Clarie, 1984 English language books published or reissued between 1976 1981 Arranged alphabetically by authors Asterisks indicate excellence Author title and subject indexes **Access** , 1982 Screen Priests Peter Malone, 2019-08-19 There is never a shortage of priest characters on our screens Even Spencer Tracy Bing Crosby and Barry Fitzgerald won Oscars for playing priests Robert de Niro has been ordained four times including a bishop Many stars have been eager to play priests as have numerous supporting actors The question arises how have been priests portrayed over the decades There have been kindly priests with their advice stern priests who laid down the law heroic priests on mission in more recent years priests who have been abusers And there have been priests who were part of the scenery especially at funerals This is something of a comprehensive look at priests on screen looking at portrayals from the late 19th century over the decades for 120 years The films considered are mainly English language but quite there are a number from other cultures The book offers some Church background and developments the range of films a highlighting of a key film representing each decade It also has separate chapters on Irish priests Australian priests exorcism priests and a chapter on films and abuse There also Appendices on historical films saint priests and popes While one could read the book from cover to cover it is mainly a book for reference

There are some detailed appreciations There are some shorter considerations Not everyone can see every film not for want of trying There are Indexes for exploring film titles directors and actors who have played priests Screen Priests is a fascinating historical look at films about Roman Catholic priests from the first until Martin Scorseses 2016 religious and cinematic masterpiece Silence With the scope spanning decades and the breadth embracing films mostly from the United States Britain Ireland Canada and Australia the researcher will find a treasure trove and the film aficionado will relish Peter Malones encyclopedia knowledge and sometimes trivia of the world of priests on the silver screen
