Diplomatic Para-citations Sam Okoth Opondo,2022-02-09 Taking seriously the critical conception of diplomacy as the mediation of estrangement Diplomatic Para citations turns to the politics and laws that tie modern diplomacy to colonial cultures and the genres of Man that they privilege In an attempt to read the diplomatic from the African postcolony the book probes the injunction at the center of the law of genre that states that genres are not to be mixed This enables it to investigate the citational recitational forms of knowledge and practices of recognition that reproduce the diplomatic and colonial order of things in the African context Through a reading of literature philosophy and a multiplicity of everyday practices in Africa and its diasporas Sam Okoth Opondo explores amateur diplomatic practices that provide a counterforce to laws that prescribe faithfulness to a norm form while proscribing the mixing of genres

In the Face of Diversity Nathan D. Gardner Molina,2025-05-01 The unity or uniformity of the Chinese Australian community has been frequently referenced in many recent political popular and even academic discussions The oneness of the community is often described as latent and inevitable if not already a fact Yet many Chinese Australians have also aspirationally used collective terms to refer to themselves there have been perennial calls to unite and advance the community or have it speak with one voice But has a

united or unitary Chinese Australian community ever actually existed If so would a united community be a means to an end or an end in itself And where would this community sit in contemporary multicultural Australia I Am You Are We Are attempts to answer to these questions it is a history of more than a dozen Chinese Australian community organisations from across the country over five decades that draws on the English and Chinese language materials these organisations have produced over the years as well as interviews with ten past and present leaders Instead of a single community the evidence demonstrates the existence of many diverse Chinese Australian communities Consequently the book advances two ideas Chinese Australian unity presents itself as a chimera that inhabits the social space shared by Chinese Australians and has only ever been momentarily or partially grasped by community organisations Imagining the Chinese Australian community has nonetheless produced real world outcomes the most prominent being a highly participatory style of Australian multiculturalism These two ideas are woven through six moments in recent history that have been highly decisive for Chinese Australian communities I Am You Are We Are conveys Chinese Australian history in clear and evocative prose while remaining academically authoritative and socially conscious The result is a work that dismantles the prevailing myth of a single Chinese bloc to rebuild an appreciation of multiculturalism in Australia along with specific contributions made by Chinese Australian communities

Factual Wisdom for the Age of Apostasy Thomas D. Sharts, MEd, 2015-08-04 This book *Factual Wisdom For the Age of Apostasy* accounts for those issues of life synonymous with the five areas of being human spiritual physical social psychological and vocational associated with living in an age void of truth and commonsense Moreover the book offers an analysis of these life issues from various expressive perspectives such as ruminations aphorisms sayings and proverbs It is the hope of this author that readers will comprehend how sacred life is in reference to safeguarding against willful ignorance vanity willful stupidity cowardice and hatred while alternatively exploring and developing beliefs and behavioral lifestyles that promote the sanctity of life In truth life is to be lived in such a manner that living is lifted up in glory so that each person on earth has an opportunity to achieve his her life giving purpose and receive and allocate community blessings because of such a fact Anything less than such a blessed experience are those persons that are living the living death and certainly the works expressed in this book find these kinds of lives and those machinations responsible for such debasing experiences a reprehensible outrage that must be excised from civilized social life

Until We're Seen Joseph Entin, Jeanne Theoharis, 2024-08-20 Firsthand accounts of COVID 19 s devastating effects on working class communities of color The first months of the COVID 19 pandemic were filled with talk of heroes the frontline workers who kept the country functioning And when they write those history books the heroes of the battle will be the hardworking families of New York Governor Andrew Cuomo trumpeted on Labor Day 2020 But what if those heroes those essential workers and their families wrote the book themselves In *Until We're Seen* the heroes write their own stories Through firsthand accounts by college students at Brooklyn College and California State University Los Angeles *Until We're Seen*

chronicles COVID 19 s devastating disproportionate effects on working class communities of color even as the United States has declared the pandemic over and looks away from its impacts Very few of these students and their families had the luxury of laboring from home if they were able to keep their jobs they took subways and buses and they worked They drove delivery trucks worked in private homes cooked food in restaurants for people to pick up worked as EMTs and did construction They couldn t escape to second homes if anything more people moved in as families were forced to consolidate to save money Together the accounts in this book show that the COVID 19 pandemic did discriminate following the race and class fissures endemic to US society But if these are tales of hardship they are also love stories of students families biological and chosen and of the deep resolve mundane carework and herculean efforts such love entails Recounting 2020 2022 through the experiences of predominantly young working class immigrants and people of color living in the first two major US COVID 19 epicenters Until We re Seen spotlights previously untold stories of the pandemic in New York Los Angeles and the nation as a whole
