***The Art of Blessing the Day*** Marge Piercy, 2013-08-07 A prize winning collection of old and new poems that celebrate the Jewish experience about which the poet Lyn Lifshin writes An exquisite book The whole collection is strong passionate and poignant but the mother and daughter poems fierce and emotional with their intense ambivalence pain and joy themes of separation and reconnecting are among the very strongest about that difficult relationship Lifshin continues These striking original beautifully sensuous poems do just that Ordinary moments a sunset a walk a private religious ritual are so alive in poems like Shabbat moment and Rosh Hodesh In the same way that she celebrates ordinary moments small things become charged with memories and feelings paper snowflakes buttons one bird a bottle cap flower made from a ginger ale top and crystal beads She celebrates the body in rollicking gusto filled poems like Belly good and The chuppah where our bodies open their portals wide So much that is richly sensuous hands that caressed you untied the knot of pleasure and loosened your flesh till it fluttered and lush praise for life in our spines our throats our knees our genitals our brains our tongues I love the humor in poems like Eat fruit the nostalgia and joy in The rabbi's granddaughter and the Christmas tree the fresh beautiful images of nature In winter the sun hangs its wizened rosehip in the oaks I admire Piercy's sense of the past alive in

the present in personal and social history The poems are memorials like the yahrtzeit candle in a glass We lose and we go on losing but the poems are never far from harsh joy the joy that is the wine of life Growing up haunted by Holocaust ghosts is an echo throughout the book and some of the strongest poems are about the Holocaust poems that become the voices of those who had no voice What you carry in your blood is us the books we did not write music we could not make a world gone from gristle to smoke only as real now as words can make it Marge Piercy's words make such a moving variety of experiences beautifully and forcefully real Made in Detroit Marge Piercy, 2017-11-07 Now in paperback a collection to treasure from one of our most popular poets poems that range from the Detroit of her childhood to her current life on Cape Cod from deep appreciations of the natural world to elegies for lost friends and fellow poets In her trademark style combining the sublime with gritty reality Marge Piercy describes the night she was born the sky burned red over Detroit and sirens sharpened their knives The elms made tents of solace over grimy streets and alley cats purred me to sleep She writes in graphic unflinching language about the poor banished now by politicians no longer real people like corporations There are elegies for her peer group of poets gone now whose work she cherishes but from whom she cannot help but want more There are laments for the suicide of dolphins and for her beloved cats as she remembers exactly how I loved each She continues to celebrate Jewish holidays in compellingly original ways and sings the praises of her marriage and the small pleasures of life A stunning collection in the best Piercy tradition
