

Slovakia And The Slovaks

Stanislav J. Kirschbaum

Slovakia And The Slovaks:

Slovakia and the Slovaks Joseph A. Mikuš, 1977 **The Encyclopaedia of Slovakia and the Slovaks** Tamara Archleb Gály, 2006 **Super Slovaks** Global Slovakia, 2021-07-11 This is a book about 48 Super Slovaks and their true stories of bravery and adventure creativity and skill And since there are no heroes without villains this book also represents two stories of not so super Slovaks Together they reveal a history of Slovakia Do You Know Which super Slovak was the last human on the moon Which super Slovak escaped a Nazi prison by jumping out of a window Which super Slovak built the first skyscraper in Asia Which super Slovak changed the course of the Second World War Find the answers And much more inside Super Slovaks *A History of Slovakia* Stanislav J. Kirschbaum, 2016-05-10 This classic book offers the most comprehensive and up to date history of Slovakia from its establishment on the Danubian Plain to the present While paying tribute to Slovakia's resilience and struggle for survival it describes contributions to European civilization in the Middle Ages the development of Slovak consciousness in response to Magyarization its struggle for autonomy in Czechoslovakia after the Treaty of Versailles its resistance as the first Slovak Republic to a Nazi controlled Europe its reaction to Communism and the path that led to the creation of the second Slovak Republic Now fully updated to the present day the book examines the vagaries of Slovak post Communist politics that led to Slovakia's membership in NATO and the European Union *Slovakia* Peter A. Toma, Dušan Kováč, 2001 From medieval times to the current day historical accounts of Slovakia and the Slovak people have often been either sketchy romanticized versions of a pastoral society or nationalistic exaggerated exaltations of the past Now Slovakia From Samo to Dzurinda at last offers a true history of the Slovak people without prejudice their struggle for national identity their aspirations for independence and economic development and their ambition to become a democratic state The product of painstaking research by the authors one a naturalized American from Slovakia and the other a Slovak historian this book is the definitive volume for readers in the English language who wish to acquire a more sophisticated understanding about past and present Slovakia From the seventh century empire of Samo the first Slav king to the present day struggle for democracy the authors detail all the region's significant history They examine the Slovaks Slavic ancestors and the emergence of a modern Slovak nation the postwar communist dictatorship and the Prague Spring the fall of socialism from the Velvet Revolution to the breakup of the Czechoslovak Federation and the ongoing process of trying to establish democratic institutions in today's independent Slovakia All readers regardless of their ethnic origin or political persuasion will find that this factual and scholarly historical survey of the Slovaks and Slovakia offers an illuminating new perspective on a people whose history has often been clouded by the interests of those who wrote about them BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Slovakia in History* Mikuláš Teich, Dušan Kováč, Martin D. Brown, 2011-02-03 Until the dissolution of Czechoslovakia Slovakia's identity seemed inextricably linked with that of the former state This book explores the key moments and themes in the history of Slovakia

from the Duchy of Nitra's ninth century origins to the establishment of independent Slovakia at midnight 1992. 3 Leading scholars chart the gradual ethnic awakening of the Slovaks during the Reformation and Counter Reformation and examine how Slovak national identity took shape with the codification of standard literary Slovak in 1843 and the subsequent development of the Slovak national movement. They show how after a thousand years of Magyar-Slovak coexistence Slovakia became part of the new Czechoslovak state from 1918-39 and shed new light on its role as a Nazi client state as well as on the postwar developments leading up to full statehood in the aftermath of the collapse of communism in 1989. There is no comparable book in English on the subject. **Slovakia - Culture Smart!** Brendan Edwards, Culture Smart!, 2011-09-01. Slovakia has struggled with a low international profile. Often overlooked as the Czech Republic's little sister, it is a young country with an old culture and history and a people who are proudly Central, not Eastern, European. Although for much of the twentieth century Czechs and Slovaks lived together in one state, there are important differences between them, differences that ultimately contributed to separation in 1993 and the rebirth of a sovereign Slovak state. Generally speaking, the Slovaks are more Slavic than the Czechs; their pace of life is slower and their spare time is more often filled with friends, family, and music. They are known to be resistant to change, yet change has been a constant in the state's short economic and political history, from the fall of communism in the Velvet Revolution of late 1989 to the Velvet Divorce of Czechoslovakia in 1993, to widespread economic diversification, expansion, and global influence to European Union membership in 2004 and the adoption of the euro in 2009, and they have adapted with quiet optimism. Slovakia has been referred to as the economic tiger of Europe, and now that it has EU membership and a healthy industrial economy, Europeans are starting to take notice. Its popularity as a tourist destination has been growing rapidly in recent years. Slovaks call their country the Heart of Europe, a term that describes not only their geography but the Slovak character, which is warm, deeply hospitable, and immensely proud. Visitors who step outside Bratislava's Staré mesto (Old Town) and take the time to explore the country beyond will discover a landscape of plains, meadows, mountains, natural spas, and hundreds of ancient castles, and a people at once modest, stoical, humorous, and responsive. This book captures the essence of what makes the Slovak people unique and explains something of the quirks and memorable aspects of their lifestyle. It opens a window onto their inner world, their customs, and celebrations, and describes what to expect and how to behave in different situations. While the country is not without its frustrations for foreigners, most visitors succumb to its charms. Few have left without yearning to return to the little big country.

Historical Dictionary of Slovakia Stanislav J. Kirschbaum, 2013-11-14. On the stroke of midnight on 1 January 2013, the inhabitants of Slovakia celebrated a major milestone in their history: two decades of democratic government and personal freedom. This is so far the longest period of such rule in their history. This anniversary surpasses by a few months their only previous generation-long experience, namely in the First Czechoslovak Republic, 1918-1938. The difference, of course, is that the Slovaks no longer share a state with another nation but run their own affairs. Slovakia is now an accepted and recognized

member in the family of nations whose athletes artists and other notable personalities are acknowledged around the world It is a member of international organization s and multilateral institutions and participates in efforts to maintain peace and enhance prosperity around the world The third edition of Historical Dictionary of Slovakia provides a thorough update of the many accomplishments that Slovakia has achieved This is done through a chronology an introductory essay and an extensive bibliography The cross referenced dictionary section has over 1000 entries on significant persons places and events political parties and institutions literature music and the arts This book is an excellent resource for students researchers and anyone wanting to know more about Slovakia

Slovakia Investment and Business Guide Strategic and Practical Information The Czech And Slovak Republics Carol

Leff,2018-02-15 This clear objective introduction to the politics of Czechoslovakia and the successor Czech and Slovak Republics provides a comprehensive analysis of Czechoslovakia in the postcommunist period Carol Leff builds a framework for understanding the dynamics of the triple transition democratization marketization and a national transformation that has reconfigured the dynamic between state and nation She shows how the interaction of these three transformational agendas has shaped Czechoslovakia s development ultimately culminating in the paradoxical disintegration of a state that most of its citizens wished to preserve The book offers a valuable case study of a country coming back to Europe but it also provides an opportunity for analyzing the influence of communism on what had been a significant interwar European state The book s strong comparative element will make it invaluable as well for those seeking to understand contemporary Central and Eastern Europe

Steiner,1973-05-10 The Slovak Dilemma is a case study in nationalism Accepting the view that the four and a half million Slovaks who inhabit the eastern part of Czechoslovakia are a separate Slav ethnic group Dr Steiner describes their position in Czechoslovak history their role in political life the extraordinary persistence and continuing frustration of their national aspirations After a brief survey of the history of the Slovaks under Hungarian rule Dr Steiner examines their position in the democratic Czechoslovak Republic which was established in 1918 He analyses the causes of Slovak discontent and shows that although the new constitution granted full expression to Slovak culture it limited complete development of Slovak national rights Nevertheless he suggests that Slovak separatism played little part in the dismemberment of Czechoslovakia in 1938 and that the real attitude of the people towards Hitler s puppet Slovak State was eloquently expressed in their tragic rising against it in August 1944 Slovakia and Its People Gilbert Lawrence Oddo,1960 **Slovakia on the Road to**

Slovakia And The Slovaks Introduction

In today's digital age, the availability of Slovakia And The Slovaks books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Slovakia And The Slovaks books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Slovakia And The Slovaks books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Slovakia And The Slovaks versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Slovakia And The Slovaks books and manuals for download are incredibly

convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Slovakia And The Slovaks books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Slovakia And The Slovaks books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Slovakia And The Slovaks books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Slovakia And The Slovaks books and manuals for download and embark on your journey of knowledge?

FAQs About Slovakia And The Slovaks Books

What is a Slovakia And The Slovaks PDF? A PDF (Portable Document Format) is a file format developed by Adobe that

preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Slovakia And The Slovaks PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Slovakia And The Slovaks PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Slovakia And The Slovaks PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Slovakia And The Slovaks PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
