Preaching Prophetic Care Phillis Isabella Sheppard,Dawn Ottoni-Wilhelm,Ronald J. Allen,2018-06-25 Preachers often think of prophetic preaching in the caricature of the prophet as the lonely outsider confronting the congregation often angrily with the congregation s complicity in social injustice and with a bracing call for repentance The twenty seven essays and sermons in this book offer a different perspective by viewing prophetic preaching specifically and ministry practical theology and theological education more broadly as pastoral care for the community in prophetic perspective Such preaching does indeed bring a critical theological analysis of justice concerns to the center of the sermon but in such a way as to invite the congregation to consider how the move toward justice is a pastoral move that is a move that seeks to build up community Rather than contributing to the polarization so rampant in today s social world the preacher seeks to help the congregation build bridges along which concern for justice can travel The contributions honor the work of the late Dale Andrews a scholar of preaching and practical theology at the Divinity School Vanderbilt University whose seminal work inspires the notions of prophetic care and building bridges to justice **Proceedings of the Supreme Council of the Mystic Order of Veiled**

entrenched in every state Boldly declare what Heaven says about your state and nation And more The days ahead are destined for awakening and glory not doom and gloom It s time to arise and declare what Heaven has decreed and to once again become one nation under God The Prophetic Imperative Richard S. Gilbert,2000 **And Your Daughters Shall Prophecy** Adrian Shirk,2018-08-14 An NPR Best Book of 2017 Shirk is a generous writer whose penchant for detail and poetic observation will surprise even the staunchest skeptic Juan Vidal NPR s Best Books of 2017 Shirk writes with sincerity In these stirring vignettes she mixes historical accounts interpretations and fictionalized encounters to provide insight into her personal journey tracing the steps of American women who have sought out an alternative spirituality Publishers Weekly Shirk s first book examines and exalts the often overlooked histories of religious movers and shakers and offers as a timely antidote to our culture s current schism between fundamentalist conservatism and radical progress Divine Bitch And Your Daughters Shall Prophecy is a powerful personal exploration of American women and their theologies weaving connections between Adrian Shirk s own varied spiritual experiences and the prophetesses feminists and spiritual icons who have shaped this country Each woman presents a pathway for Shirk s own spiritual inquiries the New Orleans high priestess Marie Laveau the pop New Age pioneer Linda Goodman the prophetic vision of intersectionality as preached by Sojourner Truth saint Flannery O Connor and so many more Through her journey Shirk comes to believe that as the culture wars flatten religious discourse and shred institutional trust we should look to the spiritual visions and innovations of women who having spent so much time at the margins of religious discourse illuminate its darkened corners **Releasing the Prophetic Destiny of a Nation** Dr. Chuck Pierce,Dutch Sheets,2005-04-01 Are You Ready to be a Part of the Destiny of Your Country Releasing the Prophetic Destiny of a Nation is the remarkable story of how God called two very different men to come together for a common cause His desire to heal the United States of America Endowed with God given keys for reconciliation of the United States Dutch Sheets and Chuck Pierce traveled the 50 states rallying apostles prophets intercessors and entire churches to break the grip of demonic strongholds Their efforts to purge the land of territorial and generational sin began an open season of warfare against the principalities and powers entrenched in every state Are you ready to join the fight to free your state and your country Are you ready for God to release the prophetic destiny of your nation Prophecy and Ideology in Jeremiah Carolyn Sharp,2003-01-01 This project examines two areas where there are important interpretive problems the composition of the book of Jeremiah and specifically the provenance of and ideological functions served by the text of Jeremiah on the one hand and the redactional interests in prophecy evident in the Deuteronomistic History on the other The book argues that two distinct political groups can be seen to vie for theological authority via their literary portrayals of traditions about Jeremiah and prophets generally in the Deutero Jeremianic prose a group in Babylon after the deportations of 597 B C E that is attempting to claim political and cultic authority and a group remaining behind in Judah after 597 that counters the political claims and related interpretive moves made by the Babylonian traditionists The book then illustrates

through analysis of prophetic roles in Jeremiah Kings and Deuteronomy 18 that there are substantial and fundamental discontinuities between the view of prophecy and the prophetic word presented in the Deuteronomic texts and the view presented in the Deutero Jeremianic texts The results of the present study challenge the widely accepted scholarly thesis of monolithic redaction of the book of Jeremiah at the hands of the same Deuteronomists whose work is evident in the Deuteronomistic History

An Introduction to the Old Testament Prophetic Books C. Hassell Bullock, 2007-05-01 The Old Testament prophets spoke to Israel in times of historical and moral crisis They saw themselves as being a part of a story that God was weaving throughout history a story of repentance encouragement and a coming Messiah In this updated introductory book each major and minor prophet and his writing are clustered with the major historical events of their time Our generational distance from the age of the prophets might seem to be a measureless chasm Yet we dare not make the mistake of assuming that passing years have rendered irrelevant not only the Old Testament prophets but also the God who comprehends spans and transcends all time In these pages C Hassell Bullock presents a clear picture of some of history s most profound spokesmen the Old Testament prophets and the God who shaped them
