The Man And Woman Relationship A New Center For The Universe:

The Man and Woman Relationship Christopher Alan Anderson, 2012-09-25 A philosophical accounting of the man and woman relationship with its metaphysical epistemological and ethical aspects required to form an understanding of the world in which we live This structuring or rooting of each man or woman in his or her own universal man and woman relationship will bring forth a consciousness of that other part or sexed half so that one may know and experience a connection with their sexual other at each moment throughout one's life

The Man and Woman Manifesto Christopher Alan Anderson, 2017-05-04 In The Man and Woman Manifesto What We Believe the author gives an accounting of what this paradigm shift into man and woman balance is about both individually and for the world at large We are at a turning point in the conscious evolution of mankind on planet earth We all feel the change and turbulence although we are not sure of which way to turn We are being offered an empty sexual progressivism through L G B T Q as well as an existential threat in Islamic radicalism In the meantime our own Constitutional system of governance with its Christian roots seems to comprise a history what is the way forward These are not easy questions This is not an easy book But if you can capture its essence your life will forevermore have purpose This writing will forevermore change your life as well as the world at large Keywords Metaphysics Spiritual Sexual Love Man Woman Balance Freedom Life Eternal

Illumination Christopher Alan Anderson, 2012-09-13 A metaphysical account as well as the author's own experience of illumination This writing is a step into the light of a procreative metaphysics as well as being the author's most autobiographical statement The Man and Woman Spiritual Center is only expressed in an actual touch between a man and a woman It cannot be expressed in any other way That touch may range from a momentary conscious recognition to a full embrace but a touch one to another it is The Spiritual Center is not expressed through belief pledge worship ritual or the paying of alms It is not something that can be institutionalized dogmatized or ratified There isn't any prescribed path to take master to follow or status to attain for its expression There is only a man and a woman touching and expressing creation together Illumination Author Bio Christopher Alan Anderson 1950 received the basis of his education from the University of Science and Philosophy Swannanoa Waynesboro Virginia He resides in the transcendental romantic tradition that vein of spiritual creativity of the philosopher and poet His quest has been to define and express an eternal romantic reality from which a man and a woman could together stand in their difference and create a living universe of procreative love Mr Anderson began these writings in 1971 The first writings were published in 1985 On a personal note when Mr Anderson was asked to describe the writings and what he felt their message was he responded Spiritual procreation Mankind has yet to distinguish the two sexes on the spiritual level In this failure lies the root of our problems and why we cannot yet touch the eternal together The message of man and woman balance brings each of us together in love with our eternal other half right now keywords Illumination Procreation Metaphysics Spirit Sexual Touch Male And Female Consciousness

The Metaphysics of Sex ...in a Changing World! Christopher Alan

Anderson,2014-07-16 Is sex metaphysical This is to say does it have a purpose and a nature that is encoded in the very construct of the universe These are the questions the author takes up in this day and age where most everything is up for grabs This writing is not without an examination of sensitive issues and explicit terms Think of it as a third way if you will It resides between the fixed identity of our declining religions and the fluid identity of the emerging L G B T Q movement In that it presents to us all another choice In the end it is about a construct for sexual balance that any reader can understand and use as a guide for his or her life Keywords Metaphysics Sex Relationship Procreation Soul Life Birth Love Desire Healing

The Case Against Man and Woman - Screenplay Christopher Alan Anderson,2014-10-09 The author s original screenplay on the battle of ideas the war of world views and a philosophy on trial What will be your verdict concerning The Case Against Man and Woman we have never been able to touch the eternal for we have never understood that we can only touch it though each other A man touches the eternal in a woman when he gives his life to her That is what the sexual embrace is for a man he is giving his whole life over to woman A woman in receiving that touch unites with it and in turn gives her life to him in the next rebirth of life You see the great discovery of our times is that the procreant and the eternal are one Urge urge always the procreant urge of the world as Walt Whitman says in his Leaves of Grass But let us not make the mistake of seeing this procreant process as only physical It is metaphysical It is happening right now Feel it Feel your other half with you right now Touch him or her with your heart and never ever let them go The challenge of our lives is to stand on this procreant love now and forever Keywords Procreant Balance Love Man Woman Two Forces Eternal Metaphysical Philosophy Sex
