Growing Slow Jennifer Dukes Lee,2021-05-11 Enter a simpler way of living by unhurrying your heart embracing the relaxed rhythms of nature and discovering the meaningful gift of growing slow We long to make a break from

the fast pace of life but if we're honest we're afraid of what we'll miss if we do. Yet when going big and hustling hard leaves us stressed, empty, and out of sorts, perhaps this can be our cue to step into a far more satisfying, sustainable pace. In this crafted, inspiring read, beloved author Jennifer Dukes Lee offers a path to unhurried living by returning to the rhythm of the land and learning the ancient art of Growing Slow. Jennifer was once at breaking point herself and tells her story of rude awakening to the ways her chosen lifestyle of running hard, scaling fast, and the never-ending chase for results was taking a toll on her body, heart, and soul. But when she finally gave herself permission to believe it takes time to grow good things, she found a new kind of freedom. With eloquent truths and vivid storytelling, Jennifer reflects on the lessons she learned from living on her fifth-generation family farm and the insights she gathered from the purposeful yet never-rushed life of Christ. Growing Slow charts a path out of the pressures of bigger, harder, faster and into a more rooted way of living where the growth of good things is deep and lasting. Following the rhythms of the natural growing season, Growing Slow will help you find the true relief that comes when you stop running and start resting in Jesus. Learn practices for unhurrying your heart and mind every day. Let go of the pressure and embrace the small good things already bearing fruit in your life. And engage slow growth through reflection prompts and simple application steps.

But Gooderham doesn't cope well with being the unfit one, especially when he's forced to watch his superhuman colleague make everything look so easy. *Will you please slow down* is the real story behind the fictional Endurance Bunny and the small, shrivelled organ. Much of the text is similar to the original but is written purely as a diary of the cycle tour for the purest amongst you. *Will you please slow down* is a must-read for anyone who has already cycled or is contemplating a cycle challenge and includes daily maps, road and traffic conditions, as well as the contour of the route.

Slow Love Dominique Browning, 2011-08-30 In burnished, exquisite prose, Browning describes her feelings of being set adrift until she gradually transforms her helter-skelter days into a deliberate, contemplative way of life. The Boston Globe In late 2007, Dominique Browning, the editor in chief of Conde Nast's *House & Garden*, was informed that the magazine had folded and she was out of a job. Suddenly divested of the income and sense of purpose that had driven her for most of her adult life, Browning panicked. But freed of the incessant pressure to multi-task and perform, she unexpectedly discovered a more meaningful way to live. Browning's witty and thoughtful memoir has already touched a chord with reviewers and readers alike. While untold millions are feeling the stress of modern life, *Slow Love* eloquently reminds us to appreciate what we have, a timely message that we all need to hear.
