The Making Of The Jewel In The Crown:

The Making of The Jewel in the Crown, 1983 [The Making of The Jewel in the Crown](#), 1983-01-01 *The Making of The Jewel in the Crown* Paul Scott, 1983 Discusses the production filming and cast of PBS television's Masterpiece Theater production of *The Jewel in the Crown* a fourteen week series based on Paul Scott's Raj Quartet novels focusing on the tumultuous history of India between 1942 and 1947 [The Jewel in the Crown](#) Paul Scott, 2022-12-22 The first novel in the epic quartet about the last days of British rule in India as much a story of romantic love as it is of crime an artful triumph *The New Yorker* *The Jewel in the Crown* is the first of Paul Scott's renowned historical novels that limn the Anglo Indian world with its lovers friends family servants soldiers businessmen murderers and suicides all involved in one another's fate *The New York Times* It opens in 1942 as the British fear both Japanese invasion and Indian demands for independence On the night after the Indian Congress Party votes to support Gandhi riots break out and an ambitious police sergeant arrests a young Indian for the alleged rape of the woman they both love What has always astonished me about *The Raj Quartet* is its sense of sophisticated and total control of its gigantic scenario and highly varied characters The politics are handled with an expertise that intrigues and never bores and are always seen in terms of individuals *New Republic* Paul Scott's vision is both precise and painterly *The New York Times Book Review* Few people have written about India quite as seductively or as intelligently with a sense of loss but also a sense of responsibility and fallibility *Kirkus Reviews* starred review [Some Joe You Don't Know](#) Anthony Slide, 1996-01-23 Americans have been watching and enjoying British television programming since the mid 1950s but the information on the personalities involved is difficult if not impossible to find in the United States This guide provides biographical essays complete with bibliographies on 100 of the best known and loved actors and actresses from Richard Greene Robin Hood and William Russell Sir Lancelot in the 1950s through stars of Masterpiece Theatre including Robin Ellis and Jean Marsh to the new generation of British comedy performers such as Alexei Sayle and Jennifer Saunders Not only are serious dramatic actors and actresses such as Joan Hickson and Roy Marsden to be found here but also the great comedy stars including Benny Hill and John Inman Among the many shows discussed in the text are *Absolutely Fabulous* *You Being Served* *Dad's Army* *Doctor Who* *Fawlty Towers* *The Good Life* *The Jewel in the Crown* *Poldark* *Rumpole of the Bailey* *Upstairs Downstairs* and *Yes Minister* The guide offers not only factual information but also samplings of contemporary critical commentary and in depth interviews with Terence Alexander Richard Briers Benny Hill Wendy Richard Prunella Scales and Moray Watson This is a reference source that also serves as fascinating entree into the wonderful world of British television one that is as fun to browse as it is to use for factual documentation *British Television Drama in the 1980s* George W. Brandt, 1993-09-24 On British television drama in the 1980's **Shades of Empire in Colonial and Post-Colonial Literatures**, 2021-11-01 The scope of the articles in *Shades of Empire in Colonial and Post Colonial Literatures* which are arranged in a broad sweep from East to West with four short papers nestled in the middle on the theme

of colonialism and motherhood is extensive and varied But in one way or another they all reflect the growing importance of literatures and cultures that might once have been regarded as marginal During the colonial period the literature of the centre took possession of the margin as well as of the imagination of the margin But only recently has the question been raised as to why traditional English literary history has paid so little attention to colonial literature Now post colonial literatures are writing themselves back into the centre and what used to be the margins of the English language world have now set themselves up as rival centres An interesting question to arise from this is whether in the process the former colonial or colonizing literature has now itself turned into a post colonial literature What this book affirms is the importance and interest of a wide variety of literatures sharing a language but reflecting a rich and provocative diversity of histories experiences and attitudes to the shared world which still also divides us
