up with story ideas I want one slim forgotten fact From there a man can go anywhere In one old volume for instance I discovered that there was such a thing as a schoolmaster aboard Nelson s ships When did this occur The Napoleonic Wars Drawing on this single obscure discovery Hubbard delved deeper into the history and let his remarkable imagination do the rest Complete after a few days of search I had my Mister Tidwell Gunner Also includes the sea adventures The Drowned City the story of two deep sea divers who set out in search of a long lost treasure only to find that the waters are full of treacherous currents and even more treacherous men and Submarine in which a young sailor on leave enjoys a quiet interlude with his girlfriend only to have it interrupted by a call to duty and danger
