**Everyday Sketching and Drawing** Steven B. Reddy, 2018-04-19 Everyday Sketching and Drawing offers an easy to follow 5 step formula which teaches beginner friendly techniques for learning the skills necessary to make drawing and sketching an everyday habit For those who have always wanted to or tried and failed to learn to draw it provides simple step by step instruction plus easy to follow practice exercises and provides the motivation and inspiration readers need to be successful For those who already draw Everyday Sketching and Drawing offers another technique to add to their drawing arsenal Why do so many adults come to view drawing as difficult or fraught with anxiety Traditional art instruction is often bogged down with jargon rules and admonishments that unintentionally stifle the joy of drawing for its own sake Steven Reddy's new and easy approach to drawing instructs sketchers to document their unique and compelling lives in realistic yet playful sketches that record the places spaces and objects that help define them as individuals He reminds artists to slow down notice and attend to the sketch worthy scenes and subjects that are unstaged and always there in our everyday lives He offers a versatile technique that can lead to a skill that fills sketchbooks with the visual details that differentiate one life from another This approach is a meditative relaxing alternative to academic concerns about perspective proportion and accuracy Reddy encourages artists to capture in whimsical but detail specific illustrations their unique subjective interpretation of their visual surroundings Steven Reddy's drawing method produces extremely detailed and realistic scenes of objects and scenes in everyday life in a relatively short period of time 60 minutes to 3 hours or more depending on the sketcher's preference Modifying a technique utilized by Old Master oil painters the drawings pass through 5 clearly articulated stages where each step focuses on one visual concept at a time
