

The Making Of Israels Army

Sean Yom

The Making Of Israels Army:

The Making of Israel's Army Yigal Allon,1970

The Making of Israel's Army Yigal Allon,2024-07-03 Allon recounts the growth of the Israeli army from its inception in the 1880 s when Jewish communities in Palestine formed their first small self defence groups through the Haganah s clandestine period in the 1920 s and 30 s and the fighting after 1945 when army and state together achieved legality to the Sinai Campaign of 1956 and the Six Day War in June 1967 when the army reached maturity His precise economical narrative interspersed with brief passages of analysis is supplemented by extensive documentation which is especially interesting in the way it traces the development of attitudes and doctrine in the Israeli forces The work is a valuable contribution It tells us a great deal about the organization in its various stages that fought the wars and helps explain why these assumed the forms that they did and why they succeeded a study that is more than a history of a military organization Middle Eastern Studies Allon has contributed an extended essay concerned with the Israeli Government s military philosophy policy and strategy rather than an administrative and technical history half the book contains several important reports and policy statements not easily available in English describing military actions undertaken between 1941 and 1967 Allon was an important contributor to the development of the Israeli Defense Forces a rather breathtaking sweep in which hardly a word is wasted The American Political Science Review Allon seeks to explain in concise format the development of Israel s military doctrines of defense The author was former Palmach commander one of the architects of the IDF and a commander of various military units and on several battlefronts during Israel s War of Independence Middle East Journal The development of Israel s armed forces and military doctrine in the context of that country s unique strategic needs Especially interesting are the criticisms of some of the Israeli government s decisions taken just before and during the Six Day War Foreign Affairs A n account authoritative in content modest in tone of the growth and character of the Israeli army by one of its principal creators and leaders International Affairs Allon gives a short historical and technical account of the evolution of an Israeli fighting capability over the past 70 years The exploits of this army are significant and should be analyzed No less interesting are the book s descriptions of individual actions by participants in the first and second of Israel s wars The value of the book stems partly from a continuity of perspective on Israel s strategic problems from 1948 to August 1969 a useful book Military Affairs

A History of the Israeli Army: 1874 to the Present Ze'ev Schiff,2024-05-23 It is virtually impossible to understand Israel or the Middle East without understanding Israel s military history and its security needs There are many books that attempt to provide such a history but Ze ev Schiff s concise History of the Israeli Army is unquestionably the most successful he writes with great objectivity and probes issues that most Israeli military writers prefer to dodge Mr Schiff s ability to come to grips with the fact that both Israel and the Arab states bordering it used tactics the other side regards as terrorism and continue to use them is matched by his skill in summarizing the causes course and outcome of the large scale Arab Israeli conflicts in 1956 1967 and 1973 and the war of attrition in

1969 70 Mr Schiff provides an excellent summary of the political and military forces that shaped Israel's behavior in each war. He neither justifies nor excuses Israel's behavior and he does not justify or excuse Israel's motives and goals; he is content to explain them. He also explains the factors that shaped Arab behavior and gives the causes of Arab defeats without editorializing. Mr Schiff avoids technical issues, tactics, and the details of battles; he focuses on the main flow of events. He provides a short history of the major events shaping Israel's military forces and strategy before and during each war. His descriptions of military events flow naturally out of his accounts of political motives and strategy. His chapter on doctrine ties together the histories of the different conflicts and it should be read by anyone who feels Israel somehow has caused most of its wars. His chapter on the 1982 war in Lebanon is the most incisive reporting yet done on that event, a model of how good defense reporting can be when it looks beyond the day-to-day flow of events and searches out the underlying pattern of military conflict and its causes. Mr Schiff presents the war as one in which Mr Sharon, then Israel's Minister of Defense, snatched defeat from the jaws of victory. Mr Schiff's treatment of Mr Sharon and the PLO's high command is devastating; it adds up to one of the best arguments against violence as a solution to the problems of the Middle East ever written. In short, Mr Schiff has written a history that any historian or political or military analyst must envy. *The New York Times*. A story concisely and clearly told. Schiff's ability to deal with Israeli military matters accurately and analytically is in evidence as usual. This is a good introduction to the subject and well written. *Middle East Journal*. If one does not have a basic book on the Israeli Army, this is one of the best. *Military Affairs*. *Professional Journal of the United States Army*, 1974

Part-Time Soldiers Andrew Lewis Chadwick, 2023-11-24. In *Part-Time Soldiers*, Andrew Lewis Chadwick offers the first in-depth historical study of the development and evolution of modern army reserve forces. In doing so, he explores how a confluence of military, political, and socioeconomic developments since the First World War has forced armies preparing for major war to increase their dependence on reservists: part-time soldiers who reinforce or augment professionals or conscripts in wartime for critical and routine military tasks. At the same time, he shows how these developments placed tremendous stress on the industrial-era reserve policies and structures that armies continue to use today. For example, reservists training for less than thirty days a year have struggled to keep up with the increasingly high-skilled character of modern warfare, as evidenced by the poor performance of reservists in the world wars and most recently the ongoing Russia-Ukraine War. Chadwick primarily examines these developments in the cases of the US Army National Guard and the Israel Defense Forces (IDF) Army Reserve, given that unique geopolitical conditions have forced the United States and Israel to frequently employ reservists in combat over the past century. These cases, which Chadwick explores using archival and secondary sources, reveal how armies using two different reserve models—the former built around volunteers and the latter around discharged conscripts—have attempted to mitigate the challenge of maintaining combat-ready reservists in the era of high-tech and high-skilled warfare. By doing so, Chadwick identifies an enduring and often overlooked problem facing contemporary defense policymaking: how does one

build and maintain effective army reserve forces at an affordable cost without causing undue stress on reservists civilian lives

Military Industry and Regional Defense Policy Timothy D. Hoyt, 2017-07-05 *Military Industry and Regional Defense Policy* re examines military industrialization in the developing world focusing on policy making in producer states and the impact of security perceptions on such policy making Timothy D Hoyt reassesses the role of regional state sub systems in international relations and recent historical studies of international technology and arms transfers Looking at Israel Iraq and India the three most powerful regional powers in the Cold War era he presents an expert analysis of the three sided phenomena of the regional hegemony the regional competitor and the small over achiever This new book breaks away from existing literature on military industries in the developing world which has focused on their economic and development costs and benefits These past studies have used primitive methodologies that focus on the production of complete weapons systems a misleading gauge in a world of growing international defense cooperation They have also ignored empirical evidence of the impact of local military industrial production on Cold War regional conflict and of the defence planning and concerns that drove development of indigenous military industries in key regional powers This new text delivers an incisive new perspective

Israeli Soldier vs Syrian Soldier David Campbell, 2016-06-16 Israel seized the strategically critical Golan Heights from Syria during the 1967 Six Day War in an audacious and determined operation yet when the Yom Kippur War broke out the Israeli military were exposed by the effectiveness of the newly confident and dangerous Syrian army In the Golan only luck herculean Israeli efforts and tactical misjudgements by the Syrians were to allow the Israelis to maintain control In this book three pivotal encounters in the Golan are assessed supported by artwork maps and photographs tracking how both sides forces evolved over the period

Government and Politics of the Middle East and North Africa Sean Yom, 2019-10-30 The latest edition of this renowned textbook explores the states and regimes of the Middle East and North Africa Presenting heavily revised fully updated chapters contributed by the world's leading experts it analyzes the historical trajectory political institutions economic development and foreign policies of the region's nearly two dozen countries The volume can be used in conjunction with its sister volume *The Societies of the Middle East and North Africa* for a comprehensive overview of the region Chapters are organized and structured identically giving insightful windows into the nuances of each country's domestic politics and foreign relations Data tables and extensive annotated bibliographies orient readers towards further research Whether used in conjunction with its sister volume or on its own this book provides the most comprehensive and detailed overview of the region's varied politics Five new experts cover the critical country cases of Turkey Lebanon Jordan Saudi Arabia and Iran All chapters cover the latest events including trends that have remarkably changed in just a few years like the gradual end of the Syrian civil war As such this textbook is invaluable to students of Middle Eastern politics The ninth edition brings substantial changes All chapters also have a uniform streamlined structure that explores the historical context social and economic environment political institutions regime dynamics and foreign policy

of each country Fact boxes and political maps are now far more extensive and photographs and images also help illustrate key points Annotated bibliographies are vastly expanded providing nothing short of the best list of research references for each country Blitzkrieg to Desert Storm Robert M. Citino, 2022-05-25 When Germany launched its blitzkrieg invasion of France in 1940 it forever changed the way the world waged war Although the Wehrmacht ultimately succumbed to superior Allied firepower in a two front war its stunning operational achievement left a lasting impression on military commanders throughout the world even if their own operations were rarely executed as effectively Robert Citino analyzes military campaigns from the second half of the twentieth century to further demonstrate the difficulty of achieving decisive results at the operational level Offering detailed operational analyses of actual campaigns Citino describes how UN forces in Korea enjoyed technological and air superiority but found the enemy unbeatable provides analyses of Israeli operational victories in successive wars until the Arab states finally grasped the realities of operational level warfare in 1973 and tells how the Vietnam debacle continued to shape U S doctrine in surprising ways Looking beyond major power conflicts he also reveals the lessons of India s blitzkrieg like drive into Pakistan in 1971 and of the senseless bloodletting of the Iran Iraq War Citino especially considers the evolution of U S doctrine and assesses the success of Desert Storm in dismantling an entrenched defending force with virtually no friendly casualties He also provides one of the first scholarly analyses of Operation Iraqi Freedom showing that its plan was curiously divorced from the realities of military history grounded instead on nebulous theories about expected enemy behavior Throughout Citino points to the importance of mobility especially mobilized armor in modern operational warfare and assesses the respective roles of firepower training doctrine and command and control mechanisms Brimming with new insights Citino s study shows why technical superiority is no guarantee of victory and why a thorough grounding in the history of past campaigns is essential to anyone who wishes to understand modern warfare Blitzkrieg to Desert Storm provides that grounding as it addresses the future of operational level warfare in the post 9 11 era

The Greenhill Dictionary of Military Quotations Peter G. Tsouras, 2020-05-18 A massive and valuable collection of quotes about war from soldiers commanders strategists and others The Spectator This volume brings four thousand years of military history to life through the words of more than eight hundred diverse personalities Napoleon Machiavelli Ataturk Che Guevara Rommel Julius Caesar Wellington Xenophon Crazy Horse Wallenstein T E Lawrence Saladin Zhukov Eisenhower and many more to build a comprehensive picture of war across the ages Broken down into more than 480 categories including courage danger failure leadership luck military intelligence tactics training guerrilla warfare and victory this definitive guide draws on the collected wisdom of those who have experienced war at every level From the brutality and suffering of war to the courage and camaraderie of soldiers to the glory and exhilaration of battle these quotes offer an insight into the turbulent history of warfare and the lives and deeds of great warriors A massive compilation casting light not only upon the pain suffering and sheer insanity of war but also upon the unique comradeship and exhilaration of battle this is a valuable addition

to the literature of reference The Spectator

The Making Of Israels Army Introduction

The Making Of Israels Army Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. The Making Of Israels Army Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. The Making Of Israels Army : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for The Making Of Israels Army : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks The Making Of Israels Army Offers a diverse range of free eBooks across various genres. The Making Of Israels Army Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. The Making Of Israels Army Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific The Making Of Israels Army, especially related to The Making Of Israels Army, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to The Making Of Israels Army, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some The Making Of Israels Army books or magazines might include. Look for these in online stores or libraries. Remember that while The Making Of Israels Army, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow The Making Of Israels Army eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The Making Of Israels Army full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Making Of Israels Army eBooks, including some popular titles.

FAQs About The Making Of Israels Army Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Making Of Israels Army is one of the best book in our library for free trial. We provide copy of The Making Of Israels Army in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Making Of Israels Army. Where to download The Making Of Israels Army online for free? Are you looking for The Making Of Israels Army PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another The Making Of Israels Army. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of The Making Of Israels Army are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with The Making Of Israels Army. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with The Making Of Israels Army To get started finding The Making Of Israels Army, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with The Making Of Israels Army So depending on what exactly you are searching, you will be able

tochoose ebook to suit your own need. Thank you for reading The Making Of Israels Army. Maybe you have knowledge that, people have search numerous times for their favorite readings like this The Making Of Israels Army, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. The Making Of Israels Army is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, The Making Of Israels Army is universally compatible with any devices to read.
