The Makeshift Prince:

Make Wise Decisions Shrikant Prasoon, Vishal Bhandari, 2011 **The Prince's Doom** David Blixt, 2014-12-09 Blixt is a man of many talents actor director author In his hands history comes to bright blazing life Sharon Kay Penman author of Lionheart and The Sunne In Splendour Dive into the treacherous landscape of Renaissance Italy where alliances shift like shadows and betrayal is a constant companion with the explosive fourth novel David Blixt's critically acclaimed Star Cross d Series Triumphant in its clash with Padua Verona now stands at the precipice of a foretold disaster The Montagues and Capulets continue their epic feud threatening to plunge Verona into chaos The once promising Cesco a rising star in his own right plunges headlong into the shadows steering his extraordinary talents toward a tumultuous existence that defies not only the Veronese lord and the Church but challenges the very constellations themselves The heart of the struggle is a love that could either be the key to lasting peace or the catalyst for utter destruction In a bid to reclaim Cesco's faltering spirit Pietro Alaghieri welcomes the seething plots and intrigues of the Veronese court hoping they'll jolt Cesco from his languor Yet as the first lifeless body hits the ground it becomes starkly evident that this new game is a lethal gambit a perilous trial that threatens to doom them all Brace yourself for a whirlwind of swashbuckling adventure smoldering passion and ruthless betrayal as this epic tale unfolds an electrifying odyssey reminiscent of the best works by Bernard Cornwell Sharon Kay Penman and Dorothy Dunnett The stars may have foretold the doom but the chaos that ensues is beyond even their celestial predictions Prepare to be swept away by the intricate web of alliances and enmities in The Prince's Doom a gripping addition to the Star Cross d Series that will leave breathless readers eagerly anticipating the next twist in this captivating saga

Prince's Transmigrated Concubine Bao ZhaTou, 2020-04-27 Once transmigrated she went from a decisive female agent to a powerless princess of a small country To be belittled to be looked down upon to be chilled to have your life plummeted To solve the case she had revealed her true colors Soldier training her domineering attitude leaked out In the competition she was extremely famous Since then his life had reached its peak But since when did he have a great general behind him that he could not shake off his tail Xuanyuan Mo said Lady you have to take responsibility for bullying me Don't you know Li Ruoy said Responsible No way I'll just let you bully me until I return **The Haiti Earthquake** Diane Andrews Henningfeld, 2012-09-28 This book explores the events of the 2010 Haiti earthquake Readers will learn about the issues surrounding U S aid and military efforts and the inconsistencies of the death tolls They will learn about the controversies surrounding the adoptions of Haitian orphans Compelling unforgettable personal narratives from people who experienced the earthquake are also included **The Bolsheviks Volume II** John D. Loscher, 2009-09 We must seek to build a Russia based on three sound principles Peace Land and Bread NOTHING ELSE William Donaldson newly promoted Charge d Affaires for the United States Embassy in Petrograd formerly Saint Petersburg Russia could only cringe at hearing Lenin's stirring proclamation announcing the primary goals for the Petrograd Soviet These ambitious words ran counter to the aims of his

employer the American government As an American diplomat during the administration of President Woodrow Wilson William is obligated to support his country s self serving objectives But as the husband to Sonjya Mastrova a Russian nation William is torn must he care out his duty or advocate a cause which he knows in his heart to be morally and ethically right Since he was a conscripted diplomat being named embassy charge d affaires should have been the crowning achievement for William Donaldson However as Russia spirals ever deeper into chaos and revolution his posting becomes a curse Caught up in a web of intrigue woven by America s inept luxury loving ambassadors William is a witness to the final overthrow of Russia s imperial family His dealings with the weak Russian provisional government will provide William with a textbook example chronicling the pitfalls of democracy As the faltering democratic provisional government splinters and becomes mired in gridlock the Russian people become truly desperate Knowing how desperate people will do desperate things the situation becomes ripe for Vladimir Lenin and his henchmen to finally implement their own vision for Russia s future without any annoying outside interference When that model is forcibly imposed William can only lament at what he sees as the consequence for the Russian people of being yoked to the science of communism Is Russia s exploited peasant population any better off than they were before

Carr,2019-11-05 Following his vision of the coming Messiah the prophet Daniel creates a select group of men who will count down the calendar to the arrival of Israel s promised king Centuries later as the day nears Myrad a young magi acolyte flees for his life when his adoptive father and others are put to death by a ruthless Parthian queen Having grabbed only a few possessions Myrad escapes the city and searching for a way to hide from the soldiers scouring the trade routes he tries to join the caravan of the merchant Walagash The merchant senses that Myrad is hiding secrets but when the young man proves himself a valuable traveler an epic journey filled with peril close escapes and dangerous battles begins With every day that passes the calendar creeps closer to the coming Messiah And over everything shines the dream of a star that Myrad can t forget and the promise that the world will never be the same

The House of Sand Terrence Douglas,2011-11-22 The House of Sand is not a story directed at the excesses of the House of Saud and the Kingdom of Saudi Arabia nor is it a veiled

reference to present day Bahrain or Yemen and their exclusive ruling families nor even to the once privileged now embattled or deposed families of Libya Tunisia Egypt Syria or elsewhere in the world Rather The House of Sand is a story about the greed ambition self absorption of ruling classes wherever they reside who are not responsive to the aspirations of the people the international political forces that prop up such regimes and the business interests that despoil the areas The story is about the ancient traditions misplacedbut eventually reclaimed wisdom ignoredfor a time and the courage of the people that emerges in the end to seize the opportunity only freedom can offer but not impose Author Terrence Douglas has observed the excesses and endemic corruption throughout the world in the course of his travels always marveling how wisdom and courage stir just below the surface until the appropriate time when it reappears in the soul of the people Follow the journey across the desert from the perspective of Aziz who embodies an ancient wisdom and integrity his son Sultan who wields power only to satisfy his personal and exorbitant tastes and foibles and Chester Holycross so desperate to reclaim his business reputation who is willing to stoop to satisfy Sultans every whim The supporting cast of characters offers the contrast and reliefsometimes comic that the story requires
