by a few faithful retainers he was now on his way to perform that sacrifice Augustus was carried in his litter for he was old and the long stairs to the Capitol fatigued him He held the cage of doves which was his offering Neither priests nor soldiers nor councillors accompanied him only his nearest friends Torch bearers walked in front of him as if to force a way through the darkness of the night and behind him followed slaves carrying the tripod the charcoal the knives the holy fire and everything needed for the sacrifice On the way the emperor chatted gayly with his retainers and none of them noticed the infinite silence and calm of the night It was only on reaching the open place on the top of the Capitol which had been thought of for the new temple that it was revealed to them that something unusual was occurring **Man in the Blue Moon**

Not Safe, but Good Jerry Jenkins, Sally Jon, Kevin Macnesh, 2007-07-08 In C S Lewis's classic The Lion The Witch and the Wardrobe Lucy asks if Aslan the lion is safe It is quickly clarified that Aslan is not safe but he is good That concept serves as the foundation for this collection of short stories While written from a Christian worldview our goal isn't comfort food for Christians or G rated stories that offer simplistic lessons Instead we're serving up stories sharpened by faith Stories that will engage challenge entertain and stretch the reader These stories aren't necessarily safe but without question they are good The stories in this book from such outstanding Christian writers as Jerry Jenkins Michael Morris Sally John and the editor Bret Lott are by no means safe Like the parables of Christ they surprise unsettle and even shock They depict doubt loss abandonment failure and betrayal as well as elation and triumph But they also deeply and meaningfully explore the human condition in relation to a God who loves us and brings us joy and hope

The Alphabet Sisters Monica McInerney, 2005-05-17 As girls growing up in Clare Valley Australia Anna Bett and Carrie Quinlan were childhood singing stars known as The Alphabet Sisters The unbridled enthusiasm of their flamboyant grandmother Lola was the glue that held them together As adults though the women haven't spoken in years ever since Bett's fiancé deserted her to marry the younger Carrie Now Lola is turning eighty and she is determined to reunite the girls for a blowout bash And no one ever says no to Lola Bett who fled to London after the scandal of losing her fiancé is hesitant to face her sisters and her hometown especially since she has yet to find another man Sophisticated Anna the eldest

sister isn't too keen on the prospect either though she's secretly grateful for any excuse to leave her crumbling marriage behind in Sydney And Carrie who remained in Clare Valley is perhaps the most apprehensive Her marriage the nominal cause of the sisters estrangement is also on the rocks Was she wrong to have followed her heart and run off with Bett's fiancé When Lola shares her special request that the girls stage a musical she has written their short visit becomes a much longer commitment As they are forced to spend more time together the sisters must confront the pain that lingers between them Preconceptions and misunderstandings are slowly put aside and the three find themselves gradually irresistibly enveloping one another once again until an unexpected turn of events changes everything in ways none of them could have ever imagined Layering the lighthearted antics of small town life with a heartbreaking story of loyalty lost and found *The Alphabet Sisters* is an unforgettable story of two generations of women who learn that being true to themselves means being true to one another **BONUS** This edition contains excerpts from Monica McInerney's *Lola's Secret At Home with the Templetons* *The Faraday Girls* *Family Baggage* *Greetings from Somewhere Else* and *Upside Down Inside Out* *There Will Be Stars* Billy Coffey, 2016-05-03 **IN A LIFE FULL OF LIES HE FINALLY SETTLED FOR THE TRUTH** No one in Mattingly ever believed Bobby Barnes would live to see old age Drink would either rot Bobby from the inside out or dull his senses just enough to send his truck off the mountain on one of his nightly rides Although Bobby believes such an end possible and even likely it doesn't stop him from taking his twin sons Matthew and Mark into the mountains one Saturday night A sharp curve blinding headlights metal on metal his sons scream Bobby's final thought as he sinks into blackness is a curious one There will be stars Yet it is not death that greets him beyond the veil Instead he returns to the day he has just lived and finds he is not alone in this strange new world Six others are trapped with him Bobby soon discovers that this supposed place of peace is actually a place of secrets and hidden dangers Along with three others he seeks to escape even as the world around him begins to crumble The escape will lead some to greater life others to endless death and Bobby Barnes to understand the deepest nature of love *Dene Hollow* Mrs. Henry Wood, 1888 **The Arms of God** Lynne Hinton, 2014-10-14 Alice is making her daughter dinner when her mother Olivia who left her at a day care center when she was four years old appears at her door Although Alice has managed to navigate an unforgiving foster care system to build a good life for herself she has never really recovered from her mother's disappearance Olivia's sudden reappearance is like a quiet unexplained gift Over the next couple of weeks Alice asks Olivia to dinner Olivia is always dropped off by a friend and sits peacefully as Alice and her daughter talk over the meal One afternoon Alice gets a call from the hospital telling her that Olivia is dead The only identification the hospital could find was Alice's number with the word daughter written underneath it She goes to pick up Olivia's things and finds the key to her apartment It is here that the mystery of Olivia's past is slowly uncovered and Alice begins to understand how the power of hatred can hold a woman down and how the power of friendship can lift her up again Not since her bestselling book *The Friendship Cake* has Hinton created characters who are so filled with heartache and

fragile hope that they will become a permanent part of the reader's life *The Woman's Journal*, 1929 **Some Assembly Required** Michael Strelow, 2017-12-08 Jake hears voices always has They've never been a problem as long as he kept them to himself While on a writing assignment to cover an AI convention Jake reads the paper of a Dr Sewall What he discovers is puzzling incomprehensible maybe even impossible Jake visits Dr S after the convention and finds his creation Rex which looks like a bowl of gray green oatmeal whose voice somehow mingles with voices Jake has heard all his life So begins an affair of impossible science The world becomes funny right on the edge of fearful the cosmic goof at large and growing larger
