

THE MAKING OF MODERN JAPAN

MARIUS B. JANSSEN

The Making Of Modern Japan A Reader

Takao Matsumura, John Benson

The Making Of Modern Japan A Reader:

The Making of Modern Japan Marius B. Jansen, 2009-07-01 Magisterial in vision sweeping in scope this monumental work presents a seamless account of Japanese society during the modern era from 1600 to the present A distillation of more than fifty years engagement with Japan and its history it is the crowning work of our leading interpreter of the modern Japanese experience Since 1600 Japan has undergone three periods of wrenching social and institutional change following the imposition of hegemonic order on feudal society by the Tokugawa shogun the opening of Japan's ports by Commodore Perry and defeat in World War II *The Making of Modern Japan* charts these changes the social engineering begun with the founding of the shogunate in 1600 the emergence of village and castle towns with consumer populations and the diffusion of samurai values in the culture Marius Jansen covers the making of the modern state the adaptation of Western models growing international trade the broadening opportunity in Japanese society with industrialization and the postwar occupation reforms imposed by General MacArthur Throughout the book gives voice to the individuals and views that have shaped the actions and beliefs of the Japanese with writers artists and thinkers as well as political leaders given their due The story this book tells though marked by profound changes is also one of remarkable consistency in which continuities outweigh upheavals in the development of society and successive waves of outside influence have only served to strengthen a sense of what is unique and native to Japanese experience *The Making of Modern Japan* takes us to the core of this experience as it illuminates one of the contemporary world's most compelling transformations

The Making of Modern Japan Tim Megarry, 1995 The overall series has been devised to offer a solution to many of the problems students encounter in accessing set course texts and it is hoped the anthologies will alleviate both pressure on library resources as well as ensuring higher levels of course completion All volumes benefit from introductory essays and appropriate linking passages and full textual references are included where available

The Making of Modern Japan Kenneth B. Pyle, 1996 Analyzing the dynamics of historical change the text discusses the major forces in Japan's development from 1600 to the present day including samurai officialdom industrialization militarism and social values

Making and Unmaking Modern Japan Ritu Vij, 2016-04-12 The papers assembled here share the dual conviction that 1 understanding the lineaments of Japanese modernity entails an appreciation of the specific forms of distinctions discriminations and exclusions constitutive of it 2 that the socio economic political fractures increasingly visible under conditions of late modernity reveal the precarious nature of the making of modernity in Japan Bringing together a group of critical intellectuals mostly based in Japan with long standing political commitments to groups emblematic of modern Japan's constitutive minorities migrants foreigners victims of the Fukushima disaster welfare recipients among others this collection of essays aims to draw attention to processes of making and unmaking that constellate Japanese modernity Unlike previous attempts however devoted to destabilizing positivist culturalist approaches to a post war miracle Japan via a critical post structural theoretical vocabulary and episteme

the essays gathered here aim principally to examine traces of the making of modern Japan in the fissures and displacements visible at sites of modernity's unmaking. Deploying a range of theoretical approaches rather than a commitment to any single framework, the essays that follow aim to locate contemporary Japan and the ravages of its modernity within a wider critical discourse of modernity.

Kita Ikki and the Making of Modern Japan Brij Tankha, 2021-11-22 This important new study of Kita Ikki, one of Japan's influential pre-war ideologues, focuses on the twin poles of nationalism and socialism that inform his three principal works, located always in the context of the dominance of Western imperialism at that time. The three works are *The National Polity and Pure Socialism* (*Kokutairon oyobi junsei shakai shugi*), in which he explores the nature of the modern Japanese state and its characteristics; *The Unofficial History of the Chinese Revolution* (*Shina kakumei gaishi*), written to correct what he perceived as Japan's misguided policy towards China; and *The Fundamental Principles for the Reorganization of Japan* (*Nihon kaizo hoan taiko*), which was said to have influenced the young army officers of the Imperial Way Faction who attempted the 26 February 1936 coup to bring about direct imperial rule. The coup failed and Kita was executed the following year for his involvement as the so-called intellectual inspiration. The second half of the book contains the first complete English translation by Brij Tankha of *The Fundamental Principles for the Reorganization of Japan*, providing the reader with an opportunity to hear the voice of an early twentieth-century Japanese intellectual confronting the challenge of the West's domination and its implications for Japan. In so doing, Kita helped galvanize support for an agenda involving Japan's own imperial mission and the pathway to a new Japan.

Japan in the 21st Century Pradyumna Karan, 2010-09-12 The ancient civilization of Japan, with its Shinto shrines and Buddhist temples, is also closely associated with all that is new and modern. Looking outward, Japan sees what it has become since Hiroshima: the world's second largest economy, a source of fury and wonder, a power without arms. Looking inward, Japan sees old ways shaken and new ones developing at a hectic pace. Japan in the Twenty-first Century offers compelling insights into the current realities of the country and investigates the crucial political, economic, demographic, and environmental challenges that face the nation. A combination of text, maps, and photographs provides an essential understanding of Japan's geography, cultural heritage, demography, economic and political development, and of many other important issues. Pradyumna P. Karan explores the obstacles and opportunities that will shape Japan and affect the world community in the coming years. He highlights strategies and policies that will facilitate economic and political change and stimulate the development of effective institutions for long-term sustainable prosperity and economic vitality. Unique field reports drawn from direct observations of events and places in Japan illuminate Japanese traditions and sensibilities. The first full-length English language textbook on Japan's geography, culture, politics, and economy to appear in nearly four decades, *Japan in the Twenty-first Century* will be a vital resource for researchers, academics, general readers, and students of Japan. Pradyumna P. Karan, professor of geography and Japan studies at the University of Kentucky, is the author or editor of numerous books on Asian geography and culture, including *The Japanese City* and *Japan in the*

Bluegrass **Reading Colonial Japan** Michele M Mason, Helen J.S. Lee, 2012-03-28 An exceptional achievement and a truly important addition to cultural studies Asian studies history and the study of colonialism postcolonialism Sabine Fr hst ck Professor of Modern Japanese Cultural Studies University of California Santa Barbara By any measure Japan s modern empire was formidable The only major non western colonial power in the twentieth century Japan controlled a vast area of Asia and numerous archipelagos in the Pacific Ocean The massive extraction of resources and extensive cultural assimilation policies radically impacted the lives of millions of Asians and Micronesians and the political economic and cultural ramifications of this era are still felt today During this period from 1869 1945 how was the Japanese imperial project understood imagined and lived Reading Colonial Japan is a unique anthology that aims to deepen knowledge of Japanese colonialism s by providing an eclectic selection of translated Japanese primary sources and analytical essays that illuminate Japan s many and varied colonial projects The primary documents highlight how central cultural production and dissemination were to the colonial effort while accentuating the myriad ways colonialism permeated every facet of life The variety of genres explored includes legal documents children s literature cookbooks serialized comics and literary texts by well known authors of the time These cultural works produced by a broad spectrum of ordinary Japanese citizens a housewife in Manchuria settlers in Korea manga artists and fiction writers in mainland Japan and so on functioned effectively to reinforce the official policies that controlled and violated the lives of the colonized throughout Japan s empire By making available and analyzing a wide range of sources that represent media during the Japanese colonial period Reading Colonial Japan draws attention to the powerful role that language and imagination played in producing the material realities of Japanese colonialism Rethinking the World Jeffrey Legro, 2005 Stunning shifts in the worldviews of states mark the modern history of international affairs how do societies think about and rethink international order and security Japan s opening German conquest American internationalism Maoist independence and Gorbachev s new thinking molded international conflict and cooperation in their eras How do we explain such momentous changes in foreign policy and in other cases their equally surprising absence The nature of strategic ideas Jeffrey W Legro argues played a critical and overlooked role in these transformations Big changes in foreign policies are rare because it is difficult for individuals to overcome the inertia of entrenched national mentalities Doing so depends on a particular nexus of policy expectations national experience and ready replacement ideas In a sweeping comparative history Legro explores the sources of strategy in the United States and Germany before and after the world wars in Tokugawa Japan and in the Soviet Union He charts the likely future of American primacy and a rising China in the coming century Rethinking the World tells us when and why we can expect changes in the way states think about the world why some ideas win out over others and why some leaders succeed while others fail in redirecting grand strategy **Japan 1868-1945** Takao Matsumura, John Benson, 2014-09-25 The history of Imperial Japan from the Meiji Restoration through to defeat and occupation at the end of the Second World War is

central to any understanding of the way in which modern Japan has developed and will continue to develop in the future This wide ranging accessible and up to date interpretation of Japanese history between 1868 and 1945 provides both a narrative and analysis Describing the major changes that took place in Japanese political economic and social life during this period it challenges widely held views about the uniqueness of Japanese history and the homogeneity of Japanese society

Re-reading the Salaryman in Japan Romit Dasgupta,2013 This book uses the figure of the salaryman to explore masculinity in Japan by examining the salaryman as a gendered construct and is one of the first to focus on the men within Japanese corporate culture through a gendered lens Not only does this add to the emerging literature on masculinity in Japan but given the important role Japanese corporate culture has played in Japan s emergence as an industrial power Romit Dasgupta s research offers a new way of looking both at Japanese business culture and more generally at important changes in Japanese society in recent years

The Making Of Modern Japan A Reader Book Review: Unveiling the Magic of Language

The Making Of Modern Japan A Reader Introduction

In today's digital age, the availability of *The Making Of Modern Japan A Reader* books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of *The Making Of Modern Japan A Reader* books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of *The Making Of Modern Japan A Reader* books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing *The Making Of Modern Japan A Reader* versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, *The Making Of Modern Japan A Reader* books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing *The Making Of Modern Japan A Reader* books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for *The Making Of Modern Japan A Reader* books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works

and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Making Of Modern Japan A Reader books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Making Of Modern Japan A Reader books and manuals for download and embark on your journey of knowledge?

FAQs About The Making Of Modern Japan A Reader Books

1. Where can I buy The Making Of Modern Japan A Reader books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
