Poisoned Pin: A Cozy Mystery Laney Monday, 2019-08-17 Former Olympian and Arizona native Brenna Battle's crazy dream of running her very own judo school for kids in tiny historic Bonney Bay isn't exactly off to a great start. She has a grand total of one student signed up, but she's determined to succeed even if it means going door-to-door. Brenna's search for judo recruits takes her inside the infamous haunted Reiner House where she befriends a confused old man named Harvey and finds herself at the scene of the second murder since her arrival in Bonney Bay. Brenna butts heads with Will Riggins, AKA Officer Dimples, when the poisoning of Derek Thompson is pinned on his uncle, Harvey Thompson. Harvey claims the ghosts of Reiner House are responsible. Brenna, busy battling the ghosts of her past failures and heartaches as she tries to get her business off the ground, is determined to prove there's an earthly explanation for Derek's murder. One that will set Harvey free, not only from jail but from the torment of the spirits inhabiting Reiner House.

Poisoned Pin is the second book in the Brenna Battle Cozy Mystery series. The series starts with *Taking the Fall*. ABOUT THE SERIES In this fast-paced fun cozy mystery series, Brenna, the proud new owner of the building that formerly housed Bonney Bay's lone recreational opportunity for kids, Little Swans Ballet, is ready to turn tutu-clad powder puffs into little warriors by opening a judo school for kids in its place. Olympian Brenna Battle once had the fire. Now she's just burned out and burned by love. She's ready to retire from competitive judo and pursue a new dream in a new town with her biggest supporter, her recently divorced little sister, Blythe.

A Spell in Provence Marie Laval, 2015-04-06 After losing her job in England, Amy Carter uses her redundancy payment to start a new life in France, turning Bellefontaine

an overgrown Provençal farmhouse into a successful hotel Though she has big plans for her new home none of them involves falling in love least of all with Fabien Coste the handsome but arrogant owner of the nearby chateau As romance blossoms in the beautiful Provençal countryside disturbing events at the farmhouse hint at a dark mystery a destructive centuries old attachment between the ladies of Bellefontaine and the ducs de Coste As Amy struggles to unravel the mystery she begins to wonder if it may not just be her heart at risk but her life too Larva Julián Ríos,2004 A striking reassessment of the Don Juan myth A literary tour de force this extraordinary novel is told in single minded pursuit of double meanings but it is serious play Larva is a rollicking account of a masquerade party in an abandoned mansion in London Milalías disguised as Don Juan searches for Babelle as Sleeping Beauty through a linguistic funhouse of puns and wordplay recalling Joyce's Finnegans Wake A mock scholarly commentary reveals the backgrounds of the masked revellers while Ríos allusive language shows that words too wear masks hiding an astonishing range of further meanings and implications Larva revives a Hispanic tradition repressed for centuries by introducing the English tradition of puns palindromes and acrostics a word puzzle in which certain letters in each line form a word or words and establishes Ríos as the most accomplished successor in any language to Joyce **The Marie Laveau Mystery Trilogy** Jewell Parker Rhodes,2012-11-20 Season In Season formerly titled Voodoo Season Jewell Parker Rhodes revisits the sensual magical landscape of her highly acclaimed debut novel Voodoo Dreams Moon In the second part of the New Orleans trilogy that began with Voodoo Season Rhodes takes on an ancient African vampire in today's Big Easy where thrilling chills await Hurricane In the stunning conclusion to award winning author Jewell Parker Rhodes's mystery trilogy Dr Marie Lavant descendent of Voodoo queen Marie Laveau must confront a murderous evil in New Orleans *The Struggle of Going Nowhere* Nanne Nyander,2023-01-02 The Struggle of Going Nowhere contains 111 poems and is the second book with poems from the path to Spiritual Awakening These poems should be understood with one's heart rather than one's mind They are not as dark and strange as they might sound if you listen with your heart The poems are sometimes written as a conversation between the small self and the big Self **Where Fires Rage** Sanjay C Kuttan,2021-08-16 Where Fires Rage is an anthology that reflects his consciousness of the world As a privileged witness to both the brutality and beauty that surrounds us he has sought to grapple with this paradox of human existence through these poems They are an honest and emotional record of his reactions Linguistic Turns, 1890-1950 Ken Hirschkop,2019-04-04 Linguistic Turns rewrites the intellectual and cultural history of early twentieth century Europe In chapters that study the work of Saussure Russell Wittgenstein Bakhtin Benjamin Cassirer Shklovskii the Russian Futurists Ogden and Richards Sorel Gramsci and others it shows how European intellectuals came to invest language with extraordinary force at a time when the social and political order of the continent was itself in question By examining linguistic turns in concert rather than in isolation the volume changes the way we see them no longer simply as moves in individual disciplines but as elements of a larger constellation held together by common concerns and anxieties In a series of

detailed readings the volume reveals how each linguistic turn invested language as such with powers that could redeem not just individual disciplines but Europe itself It shows how in the hands of different writers language becomes a model of social and political order a tool guaranteeing analytical precision a vehicle of dynamic change a storehouse of mythical collective energy a template for civil society and an image of justice itself By detailing the force linguistic turns attribute to language and the way in which they contrast language as such with actual language the volume dissects the investments made in words and sentences and the visions behind them The constellation of linguistic turns is explored as an intellectual event in its own right and as the pursuit of social theory by other means Seeing Sideways Kristin Hersh,2021-05-04 Doony Ryder Wyatt Bodhi The names of Kristin Hersh s sons are the only ones included in her new memoir Seeing Sideways As the book unfolds and her sons voices rise from its pages it becomes clear why these names tell the story of her life This story begins in 1990 when Hersh is the leader of the indie rock group Throwing Muses touring steadily and the mother of a young son Doony The chapters that follow reveal a woman and mother whose life and career grow and change with each of her sons the story of a custody battle for Doony is told alongside that of Hersh s struggles with her record company and the resulting PTSD the tale of breaking free from her record label stands in counterpoint to her recounting of her pregnancy with Ryder a period of writer s block coincides with the development of Wyatt as an artist and the family s loss of their home and finally soon after Bodhi s arrival Hersh and her boys face crises from which only strange angels can save them Punctuated with her own song lyrics Seeing Sideways is a memoir about a life strange enough to be fiction but so raw and moving that it can only be real

Beauty'S Way Lori Myles-Carullo,2011-08-26 Inspired by the Navajo traditions Beauty Way this book acts as an exposition on various vital aspects of life as well as how to uncover and create true beauty within them all Author Lori Myles Carullo struggled with chronic illness for many years and through the depth of her own healing journey developed a passion for sharing the wisdom she gained in the process The essence of beauty explored here is neither about personal appearance nor image but rather the rich lived experience of the heart awakening to love and letting go of fear Each one of us has a great capacity for radical honesty courage and transformation and often life provides us with exactly what we need to draw these forth in dramatic and powerful ways Whether our wake up calls occur through loss transition illness or relationship struggles we all have the choice to either contract or expand through our experiences creating therefore less or more beauty in our lives and the lives of others Beautys Way gifts you with practical suggestions through personal story and anecdote of how to bring more beauty to your existence and to the greater whole Each chapter ends with specific exercises that will assist you in gaining greater awareness into key parts of lifesome naturally thought of as good such as love and joy as well as other more challenging ones that we often do our best to distract ourselves from due to fear including pain and grief By offering our heartfelt compassion and love to it all a greater realization and manifestation of healing beauty is forever possible *Hegel: Lectures on the Philosophy of World History, Volume II* Peter C.
