Legendary Locals of Carmel-by-the-Sea Lisa Crawford Watson, 2015-07-06 A place whose history has long been a source of fable and fascination Carmel by the Sea is a community whose ancestors summered by the sea and ultimately stayed through the seasons After founders Frank Powers and Frank Devendorf populated the once barren potato patches with artists and academicians it became a place defined as much by legends and landscape as by the characters who came to Carmel Whether it is the clear light that attracted photographers Edward Weston Ansel Adams Doug

The Direction of Desire Mark Gerard Murphy, 2023-09-25 This book examines Lacanian psychoanalysis and Christian mystical theology demonstrating the former's potential for

reinvigorating spiritual direction The author outlines how current methods of spiritual direction become saturated with self help psycho pop methodologies and that desire has therefore been foreclosed in these practices He suggests that the root of this is a focus on positive affective experientialism which means spiritual direction must focus on emotional wholeness healing and positivity Finally he argues that a new dialogue between John of the Cross a mystic whose writings on spiritual direction formulate part of the core of the Catholic spiritual tradition and Jacques Lacan can open the way for a spiritual direction beyond the confines of experientialism The book concludes that we can only escape the experiential commodification of spiritual direction by critiquing the drive to experience in and of itself This novel work will appeal in particular to students and scholars of psychoanalysis religion philosophy and critical theory *Eldad the pilgrim; a sketch of the manners and customs of the Jews, in the century which preceded the advent of our Saviour* Eldad (fict.name.),1855
