The Many Tongues Of Literacy:

The Many Tongues of Literacy Ray B. Browne, 1992-06 Statistics indicate that more than half the population of America is illiterate or subliterate in the conventional sense but very literate in other media such as television sports and leisure time activities But statistics can lie or tell only half a fact Since the languages of literacy are constantly expanding and developing it is time that American educators and the public in general reexamine their definitions of literacy and the media in which we need to be literate Therefore educators must redefine literacy if they are to be realistic about its sources uses and values The need is vital to a developing world

The Palgrave Handbook of Minority Languages and Communities Gabrielle Hogan-Brun, Bernadette O'Rourke, 2018-12-11 This Handbook is an in depth appraisal of the field of minority languages and communities today It presents a wide ranging coherent picture of the main topics with key contributions from international specialists in sociolinguistics policy studies sociology anthropology and law Individual chapters are grouped together in themes covering regional non territorial and migratory language settings across the world It is the essential reference work for specialist researchers scholars in ancillary disciplines research and coursework students public agencies and anyone interested in language diversity multilingualism and migration

The Languages of Africa and the Diaspora Jo Anne Kleifgen, George C. Bond, 2009 This book takes a fresh look at subordinated vernacular languages in the context of African Caribbean and US educational landscapes highlighting the social cost of linguistic exceptionalism for speakers of these languages Chapters describe contravening movements toward various forms of linguistic diversity and offer a comprehensive approach to language awareness in educative settings
