these special effects power our entertainment industry More Than Meets the Eye delves into the world of fantastic media franchises to trace the ways in which special effects over the last 50 years have become central not just to transmedia storytelling but to worldbuilding performance and genre in contemporary blockbuster entertainment More Than Meets the Eye maps the ways in which special effects build consistent storyworlds and transform genres while traveling from one media platform to the next Examining high profile franchises in which special effects have played a constitutive role such as Star Trek Star Wars The Matrix and The Lord of the Rings as well as more contemporary franchises like Pirates of the Caribbean and Harry Potter Bob Rehak analyzes the ways in which production practices developed alongside the cultural work of industry professionals By studying social and cultural factors such as fan interaction this book provides a context for understanding just how much multiplatform storytelling has come to define these megahit franchises More Than Meets the Eye explores the larger history of how physical and optical effects in postwar Hollywood laid the foundation for modern transmedia franchises and argues that special effects are not simply an adjunct to blockbuster filmmaking but central agents of an entire mode of production **The Messiah's Hand**

Chris Knight, 2012-11-07 On a seemingly ordinary Monday morning an office secretary at Trusthouse a reputable New Zealand Insurance firm is astounded when she checks her answering machine A blood curdling anonymous voice has left a message on the tape sometime over the weekend informing her that her millionaire boss Oscar Silver has been kidnapped and is being held to ransom The information given is very curt The Insurance company president's life is now for sale The price tag is one million NZ dollars and the time limit 24 hours The voice was explicit no police involvement or the old man prematurely meets his maker The old man's life is now thrust irrevocably into the nervous hands of his naturally tight fisted eldest son Isaac At his wit's end Silver's eldest son and Trusthouse second in command is now asking himself some frightening questions Just how serious are the unknown assailants Just how far are they prepared to go Can Trusthouse afford to pay up Can they afford not to And just exactly how far is Isaac prepared to go to find out Is he willing to gamble/wager with his father's life or will he quickly cough up the dough

Star Trek Reader's Reference to the Novels: 1992-1993 Alva Underwood, 2011-12-08 Volume seven of the Star Trek Reader's Reference to the Novels offers additional information about the adventures of Kirk and his Bridge officers especially Kirk's early years and Dr McCoy's first deep space assignment Meet a variety of fascinating new villains including Dr Omen who believes he's created the perfect weapon a Romulan captain who seeks to destroy an entire species because he fears they will be weapons against Romulans Roy Moss who feels he has not received the adulation he deserves and High Assassin Shil Andrachis who believes killing is both a gift and a right Meet others who offer new experiences such as the Reys of Gullrey archeologist and musician Dr Andrea Benar and Variants who are genetically altered human stock Read about a horrid new species now extinct and follow Kirk as he becomes a Kh'liht Delve further into the mysteries surrounding the Probe that nearly destroyed Terra Take on the Klingons in a new ploy against the Federation Experience an ice planet almost destroyed when too many of its native marine animals are taken from the seas and meet the Kitka who are aware of an intelligent life form known as a kraken who shares their world Sail along on the Great Starship Race that pits the resourcefulness of Kirk and crew against the machinations of a Romulan captain Study how Kirk resolves a near war situation by reading from the Obirrhat Holy Book learn how Kirk Spock and McCoy evade the Reborn process on Sanctuary and discover new theories about orphan cultures

Gateways to Forever Mike Ashley, 2007-04-01 This third volume in Mike Ashley's four volume study of the science fiction magazines focuses on the turbulent years of the 1970s when the United States emerged from the Vietnam War into an economic crisis It saw the end of the Apollo moon programme and the start of the ecology movement This proved to be one of the most complicated periods for the science fiction magazines Not only were they struggling to survive within the economic climate they also had to cope with the death of the father of modern science fiction John W Campbell Jr while facing new and potentially threatening opposition The market for science fiction diversified as never before with the growth in new anthologies the emergence of semi professional magazines the explosion of science fiction in college the start of role playing gaming magazines underground and adult comics and with the success of Star Wars media magazines This volume explores how the traditional science fiction magazines coped with this from the death of Campbell to the start of the major popular science magazine Omni and the first dreams of the Internet

Star Trek Reader's Reference to the Novels Alva Underwood, 2012 Volume eight New aliens old adversaries and planetary disasters confront Enterprise The loyalty of the Bridge crew to Kirk is tested when Sulu and Chekov labeled traitors are helped by Dr McCoy and Scotty along with Kirk Spock and Klingon commander Kang to bring the real traitors to justice Kirk faces a Dohlman and with Uhura's help everts a war and establishes the true Dohlman on the throne Kirk is sorely tested by the joy machine created by a planet seeking unbounded joy if one gives control to the machine Enterprise and crew thrown back in time during military maneuvers discover their home planet never evolved humans A landing team must stop a group of Ru determined to destroy the asteroid that changed the evolutionary line of earth New comrades come

from the future seeking help against the suffocating control of the Consilium Enterprise meets new aliens the Tauteans who nearly destroy themselves in the search for unlimited energy the Rimillians facing a civil uprising as one group attempts to restart their planet's spin Furies a dedicated group of new aliens who threaten the Klingon Empire and the Yagghorth a radiation sensitive alien Dr McCoy faces the news of an unknown daughter while Sulu embraces the daughter he didn't know he fathered An aging Kirk called upon to witness the launch of a new hospital ship which he fears will be disastrous as it has no captain finds his fears confirmed Deciding he doesn't want to grow old and give up adventuring in space Kirk agrees to help the planet Chal
