Some of these man hunters wrote about their adventures and were written about in turn Garrett s account of his hunt for Billy the Kid remains a best seller for example and both Reeves and Hughes have been credited for inspiring the Lone Ranger of TV and movie fame DeArment discusses constant threats to the man hunters survival the federal government s undependable presence and extralegal violence as major themes in western law enforcement In recounting these eight men s adventures this volume reveals the forces that made brutality seem commonplace **The Superhero Book** Gina
