Dictionary Poetics Craig Dworkin, 2020-05-05 The new ways of writing pioneered by the literary avant garde invite new ways of reading commensurate with their modes of composition Dictionary Poetics examines one of those modes book length poems from Louis Zukofsky to Harryette Mullen all structured by particular editions of specific dictionaries By reading these poems in tandem with their source texts Dworkin puts paid to the notion that even the most abstract and fragmentary avant garde literature is nonsensical meaningless or impenetrable When read from the right perspective passages that at first appear to be discontinuous irrational or hopelessly cryptic suddenly appear logically consistent rationally structured and thematically coherent Following a methodology of critical description Dictionary Poetics maps the material surfaces of poems tracing the networks of signifiers that undergird the more familiar representational schemes with which conventional readings have been traditionally concerned In the process this book demonstrates that new ways of reading can yield significant interpretive payoffs open otherwise unavailable critical insights into the formal and semantic structures of a composition and transform our understanding of literary texts at their most fundamental levels *The United Nations and the Maintenance of International Peace and Security*, 1987-01-01 Inter-American Conference for the Maintenance of Peace, Buenos Aires, December 1-23, 1936 Pan American Union, 1937 *The Maintenance and Welfare of Parents and Senior Citizens Act, 2007 - An Analysis* Dr. E. Ajitha, 2025-05-16 The demographic trends of the Indian population have necessitated concerted action by the legislature and the executive on the policy front to be prepared as a nation to manage the consequences of a growing aged population The situation of increasing aged population is increasingly a grave concern to the administration as lifestyle and family dynamics change Till a couple of decades back the joint family system was a safety net that provided security and care to the elderly But in recent decades with the breakdown of the joint family system the elderly are left without support Therefore the responsibility of the state towards the elderly population is heightened To address this concern of ensuring the physical psychological and medical needs of senior citizens the first elder law of India The Maintenance and Welfare of Parents and Senior Citizens Act 2007 was enacted The objective of the Act is to ensure the maintenance and welfare needs of the senior citizens and parents are provided for by the family This book analyses the Act in totality and also throws light on the international initiatives which facilitated the national policy in this regard It also looks at the personal laws with regard to maintenance and welfare of parents and senior citizens The lacuna in the Act are also highlighted The Maintenance and Welfare of Parents and Senior Citizens Amendment Bill 2019 was introduced in the parliament in 2019 but it is still pending The Bill attempts to address some of the issues in the Act of 2007 The Bill expands the concept of children to include stepchildren adoptive children children in law and legal guardians of minor children According to the Act of 2007 children may be ordered by Maintenance Tribunals to pay their parents a maximum of Rs 10 000 in maintenance each month This upper limit on the maintenance cost is eliminated by the Bill The Act allows older

persons to challenge the Maintenance Tribunal's rulings. The Bill permits family members and children to appeal Tribunal rulings as well. According to the Bill, the Tribunal may issue a warrant to collect the unpaid sum if the children or family members disregard maintenance orders. If the fine is not paid, there is the potential for a one-month jail sentence or until the money is paid. The Bill outlines regulations for both private senior care facilities and organizations that offer in-home care services. The ceiling on maintenance fee is eliminated under the Bill. When determining the amount of maintenance, the Tribunals must take into account i) the parent's or senior citizen's level of living and income and ii) the children's. For abandonment of senior citizen or parent, the punishment is enhanced. Punishable with imprisonment between three and six months or a fine of up to Rs 10,000 or both. Even as the amendment Bill is yet to come into force, the tribunals and courts have been trying cases pertaining to the Act of 2007 albeit without much clarity in certain sections. Section 16 is one such section where different high courts have taken different views. Whereas the Bombay High Court following the *Paramjit Saroya* case AIR 2014 PUNJAB AND HARYANA 121 has allowed appeal by children permissible under section 16 in *Ridhi and Another v Prathiba and Others* 2024 SCC Online Bombay 1690, recently the Division Bench Karnataka High Court in *K Lokesh v The Bangalore District Maintenance M Tamil Selvan and Another v District Collector and others* 2024 SCC Online Mad 7377. But in *Urmila Dixit v Sunil Sharan Dixit* Civil Appeal No 10927 of 2024, the Supreme Court reversed its order in *Sudesh Chikara's* case and has held that tribunals are empowered to not only render the transfer deed void but also to order the possession back to the parents even if the stipulation under Section 23 is not fulfilled in order to reinstate the rights of the parents and senior citizens. The Court further stated that the Act is a beneficial legislation meant to lend a helping hand to elders who are left alone due to withering of joint family system and that its provisions should be interpreted liberally and not in the strict sense to protect their rights. The Supreme Court has in the case of *Dr Ashwani Kumar versus Union of India and Others* PIL No 193/2016, 2019 2 SCC 636, pointing at the poor implementation of the Elder Act, emphasized the importance of execution of the Act effectively in order to guarantee that older citizens' statutory and fundamental rights such as the right to shelter, healthcare, and dignity are fulfilled. The Supreme Court underlined the necessity of ongoing and recurring oversight to guarantee the successful execution of the Elder Act 2007 and support the advancement of senior persons' well-being. Therefore, it is imperative that the amendment Bill that has been pending for years is updated to meet the evolving social dynamics and enacted to ensure the objective of the elder care law is attained in letter and spirit.
