

The background is a textured, painterly landscape. It features a path or stream that winds through a field of green and yellow grass. In the distance, there are dark, silhouetted trees and a blue sky. The overall style is impressionistic and textured, with visible brushstrokes or paint application.

Slower Than Butterflies Eddie Askew, 1997-07-01 **Low Altitude Large Scale Reconnaissance** James W. Walker, 1993 **Elax and the White Witch** Zsolt Zsemba, 2021-08-13 Budi and Putri's life takes a wild and crazy turn on their 10th birthday. They find out that they are not just friends but in fact twins. For their birthday they receive two identical wooden boxes filled with mysterious trinkets. While they try to figure out what's happening they get swept down the river to a strange new magical world. During their exploration they meet a wise old wizard named Elax who informs them that they are not here by accident. When Budi and Putri learn that they must unite the Water People and the Fire People to defeat the White Witch they cannot believe that this is a task that they can take on. With Elax's help they learn magic and set out on a journey to save their world. The magical world tests Putri and Budi mentally and physically as they learn more about their past.

Literary Landscapes of Time Jobst Welge, Juliane Tauchnitz, 2022-11-07 The volume asks how the literatures of the Americas and the Caribbean present multiple or internally differentiated spaces and how these are distinguished or traversed by different temporalities. The historical and post colonial experiences of these areas turns them into especially fertile ground for the exploration of the connections between landscape geography and historical temporal palimpsests as well as the specificities of literary form. The contributions are dedicated to individual yet conceptually interconnected studies of staggered multiple non simultaneous temporalities in modern and contemporary literature. The volume adopts a comparative perspective throughout and intends to foster the dialogue between the study of Latin American and Caribbean literatures in Spanish Portuguese French and English. Therefore the individual essays are not grouped according to geographical or linguistic areas but follow a trajectory from spatiotemporal constellations of the 19th century to ruined catastrophic landscapes and the geopoetic inscriptions of time in regions. The essays should appeal to all readers interested in World Literature Hemispheric Studies as well as temporal approaches to space and geography.

The Saint John's Bible and Its Tradition Jack Baker, Jeffrey Bilbro, Daniel Train, 2018-10-08 In an age of e books and screens it may seem antiquated to create a handwritten illuminated Bible. The Benedictine monks at Saint John's Abbey and University however determined to produce such a Bible for the twenty first century a Bible that would use traditional methods and materials while engaging contemporary questions and concerns. In an age that largely overlooks the physical form of books The Saint John's Bible foregrounds the importance of a book's tactile and visual qualities. This collection considers how The Saint John's Bible fits within the history of the Bible as a book and how its haptic qualities may be particularly important in a digital age.

Love Always Bobby Luckan,2016-10-31 Life is a Mystery Life is a mystery We get up every day not knowing We are sad happy sick healthy we lose some friends and we also make new ones We are surprised disappointed and often we fall but the best part of life is that we have the opportunity and ability to get up and dust ourselves We are often told not to look at the past as it cannot be changed This is true and also not true Look at the past but do not dwell on it and become stagnant We should not look at it with regret and anger for having fallen but rather at what made us fall Look at it as an experience and a lesson and learn from it to change Challenges will always be confronting and every one of them should be taken with your head held up high You may or may not succeed but either way it is something that is to be faced No institution or literature will ever replace what life teaches for lifes experiences are different to every one of us Learn from the past so you can change the future to make it a better place not only for you but for everyone else if possible Smile for thats one of the only things you can give and get for free and always walk with hope and determination if you want final victory for Love Is All
