Washington s first female physician Mary Archard Latham moved to the community with her three sons leaving her husband  
behind in Ohio in 1888 She sought a better climate for her health and worked tirelessly for the health of all of Spokane s  
citizens but particularly women and children and especially the poor She helped found the Spokane Humane Society and the  
Spokane Public Library and she was beloved and respected in the community Then in 1903 one of her sons died and she  
seemingly became unhinged She would be seen wandering the streets wailing and inconsolable and her behavior became  
extremely erratic In 1905 she was accused arrested and convicted of arson then sentenced to four years of hard labor in the  
state penitentiary She escaped into the forests of Idaho where she hid from a massive manhunt for a week before being  
captured and sent to prison in Walla Walla She eventually returned to Spokane a broken yet determined woman and died in  
1917 Despite the tragic and violent events that characterized her later years today Dr Mary A Latham is honored in Spokane  
for the good she did in the first part of her life Mercy and Madness captures the captivating outrageous and sometimes
